

Choose a Custom Due Date that fits your needs

We get it — every business has its own cash flow rhythm. That's why we're making it easier for you to choose a payment due date that matches your cash flow schedule or deposit schedule.

Here's how Custom Due Date works:

- Pick a due date range that fits your business needs.
- We'll adjust when your bill is due to line up with your chosen range.
- Your exact due date might shift a bit if it falls on a holiday or weekend.
- You'll still get the same amount of time to pay, no matter what.

Want to set up a Custom Due Date? Enroll at smud.org/MyAccount or call 1-877-622-SMUD (7683). •

Help our communities

We're now accepting applications for our Shine awards, a fund-matching opportunity for nonprofits.

Now in our 10th year, Shine invests in projects that support zero carbon workforce development, affordability and community resiliency, economic development and STEM (science, technology, engineering and mathematics) education in the Sacramento region.

Shine awards are competitive and funds are limited. **Applications are due by 5 p.m. on Friday, July 31.** All applicants must be incorporated nonprofit organizations within our service area.

To learn more, visit smud.org/Shine and register for a Shine application webinar. •

Meet the Buyers & Business Resource Expo

Join us on Thursday, Aug. 20 to meet and engage with our purchasing team! Learn about our commercial programs, industry incentives and workforce development opportunities to help grow your business.

Register for this free event today at smud.org/BizExpo. •

Bigger Multifamily program incentives are here — don't miss out

Our Multifamily program is designed to support properties of 5 units or more switch to cleaner, more efficient electric space heating, water heating and cooking appliances. This program has increased incentives on qualifying heat pump water heater and heat pump HVAC equipment, making it easier and more affordable to invest in cleaner, more efficient technologies.

Category	Measure	Incentive*
HVAC	Inverter-driven split system	\$2,500/compressor
Domestic hot water	Apartment and common area heat pump water heater	\$2,500/unit
Domestic hot water	Central HVAC (no auxiliary electric resistance)	\$2,000/unit served

*Exclusions may apply

Incentives of up to \$350,000 per project are available on a first-come, first-served basis and can be stacked with other incentives.

Don't miss this opportunity to maximize your savings while improving your energy performance! To get started, complete the interest form at smud.org/Multifamily or email Multifamily@smud.org.

Partnering to better serve our customers

Our Strategic Account Advisors support local businesses with everything from energy savings and incentives, to making sure businesses have tips and resources to operate more efficiently.

Scan the QR code to come along with us on a video tour of the Sacramento Area Sewer District and learn how we partner with our customers to make a positive impact and help local businesses thrive.
