Powering forward. Together.
Economic Development Policy

SD-13:

“Promoting the economic vitality of our region and the growth of our customer base is a key value of SMUD. Therefore, SMUD shall exercise strategic leadership and actively participate in regional economic development.

Specifically:

a) SMUD shall promote innovation while maintaining rate affordability and balancing the other strategic directions.
b) SMUD shall align its economic development activities with regional economic development initiatives.
c) SMUD shall assist in retaining, recruiting and growing commercial and industrial rate-paying customers.
d) SMUD shall offer economic development rates and program incentives.
e) SMUD shall offer a contracting program for certified small businesses who are rate-paying customers.”
General strategy & approach

Supporting the developer community
Increasing participation in SEED
Maintaining competitive and economic development rates
Attracting, retaining, and growing businesses
Providing incentives and rebates
Fostering innovation and entrepreneurship
Partnering with local agencies and non-profits on community development
Developing and implementing a Sustainable Communities Plan
