Wednesday, March 10, 2021, scheduled to begin at 5:30 p.m.
Virtual Meeting (online)
Strategic Direction (SD)-6, Safety

Creating a safe environment for employees and the public is a core value of SMUD. Through continuous improvement, SMUD will be recognized as a leader in employee safety while also assuring the safety of the public related to SMUD operations and facilities. This includes a comprehensive approach to monitoring organizational and public safety performance. Therefore, SMUD will continue to improve safety results to:

**Workplace Safety**

a) Reduce SMUD’s injury severity rate to 1.4 by 2020, as measured by OSHA’s Days Away Restricted Time (DART), a rate that demonstrates strong safety performance.

b) Provide timely, quality health care for injured employees that aids their recovery while maintaining positive financial performance of the workers’ compensation program.

**Public Safety**

a) Track and report injuries to the public related to SMUD operations or facilities.

b) Implement measures to protect the public from injuries related to SMUD operations or facilities.
Workplace Safety 2020

- Days Away Restricted Time (DART) Rate of 1.24, Board Rate = 1.4

- 57 OSHA Recordables

- 0 COVID-19 Recordables

- 26 Lost Time/Modified Duty

- Ongoing Improvements due to: Safety for Life Culture, near miss reporting; accident/incident investigation; supervisor/employee interactions; management & employee engagement; behavior-based safety; and wellness
Quality Care

Quality care of injured employees is measured through the Workers’ Compensation program’s performance, which is assessed annually by an independent actuary.
