

## Greenergy® Partner Plus Prospective Product Content Label<sup>1</sup>

Greenergy Partner Plus is sold in blocks of 1,000 kilowatt-hours (kWh) or by matching a percentage of your electricity usage (50% and 100%) annually to residential and commercial SMUD customers. The information provided only applies to the portion of your SMUD bill covered by Greenergy Partner Plus.

Renewable and Carbon-Free Resources in Greenergy Partner Plus in 2020		Generation Location
Solar	30%	CA
Wind	30%	CA
Biomass	24%	CA
Geothermal	2%	CA
Large Hydro	15%	CA
<b>Total Certified Renewables and Carbon-Free</b>	<b>100%</b>	<b>CA</b>

1. Prospective figures reflect the resources that we forecast to provide. Actual figures may vary according to resource availability. We will report annually to you in the form of a Historic Product Content Label the actual resource mix of the electricity you purchased. These figures reflect the power expected to be delivered to Greenergy Partner Plus customers in 2020.

For specific information about this electricity product, please contact SMUD at 1-888-742-SMUD (7683), email [customerservices@smud.org](mailto:customerservices@smud.org), or visit our website at [www.smud.org/gogreen](http://www.smud.org/gogreen).
