Join us for the 2022 California Solar Regatta sponsored by SMUD's Community Education & Technology Center. The Solar Regatta is a hands-on event where students learn about solar energy and sustainability in a fun, outdoor environment.

Spend a day at the lake as high schools and colleges race solar powered boats they designed and built. Cheer on your favorite team and boat as you watch from the shoreline. Other activities to enjoy:

- Have a picnic on the grassy shores of the lake, one of Sacramento's best kept secrets.
- Go for a swim or try sailing, windsurfing or paddleboarding.
- Take a hike on the Rancho Seco Howard Ranch trail.
- Make a reservation to camp overnight at the park.
- If you have a fishing license, catch a few while you're there!
