**Aerospace Museum of California  
3200 Freedom Park Dr.  
McClellan Park**

Learn more at [smud.org/Education](http://smud.org/Education)

Celebrate wind energy and the power of flight with music and family fun STEM activities. Learn more as you:

- Enjoy amazing airplane exhibits
- Tour the museum
- Fly a flight simulator
- Engage in hands-on STEM activities

Complimentary food will be available.  
Parking is free.

In partnership with:

Explore. Discover. Inspire.
