We invite your students to join our 14th Annual California Solar Regatta. Sponsored by our Community Education & Technology Center, the Solar Regatta is a hands-on event where students learn about solar energy and sustainability in a fun, outdoor environment.

- Teams can choose to retrofit a boat or build a new one to compete.
- We'll loan solar modules to participating teams.
- Every participating team gets a set stipend for parking, boating certificates and for meeting competition benchmarks.
- The winning team of the Regatta Cup receives $3,000.
