

SMUD BOARD POLICY

Category: Strategic Direction	Title: Innovation
	Policy Number: SD-10
Date of Adoption: September 2, 2004	Resolution No. 04-09-07
Revised: September 20, 2018	Resolution No. 18-09-07

Delivering innovative solutions, products and services to our customers is a core value. To assure our long-term competitiveness, SMUD shall invest in research and development projects that support its core and key values, and integrate emerging technologies and new business models into SMUD's customer offerings in a way that balances risk and opportunity and benefit our customers and community.
