To accomplish its strategic leadership consistent with Board policies, the Board will develop and follow an annual work plan that ensures the Board: (i) focuses on the results the Board wants the organization to achieve; (ii) defines the conditions of SMUD that it considers acceptable and unacceptable; (iii) meets its other obligations as stated by law or policy; and (iv) continually improves its performance through education, feedback, and deliberation.

Specifically:

- a) The Board will develop each year a list of topics and issues that it wishes to explore in the coming years and maintain a work plan to guide SMUD staff in preparing the agendas for regular board meetings and standing committee meetings.

- b) Members of the Board, the General Manager, and his or her designees may place matters on Board agendas. At least two weeks prior to placing an item on the agenda, a board member shall notify the Board President (or committee chairs, in the case of standing committee meetings) or both, as appropriate. When a Board member invites people to speak at a Board or committee meeting, the Board member shall notify the Board President or committee chair, as appropriate.
- c) Items may be placed on the agenda on either the consent calendar or the discussion calendar. An item placed on the consent calendar may be moved from the consent calendar to the discussion calendar at the request of any Board member during a Board meeting prior to the vote to approve the agenda.
- d) The Board President shall ensure that the Board's agendas meet the goals of the annual work plan.
- e) The Board Secretary's office, under the direction of the General Manager and the Board President, shall prepare and issue an agenda for each regular meeting of the Board. The Executive Management team, under the direction of the General Manager and in coordination with the standing committee chairs, shall prepare and issue an agenda for each standing committee meeting.
