SMUD Service Area and Board Member Wards

The Sacramento Municipal Utility District generates, transmits and distributes electricity to a 900-square-mile territory that includes California's capital city, Sacramento County, and small slices of Placer and Yolo counties. As a publicly owned utility, SMUD is governed by a seven-member Board of Directors elected by the voters to staggered four-year terms. The SMUD Board of Directors determines policy and appoints the chief executive officer/general manager, who is responsible for SMUD's day-to-day operations.
