BOARD OF DIRECTORS

**ERRATA #1 TO THE GENERAL MANAGER'S REPORT AND RECOMMENDATION
ON RATES AND SERVICES DATED OCTOBER 7, 2010**

Dear Board Members:

I am amending the General Manager's Report and Recommendation on Rates and Services, dated October 7, 2010, as follows:

Appendix C.:

- Rate schedule 1-SLS-1 Section V., the energy charge is amended to 7.11¢ rather than 7.00¢ per kWh.
- Rate schedule 1-NM-1, Section II (A) is amended to read **"Residential and Small Commercial ≤ 20 kW; Agricultural Customers ≤ 30 kW"**.

This is a correction and there is no revenue impact from this amendment.

The final rate resolution and rate schedules will reflect the revision included in this errata letter.

Sincerely,

John DiStasio
General Manager and Chief Executive Officer
