

## **Contracts Rule and Regulation 4**

Contracts will not be required as a condition precedent to service except:

1. As may be required by conditions set forth in the regular schedule of rates adopted by the District.
2. In the case of electric service of a temporary or speculative nature, a contract may be required for a period not to exceed three years.
3. In the case of street lighting service, a contract may be required for a period not to exceed five years.
4. In the case of seasonal customers whose monthly use of energy during the year varies greatly and from whom contracts are not otherwise required, a contract may be required for a period of one year.
5. Where customer's power requirements are unusually large and an economic hardship may be imposed upon the District, a contract may be required for a period which, in District's judgment, is commensurate with the size of the power requirements involved.
6. Where the customer desires the District to connect to a customer-owned generation facility which is rated larger than 100 kw.
