

# Exhibit to Agenda Item #1

Present SMUD's proposed 2024-2028 Hazard Mitigation Plan.

Board Strategic Development Committee and Special SMUD Board of Directors Meeting

Tuesday, February 6, 2024, scheduled to begin at 6:00 p.m.

SMUD Headquarters Building, Auditorium

# Approve 2024-2028 Hazard Mitigation Plan

- The Hazard Mitigation Plan (HMP) is a five-year risk mitigation plan which allows SMUD to qualify for CalOES and FEMA mitigation grants
- SMUD received grant funding to update its 2024-2028 HMP: \$174,565.37 + \$8,603.20 for grant administration
- Supports SMUD's commitment to reduce and eliminate, where possible, the potential risks and impacts of natural and human-caused hazards to SMUD's communities, systems and/or operations.
- The 2024-2028 HMP is an update of SMUD's 2018 HMP approved and adopted by Board Resolution No. 19-06-06 which expires this year

# 2024-2028 Hazard Mitigation Plan Scope

- Covers all natural and man-made hazards which could potentially occur within SMUD's Plan Area.
  - This includes an assessment of the most significant hazards SMUD plans for, including, but not limited to, flood, dam failure, wildfire, earthquake, drought, climate change, severe weather, cyber threats, and terrorism.
- SMUD's Plan Area covers all areas where SMUD owns, partially owns and/or operates electrical infrastructure.
