Go electric and save with rebates up to \$3,500

Save big on electric solutions. We offer rebates to help you go electric in your home. Making the switch from gas to electric appliances is better for the environment and it's safer and healthier, too. It's also better for your budget. You can save about \$500 per year on overall utility bills for the average residential customer.

Learn more about how you can save by making the switch to electric at smud.org/GoElectric. •

* Rebates available at participating dealers.

** Rebate available for systems installed by an approved contractor in our SMUD Contractor Network. Find a contractor at smudcontractornetwork.org.

Electric Vehicle*	Rebate up to \$750
Induction Cooktop	SMUD rebate up to \$750
Heat Pump Water Heater**	SMUD rebate up to \$2,500
Heat Pump HVAC**	SMUD rebate up to \$3,500

Stay on track with Bill Pay Your Way

Customers are at the center of what we do. That's why we offer Bill Pay Your Way that combines Budget Billing and Custom Due Date programs to give you more control over how you pay your bill.

Budget Billing sets your bill at the same monthly payment for a full year. Custom Due Date allows you to choose a payment due date range that fits your paydays or scheduled deposits.

Find out more and sign up online at smud.org/BillPayYourWay. •

Stay connected: Virtual classes, workshops and more

We offer free online workshops, classes and energy educational videos to stay connected with you.

Visit smud.org/Education, where our team of energy education specialists has all kinds of educational resources for families, teachers, kids

and anyone else seeking to learn more about electricity and clean energy technology.

You can also explore videos, including tips on saving money on your bill at smud.org/EnergyVideos. •

Just a few dollars can help a family in financial crisis

Many families in our community struggle to pay their bills and put food on the table. You can bring some relief and hope to those in need.

Your generous donation can help local families keep the lights on through our EnergyHELP program.*
