The Project Completion Program Incentive will be paid directly to the Contractor, customer, or assignee upon project completion and SMUD approval.

After receiving project details, completed application and a copy of the signed contract, SMUD will return a written agreement approving the application, committing funds and authorizing start of the project. Projects started without SMUD approval will not be eligible for an incentive.

I also understand that for incentive amounts of \$600 or greater per calendar year, SMUD may be required to file (A) form 1099-MISC with the Internal Revenue Service and/or (B) an informational return with The Franchise Tax Board.
