June 2026

Powering forward. Together.

Save and get paid with My Energy Optimizer®

Join My Energy Optimizer® and get a \$50 Prepaid Mastercard® for enrolling, plus another \$25 prepaid card at the end of each summer for participating.

From June 1 through Sept. 30, we'll schedule Peak Events when electricity needs are especially high. During these events, your thermostat automatically adjusts a few degrees to pre-cool your home before the hottest part of the day, then reduces your use, helping you save energy and stay comfortable. We'll notify you in advance and you can opt out of any event.
