

8th Annual California Solar Regatta

May 3 and 4, 2019

9 a.m. – 4 p.m.

Rancho Seco Recreational Area | 14960 Twin Cities Road, Herald, CA 95638

Join us for the 2019 California Solar Regatta sponsored by SMUD's Energy Education & Technology Center. The Solar Regatta is a hands-on event where students learn about solar energy and sustainability in a fun, outdoor environment.

Spend a day at the lake as high schools and colleges race solar powered boats they designed and built. Cheer on your favorite team and boat as you watch on the shoreline. Other activities to enjoy include:

- Have a picnic on the grassy shores of the lake, one of Sacramento's best kept secrets.
- Go for a swim or try sailing, windsurfing, or paddleboarding.
- Take a hike on the Rancho Seco Howard Ranch trail.
- Make a reservation to camp overnight at the park.
- If you have a fishing license, catch a few while you are there!

For more information, contact Suzette Bienvenue at Suzette.Bienvenue@smud.org, 916-732-5175, or visit smud.org/Solar-Regatta.
