Pursuant to Government Code section 54953(e) and the Emergency Board Meeting Procedures adopted by the SMUD Board of Directors, the regular Board meeting and other public meetings are currently conducted solely via virtual (online/teleconference) meeting to align with state, local, and federal guidelines for the containment of the coronavirus.

Live video streams and indexed archives of meetings are available at: http://smud.granicus.com/ViewPublisher.php?view_id=16

Members of the public may register to provide verbal comments at an upcoming Board or Committee meeting by emailing a request to speak to PublicComment@smud.org. Please include the date of the meeting, name, and topic or agenda item the requestor wishes to speak on. The request may also be submitted while the meeting is in progress during the standard time for the agenda item or topic. Pre-registration is strongly encouraged by no later than 3:00 p.m. on the day of the meeting.

Members of the public may provide written public comments on a specific agenda item or on items not on the agenda (general public comment) by submitting comments via e-mail. Comments may be submitted to PublicComment@smud.org and will be placed into the record of the meeting.

Members of the public that are listening to or watching the live stream of a Committee meeting and wish to submit written comments on a specific agenda item as it is being heard may submit their comments, limited to 250 words or less, to PublicComment@smud.org, noting the agenda item number in the subject line. The Committee Chair may read comments for items on the agenda into the record, in his discretion, based upon such factors as the length of the agenda or the number of e-mail comments received. General public comment for items not on the agenda will not be read into the record but will be provided to the Board and placed into the record of the Board meeting if it is received within two hours after the meeting ends.

This Committee meeting is noticed as a joint meeting with the Board of Directors for the purpose of compliance with the Brown Act. In order to preserve the function of the Committee as advisory to the Board, members of the Board may attend and participate in the discussions, but no Board action will be taken. The Energy Resources & Customer Services Committee will review, discuss and provide the Committee's recommendation on the following:

NARRATIVE:

Requested Action: Make findings that conveyance of the following Assessor’s Parcel Numbers (APNs) is exempt from the Surplus Land Act:

a. Former substation property exchanged for replacement site [132-0332-014];
b. Former landfill site conveyed to local agency for its use [001-0160-006, 001-0160-018, 001-0160-034]; and
c. Former pole/corporation yard conveyed for climate change demonstration, utility sites, and revenue to support SMUD operations on the site [008-0010-090; 011-0073-001 to 011-0073-008; 011-0081-001 to 0081-003; 011-0081-008].

Summary: Staff is recommending that the Board declare the following parcels to be exempt surplus land.

APN 132-0332-014 (Lambert Substation): The parcel is 0.262 acres located on the west side of Franklin Blvd, north of Lambert Rd in Elk Grove. This will enable SMUD to complete the agreed upon exchange of parcels between SMUD and the former owner, in which SMUD acquired the site for the new Lambert Substation.

APNs 001-0160-006, 001-0160-018, 001-0160-034 (North City Substation): SMUD built and operated the North City Substation on an 11.83-acre parcel along North B Street and 20th Street in Sacramento. The parcel, obtained by SMUD from the City of Sacramento, is located on a former City landfill site. SMUD removed the substation (having relocated its operations to Station E) and capped the site consistent with state and local regulations to protect human health and the environment. Staff is recommending that the Board declare the now vacant parcel to be exempt surplus land. This will enable SMUD to complete the agreed upon transfer as contemplated in the Master Parcel Agreement.

APNs 008-0010-090; 011-0073-001 to 011-0073-008; 011-0081-001 to 0081-003; 011-0081-008 (SMUD’s 59th Street Corp Yard): After disposition, the property will be used to further SMUD’s work by serving as an exemplar of how mixed use developments can help achieve climate change goals, with the expectation of it being Leadership in Energy and Environmental Design (LEED) silver, with a net zero certification, all-electric construction, exceedance of energy efficiency standards by at least 15%, participation in all applicable SMUD programs, and feasible battery storage. The development will include commercial or industrial uses or activities, including nongovernmental retail, entertainment, or office development and generate revenue to support SMUD’s work or operations on the site, including environmental remediation, utility services, and energy storage and grid management.

Board Policy: Board-Staff Linkage BL-10, Delegation to the General Manager with Respect to Real and Personal Property (Number & Title)

Benefits: SMUD will be able to sell the property to meet the compliance requirement of the Surplus Land Act while also satisfying SMUD’s obligations to other parties, generating revenue to help offset the acquisition costs, and transferring responsibility for environmental maintenance to the appropriate party.
Cost/Budgeted: None

Alternatives: Reject the property as exempt surplus land.

Affected Parties: Board of Directors, SMUD Executives, and SMUD Real Estate

Coordination: Organization-wide

Presenter: Ellias van Ekelenburg, Director, Environmental, Safety & Real Estate Services
