Let's power Earth Day with an art competition

Showcase your talent in our art gallery and demonstrate how you're celebrating the Earth by helping us work towards a clean energy future.

Submit a photograph of your Earth Day-themed art using a 2D media and we'll select 50 winners and display their artwork in our gallery. The top 12 winners will also have their artwork featured in a calendar. Calendar winners will receive an Earth Day calendar along with other special prizes.

Contest runs Monday, Feb. 1 - Friday, March 5, 2027

Contest rules and entry information is on the back of this flyer.
