Our monthly newsletter for residential customers

April 2022

Powering forward. Together.

Leading the way to a greener tomorrow

With our 2030 Zero Carbon Plan, the most aggressive carbon reduction plan of any large utility in the country, we have a flexible roadmap to eliminate carbon emissions from our power supply over the next 8 years. Partner with us in making a cleaner, greener and more sustainable energy future by enrolling in SMUD's Greenergy® program.

For as little as \$3 extra per month on your bill, we'll meet your electricity needs with power from renewable energy sources like wind, water and solar. Since 1997, more than 70,000 of our customers have chosen to get their energy from clean, renewable sources.

Going 100% carbon free is a bold and ambitious goal – one we believe we can achieve with your support and participation in programs like Greenergy. Learn more and sign up at smud.org/Greenergy. •

Considering an electric vehicle?

If you're in the market for a new vehicle or want to learn more about electric vehicles (EVs), check out our free EV Support Program. Whether you already own an EV, or are thinking about purchasing or leasing one, you'll get free personalized phone or email assistance on EVs, charging, incentives and answers to any

questions you have. Plus, learn about the California Clean Fuel Reward, where you can save up to \$750 with an instant rebate on the purchase or lease of a new plug-in electric vehicle.

Call 1-877-EV-HELP-1 or 1-877-384-3571, email support@pluginamerica.org or go to smud.PlugStar.com. •

Free and fun workshops for you

Our Community Education & Technology Center offers free online classes taught by energy experts to give you all the information you need to be energy-efficient, save money and make informed decisions.

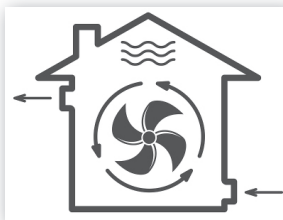

Most popular cooling & heating questions answered Thursday, May 26 | Noon – 1 p.m.

A SMUD Energy Advisor will go over some of the most popular questions that customers ask when considering a new cooling and heating system.

Is a whole house fan right for you? Thursday, June 23 | Noon – 1 p.m.

Come learn about the benefits of a whole house fan and how it can be used to keep you cool this summer, while lowering your energy costs.

Learn more and register for classes at smud.org/Learn. •

Wonder why our employees volunteer?
We're community-owned, not-for-profit.

Save \$99 on all EV chargers at SMUD Energy Store

One of the reasons why so many love driving an electric vehicle is because of the convenience of charging at home. Right now, while supplies last, SMUD customers can get a \$99 instant rebate on any EV charger from SMUD Energy Store. Plus, you can receive up to \$1,000 toward your EV charging equipment and installation costs with our Charge@Home program.

A Level 2 charger can provide up to 25 miles of driving range per hour of charging—much faster than the basic Level 1 charger that was included with your vehicle. This gives you a lot more flexibility whenever you want to hit the road!

Check out our qualifying models and learn more at SMUDEnergyStore.com/electric-vehicle-chargers. •

SMUD Board of Directors

Your elected Board of Directors holds regular meetings once a month on the third Thursday at 5:30 p.m. Meetings are streamed live and archived on smud.org. Due to the COVID-19 pandemic, Board meetings are currently held online. Visit smud.org/Board for the latest information.
