

## South Fork Powerhouse Road Activity and Construction Log

September 2019

Sacramento Municipal Utility District (SMUD)

### ***Slab Creek Reservoir Road at North Canyon Road***

Due to construction and security issues at the South Fork Project site on the south bank of the American River downstream from Slab Creek Dam, and effective **IMMEDIATELY, September 24, 2019**, public vehicle access North of the Gate at Slab Creek Dam Road and North Canyon Road **will be prohibited 7 days a week until further notice**. Foot access to the pedestrian bridge and the north shore of the river is open to the public 7 days a week unless heavy construction traffic creates unsafe walking conditions.

### ***East End Slab Creek Reservoir at Forebay Road:***

The day use facility at the east end of Slab Creek Reservoir remains open 7 days/week from dawn to dusk. Access is via Forebay Road in Pollock Pines and traveling north for about 20 minutes to the Forebay Road Bridge across the American River.
