TESTED AND TRUSTED

TED COSTA IS:

I was born and raised on a family farm in South Natomas and educated in local schools---American River College and UC Davis;

Mentored in politics by the late Paul Gann and Senator S.I. Hayakawa;

Intricately involved in thirteen state-wide initiatives----from Prop. 13 to Re-Redistricting Reform. I drafted three sections of the California State Constitution. I managed 16 lawsuits before the Court of Appeals and Supreme Court. We won 15.

I am currently a board member of the San Juan Water District, a Community Service District that takes American River water, treats it and sends it to water districts in the northeast part of Sacramento County AND at the lowest cost in the entire state.

I live in Citrus Heights with my wife Dr. Jayna and our many animals.

TED COSTA BELIEVES:

Special Districts are the backbone of government. When our water main breaks, we don't call a Legislator. When our power goes out, we don't call a Congressman. We call our Special Districts for all these services. It is so important our special districts are run as efficiently as possible and held accountable to the people. LAFCO is the agency that makes that happen.

LAFCO powers come straight from the Legislature and are rightfully divided up by counties, cities and special districts with the intent of making local governmental subdivisions work more efficiently for the people.

If you vote for me, I will work hard to be a good steward of your trust. Please feel free to contact me:

Experience

Arcade Creek Recreation and Park District Director

12/2014 – present

- Chair 2015
- Director leading the Master Plan project
- Secretary/Treasurer and member of the Finance committee 2017-2019
- Vice-Chair and member of search committee for new GM (2020)
- Served on Sacramento Special District Advisory Commission (2 terms)

Key accomplishments:

- 1) Worked to get ACRPD out of debt with CalPERS. In 2015, we had a debt with CalPERS of ~500K and today, we are current. This frees up financial capability to equipment and capabilities for our employees and begin to address community needs related to the Parks.
- 2) Part of the team to update a master plan that was 20+ years old. The district needs to have a direction so we can build a patchwork towards the common goal using available resources.
- 3) On the search committee to locate the replacement GM for the district. We found an ideal individual who has a wealth of experience, wanted to come to Sacramento, and would fit in with the current employees.
- 4) I was granted a scholarship to the CARPD Convention in Tahoe. This provided the impetus to pursue a Shine Grant resulting in lighting Arcade Creek Park with LED lighting powered by solar panels.

Benevolent and Protective Order of Elks Officer Carmichael Elks Lodge #2103

12/2014 – present

Worked in various roles including being elected as "president" twice and elected as a trustee to the board of directors twice. I chaired the operational aspects of the 1300-member Lodge through the COVID-19 shutdowns, etc. Worked with members to keep the finances positive. While we lost ~100 members during COVID, we have recovered almost that many this year and are continuing to grow. The Lodge building was built in the 1960s, 1970s, and 1980s. It has a large footprint on the 9+ acre lot. We have been managing significant costs related to the air conditioning and general upkeep of the buildings.

30+ Years in Data Processing

During my years in data processing, I worked in varied industries: Government/Technical (Stanford Research Institute), Chip Manufacturing (Advanced Micro Devices), Education (University of California at Davis), Insurance (CSAA), and support/outsourcing companies (EDS, HP). During my time in these organizations, I was a developer, team lead, department manager and project manager. The opportunities afforded in these organizations provided the background to aid other organizations in their growth.

Highlights:

- At Stanford Research, I worked on the Headstart Project consolidation of data tracking children across years and schools. This helped provide the winning of the contract related to the Follow-Thru project.
- During my 10 years at AMD, I managed a team supporting Shipping and the fabrication units, managed one of the Computer Operations teams to streamline the processing, and started into Project Management. One of the efforts I completed cut computer report paper usage by over half by isolating the needed reports for the specific organization and eliminating superfluous copies of reports.
- At UC Davis, my team was responsible in supporting the HR/Payroll systems and Departmental Computing. While much of the actual data processing occurred at the Office of the President so all campus reporting was consistent, our role was to deliver the information and support to the various departments on campus. As part of the Departmental Computing effort, we won the contract with the Transportation and Parking Unit to replace their system with one that would be maintained and supported on campus.
- At CSAA, I lead a team supporting Membership systems, brought in new technologies, helped to test and discard one system replacement that did not work consistently, and moved into project management. During my time at CSAA I was part of an outsourcing effort to move all computing support to an external vendor (EDS) while the support team continued to sit at their current desks and support CSAA. This arrangement continued for over 20 years as I was either working for the vendor, EDS then HP, managing the work for CSAA or working for CSAA managing the work being performed by the vendor. We moved data centers, applications, and generally supported the work associated with CSAA until they were finally able to insource their data processing.

Fellow Special District Directors,

I respectfully request your vote to continue as Special District Commissioner, Seat # 7, on the Sacramento County Local Agency Formation Commission. Representing Special Districts on Sacramento LAFCO is a privilege and an honor.

Special Districts represent the most basic connection between citizens and their government. We really are the closest public entity to our community. We provide our neighborhoods with services and responsiveness that are found no where else. This close connection makes it imperative that the voice of Special Districts is heard and represented at our Local Agency Formation Commission. This is why I want to serve on LAFCO.

As the incumbent, there are several areas in which I want to continue to build upon.

The first is the Special District Advisory Committee (SDAC). As a member since inception, I have continued to expand the voice of Special Districts at Sacramento LAFCO. Emphasizing the importance of Municipal Service Reviews, maintaining an open dialogue among Special Districts in our county, and discussing the impacts of proposed LAFCO applications upon Districts are very important to me. Sharing information amongst ourselves contributes to our success, and SDAC facilitates this exchange.

The second is to continue to work closely with the California Special District Association (CSDA). A strong, professional and valuable relationship exists between us. It is very important to continue working together in areas of mutual concern to make Special Districts strong and successful.

A third area is the California Association of Local Agency Formation Commissions (CALAFCO). I have served on the Board of Directors of CALAFCO since 2006. This work informs me on statewide issues that can carry many implications for LAFCOs.

Thank you for your support. Please contact me with any questions or comments you may have.

Sincerely,

Gay Jones, Director
Sacramento Metropolitan Fire District

Special District Commissioner
Sacramento LAFCO.

STATEMENT OF QUALIFICATIONS

My experience representing Special Districts continues to broaden and deepen. This is reflected by my service as a Sacramento Metropolitan Fire District Director, as a Sacramento County LAFCO Commissioner and as a CALAFCO Board Member.

The challenge to use critical thinking to make decisions never diminishes. It is hard work to investigate and study all aspects surrounding an issue. Asking questions and listening to the replies requires a commitment to weigh, measure and balance all the information. That analysis, in turn, must be informed by sound public policy.

My goal is to support this process where critical thinking joins sound public policy resulting in good decisions.

Applicant Statement for the Special District LAFCO Representative

I moved from Glassboro New Jersey to Rio Linda Elverta in 1981, along with my 3 year old daughter and my husband.

Almost immediately I became involved with Sacramento County Service Area #3 which was the forerunner of our current independant Parks and Recreation District serving the Rio Linda Elverta Communities. This involvement was the result of reading a statement in the local paper, indicating that the Parks Advisory Board had determined that there were sufficient equestrian trails in the area. I was very happy to advocate for additional trails and in the process begin my education in local governance processes.

Over the next several decades I was appointed to numerous County and Local advisory boards, steering committees and ad hoc committees. My interest expanded to include growth issues, flood issues and agriculture/suburban/urban issues.

I learned a great deal about how government works and how Special Districts fit into the process. I became a strong advocate for local governance after going through 3 incorporation attempts in the Rio Linda Elverta communities and in the education process I switched from anti-incorporation to pro-incorporation for unincorporated communities.

In about 1992 I was appointed to the RLE CPAC in and served during the Community Plan Update. I am familiar with the governance process and with procedures for arriving at a decision as a board member. I have served several terms on CPAC under four different County Supervisors since that initial appointment. All of these experiences were very educational for me.

In 2002 I successfully ran for the Rio Linda Elverta Recreation and Parks District. I truly enjoyed and have greatly benefited from the experience of becoming an elected board member. I ran again in 2016 and am currently serving as Secretary for the RLE Recreation and Parks District.

I believe that my history in the community and experience as an elected public official will be an asset for Special Districts as a LAFCO Special District Board member.

Thank you,

Charlea R. Moore
