Customer and Installer Declaration

The undersigned declares under penalty of perjury that:

1. All information provided in this form is true and accurate to the best of my knowledge.
2. The above-described solar/PV system is intended to offset part or all of the customer's annual electrical needs at the installation site.
3. The site of installation is located within SMUD service territory.
4. The customer shall comply with all city and/or county ordinance and obtain all required permits.
5. The customer shall comply with SMUD interconnection and net-metering agreements.
6. The customer agrees that all environmental and air quality credits resulting from this installation, also known as "Green Tags," remain with SMUD.
7. SMUD is NOT a party to the installation contract between customer and installer/contractor.
8. Customer agrees to grant access to customer's property to SMUD for the limited purpose of allowing SMUD to perform an onsite inspection to verify that the equipment installed is eligible for a rebate payment.
