Celebrating Our Seniors — a free online event

Registration is open the entire month of November.

Your health, well-being and safety are our top priority, so this year's event has changed to an online format that you can enjoy from your home.

Register anytime in November to receive an interactive, online session where you can learn about:

- Connecting your home using smart technology
- Life changing lighting
- Controlling your SMUD bill
- SMUD programs and community services available for you

The first 500 SMUD customers that complete the feedback survey will receive a free gift that includes a magnifier, LED nightlight and a directory of senior resources.

Registration begins
November 1st at [smud.org/Learn](https://www.smud.org/Learn)
