 Audit Report No. 28007420  
Board Monitoring Report; SD-02: Competitive Rates

Audit and Quality Services (AQS) received the SD-02 Competitive Rates 2021 Annual Board Monitoring Report and performed the following:

- A review of the information presented in the report to determine the possible existence of material misstatements;
- Interviews with report contributors and verification of the methodology used to prepare the monitoring report; and
- Validation of the reasonableness of a selection of the report’s statements and assertions.

During the review, nothing came to AQS’ attention that would suggest the SD Board Monitoring report did not fairly represent the source data available at the time of the review.

1. Background

Strategic Direction 2, Competitive Rates states that:

Maintaining competitive rates is a core value of SMUD.

Therefore:

a) The Board establishes a rate target of 18 percent below Pacific Gas & Electric Company’s published rates on a system average basis. In addition, the Board establishes a rate target of at least 10 percent below PG&E’s published rates for each customer class.

b) SMUD’s rates shall be competitive with other local utilities on a system average basis.

c) In addition, SMUD’s rates shall be designed to balance and achieve the following goals:

i) Reflect the cost of energy when it is used or exported to the SMUD grid;

ii) Reduce consumption during periods of high system demand;

iii) Encourage energy efficiency, conservation and carbon reduction;

iv) Encourage cost effective and environmentally beneficial Distributed Energy Resources (DERs) (examples of DERs include but are not limited to rooftop solar, battery storage, and energy reduction applications);

v) Minimize the rate of change in the transition from one rate design to another;

vi) Provide customers flexibility and choices;

vii) Be as simple and easy to understand as possible;

viii) Address the needs of people with low incomes and severe medical conditions; and

ix) Equitably allocate costs across and within customer classes.

2. Executive summary

a) SMUD is in compliance with SD-2, Competitive Rates.

As of December 31, 2021, SMUD’s rates remain among the lowest in the state and on a system average rate basis are 37.0% below Pacific Gas & Electric (PG&E) Company’s, which is better than the SD-2 target of at least 18% below on a system average rate basis. Residential average rates are at least 34.0% below PG&E’s residential average rates. See Figure 1 for details.

There were two rate increases to SMUD’s rates in 2021. Rates for all customers were increased by 2.5% on January 1, 2021 and 2% on October 1, 2021, as adopted by the Board on June 24, 2019. The overall rate advantage between SMUD and PG&E remains well above the SD-2 target of at least 18% on a system average basis.

2021 included several rate developments that balance the SD-2 requirements and help SMUD meet its 2030 Zero Carbon Goals, including Board approval of the new Solar and Storage Rate (SSR), commercial rate restructure implementation and an optional residential Critical Peak Pricing (CPP) rate. In addition, SMUD will implement storage incentives, a Virtual Power Plant program, and a Virtual Solar program for underserved communities.

The COVID-19 pandemic continued to impact the overall residential and commercial energy use for SMUD customers, with many residential customers continuing to work from home at least part time. Some commercial customers continue to have reduced consumption, while others have returned to pre-Covid levels. SMUD continues to support customers and provide options for managing bills, including securing $41 million to be applied to unpaid bills.

The Time-of-Day (TOD) rate continues to encourage customers to shift load out of the 5 p.m. to 8 p.m. Peak time period and offers lower rates during the morning for those customers that are using more power during the day due to working from home. The commercial rate restructure approved by the Board in 2019 began implementation in October 2021, with the transition expected to be complete in the first quarter of 2022.

3) Additional supporting information
   a) The Board establishes a rate target of 18% below PG&E’s published rates on a system average basis. In addition, the Board establishes a rate target of at least 10% below PG&E’s published rates for each customer class.

SMUD continues to maintain average rates that are lower than PG&E’s, both at a system level and by rate class. Figure 1 provides a detailed picture of the difference between SMUD’s and PG&E’s projected average rates by rate class in 2021 as well as the difference between rates in 2020.

Notes:
*** CARE vs EAPR includes EAPR & EAPRMED customers.
**** Commercial rates include WAPA credits.

As seen in Figure 1, the rate competitiveness by class varies for the different customer classes and is at least 31.5% below comparable PG&E class average rates. Since the creation of this annual monitoring report in 2007, SMUD has consistently maintained rates that were more than 18% below PG&E. See Appendix A for more details.
b) SMUD’s rates shall be competitive with other local utilities on a system average basis.

SMUD’s system average rate is competitive with other local utilities as shown in detail in Appendix B.

c) Reflect the cost of energy when it is used or exported to the SMUD grid

SMUD’s TOD and restructured commercial rates are designed to more closely reflect the cost of energy when it is used, with prices highest during the Peak time periods when the cost of energy is highest. In September 2021, the Board approved the new Solar and Storage Rate (SSR), which will go into effect March 1, 2022. SSR compensates energy sent to SMUD’s grid at the value of solar rate of 7.4 cents per kWh, as supported in the 2020 value of solar + storage study.

d) Reduce consumption during periods of high system demand

Both the residential and commercial TOD rates send signals to customers to reduce their on-peak usage. The Peak time for residential customers is 5 p.m. to 8 p.m. while the Peak time for commercial customers under the restructured rates is 4 p.m. to 9 p.m. These Peak time periods reflect the highest $/kWh to encourage customers to shift their energy usage outside of the Peak time period to reduce system load and help with carbon reduction goals.

In September 2021, the Board approved an optional residential CPP rate, which charges a premium on energy delivered during those few critical times during the summer with highest demand, which is expected to reduce energy consumption and carbon emissions when the grid is most stressed. Additionally, customers on the CPP rate will receive a discount on energy delivered during the summer Off-Peak and Mid-Peak time periods, encouraging them to shift their energy use to times when the grid is less stressed and clean energy is abundant.

e) Encourage energy efficiency, conservation, and carbon reduction

SMUD continues to encourage energy efficiency, conservation and carbon reduction through the residential and non-residential TOD rates and a variety of programs, such as incentives to install storage, and offering rebates for energy-efficient appliances and heating and cooling systems and energy-efficient LED lighting. TOD rates encourage customers to shift energy use from peak times when energy is more costly and is produced by a larger portion of carbon-emitting generation plants to off-peak times, when there is often excess carbon-free solar generation on our system. By shifting usage to times when non-carbon emitting resources are plentiful, customers not only save money, they also contribute to reducing carbon emissions and help SMUD achieve our carbon reduction goals. The residential and restructured commercial TOD rates were designed to be revenue neutral, so customers can save money if they shift or reduce their usage from peak hours. More detailed information about rebates and savings tips can be found on smud.org.

f) Encourage cost effective and environmentally beneficial Distributed Energy Resources (DERs) (examples of DERs include but are not limited to rooftop solar, battery storage, and energy reduction applications)

SSR was designed to work with a series of programs and incentives to help SMUD reach its 2030 Zero Carbon Plan. SMUD will be offering storage incentives to encourage customers to invest in storage, which could enable the customer to gain additional value from their investment. In addition to the storage incentives, the CPP rate will provide customers with solar and storage even more of an opportunity to increase the value of their system, by providing a significantly larger incentive to send power to the grid during critical events. The CPP rate will also encourage customers to adopt smart
thermostats, as they may be able to save money on the CPP rate if they use the thermostats to adjust their energy usage.

Customers that live in multi-family housing in historically underserved communities will be able to receive the benefits of solar through the Virtual Solar program. In the Virtual Solar program, the building owner may install solar and the benefits of that solar will be allocated to the residents, providing an avenue for customers to adopt solar even though they do not own their own home.

**g) Minimize the rate of change in the transition from one rate design to another**

SMUD follows this principle through gradualism and balance between rate implementation and customer satisfaction when making rate structure changes in combination with rate increases. For example, the commercial rate restructure will be phased in over an 8-year period in order to mitigate bill impacts. Likewise, the approved rate transition to the EAPR program was phased in over three years to minimize bill impacts to our low-income customers. Additionally, the implementation of the SSR rate was shifted from January to March 2022 to allow customers more time to adjust to the new rate. SSR was designed to minimize future transitions if the compensation rate adjusts – it will be adjusted every 4 years, and the adjustment is capped.

**h) Provide customers flexibility and choices**

SMUD provides flexibility and rate options to its customers. Residential customers may select custom due dates, budget billing, and net energy metering customers can choose between monthly or annual settlement options. Residential customers are placed on TOD, but they may select the fixed rate or the CPP rate, which will be available June 2022. All customers may make online payments and set up billing alerts. In addition, qualified commercial customers moving to SMUD’s service area may choose between two different Economic Development Rate discount structures, selecting the option that best suits their needs. In the summer of 2022, SMUD will be testing a pilot commercial electric vehicle (EV) rate; the intent is to learn from the pilot and eventually develop a permanent optional EV rate to encourage EV adoption to support the 2030 Zero Carbon Plan goals.

Starting in 2022, SMUD will be offering three levels of incentives for customers to install storage. The amount of the incentives increase depending on which programs the customers decide to participate in. The smallest incentive is for customers that do not wish to participate in a program, the next highest for customers that want to participate in the CPP rate, and the highest incentive for customers that want to participate in the Virtual Power Plant program.

In an effort to better serve our customers during the COVID-19 pandemic, SMUD temporarily suspended disconnections and late fees for nonpayment. SMUD staff is working with customers to make arrangements to pay their bills through a variety of payment options and assistance programs.

**i) Be as simple and easy to understand as possible**

SMUD works to make sure its many programs and rates are simple and easy to understand. For example, staff designed the TOD rate and restructured commercial rates to balance simplicity while still reflecting the cost of energy when it is used. Significant ongoing customer outreach will assist customers in understanding the new rate designs. Another example is the approach staff used to develop the new Virtual Solar Program for underserved communities. The program is very simple and easy to manage compared to the very complex billing mechanics from the prior Virtual Net Energy Metering programs.

**j) Address the needs of people with low incomes and severe medical conditions**
SMUD continues to address the needs of people with low incomes and severe medical conditions. The restructured EAPR program has improved the assistance that we offer to our customers most in need by basing assistance on federal poverty level.

In an effort to better serve our customers during the COVID-19 pandemic, SMUD temporarily suspended disconnections and late fees for nonpayment. Late fees are expected to resume February 2022 and disconnections are expected to resume March 2022. SMUD staff is working with customers to make arrangements to pay their bills through a variety of payment options and assistance programs. SMUD secured $41M in California Arrearage Payment Program (CAPP) funding that was applied to customers’ unpaid bills in November, to support customers amid the ongoing challenges of COVID-19 pandemic. Additionally, and as described earlier, SMUD will be offering a new Virtual Solar Program for underserved communities.

k) Equitably allocate costs across and within customer classes

To ensure costs are equitably allocated across and within customer classes, staff updates SMUD’s marginal cost study and performs rate costing studies and value of solar studies prior to recommending rate structure changes, such as with TOD, the commercial rate restructure and the Solar and Storage Rate (SSR).

4) Challenges

Rate Pressures

While SMUD has been able to keep rates low, SMUD does face cost pressures going forward from both known and unknown drivers. Despite these cost pressures, SMUD’s goal is to keep rate increases at or below the rate of inflation through 2030. Examples of known cost drivers include:

1. Wildfire mitigation, including the increased cost of wildfire insurance and additional vegetation management,
2. Increased costs for SMUD labor and benefits, as well as costs for materials, goods and services,
3. New and enhanced technology solutions to support cyber security, customer experience, and distributed energy resources

SMUD also must be prepared to weather unknown cost drivers. Examples of these drivers include the costs related to the COVID-19 pandemic, additional requirements stemming from new legislation in response to the wildfires in recent years, or potentially new mandates to achieve California environmental goals.

5) Recommendation

It is recommended that the Board accept the Monitoring Report for SD 2, Competitive Rates.
Appendices

Appendix A: Historical Rate Comparison with PG&E

Figure 2 compares SMUD and PG&E’s system average rates for the past 10 years. SMUD’s system average rates have averaged 31.3% below PG&E’s since 2012.

*Figure 2 – SMUD and PG&E Historical System Average Rate Comparison*

Appendix B: Local Utility Rates

- **Modesto Irrigation District (MID):** MID has not had a rate increase since 2012. Their Environmental Energy Adjustment is currently $0.0079/kWh. MID recently adopted a pilot residential TOU rate for Electric Vehicle customers which has a fixed charge of $30.00 per month as well as three time periods summer and two for winter that differ in price by season. MID also instituted a grid access charge for NEM customers who install above 1 MW of solar capacity.

MID is currently in rate litigation. A class action lawsuit challenging MID’s electric rates, Hobbs v. Modesto Irrigation District filed in March 2016, alleges that MID uses funds collected from electric customers to subsidize its water operations and, as a result, amounts collected and applied for electric service exceed the costs to MID of providing that service and constitute a tax on its electric customers requiring voter approval under Proposition 26, and seeks refunds of the alleged illegal taxes. MID disagrees with the plaintiffs’ contention that costs of its water operations are funded from electric rates and is vigorously defending the Hobbs action.

- **Turlock Irrigation District (TID):** TID has not had a rate increase since 2015 and there is no plan to modify rates in 2021. TID does have a pass-through charge that adjusts with costs, outside of any rate increases.

- **Roseville Electric:** Roseville Electric approved a 2.6% rate increase effective January 1, 2022 and another 2.8% rate increase effective January 1, 2023. Roseville has pass-through charges that adjusts with costs, outside of any rate increases. Their Hydroelectric Adjustment charge will be in effect from September 2021 through June 2022 at a rate of $0.00507/kWh.
• **Lodi Electric**: Lodi did not change their base rates in 2021 and they do not have any changes forecasted for 2022. Lodi has a monthly energy cost adjustment that adjusts as power costs increase or decrease. The range of the energy cost adjustment for 2021 was -$0.0158/kWh to $0.0503/kWh.

• **Los Angeles Department of Water and Power (LADWP)**. LADWP did not have a rate increase in fiscal year 2020-2021 or 2021-2022. LADWP does have a pass-through charge that adjusts with costs, outside of any rate increases.

While many of SMUD’s neighboring utilities have not raised rates recently, SMUD’s system average rate is still competitive, as shown in Figure 3. Figure 3 uses data from the U.S. Energy Information Administration and 2020 is the most recent data available.

**Figure 3 – 2020 Utility System Average Rate Comparison**

![Graph comparing utility system average rates](image)

Including pass-through mechanisms in rates is a common utility practice, allowing utilities to collect enough revenue to cover their costs without having to increase rates in a formal rate proceeding. SMUD has the Hydro Generation Adjustment, which allows for a small additional charge on customer bills in the event of less than median precipitation. Figure 4 details the pass-through mechanisms some of SMUD’s neighboring utilities have as part of their rate structures.

Including a fixed charge amount on residential customers bills is also a common utility practice. The fixed charge allows for revenue collection for fixed assets that do not vary with electricity consumption. Figure 5 below outlines the fixed charge amount of SMUD’s neighboring utilities.

**Figure 5 – Monthly Fixed Charge Amount**

* Roseville Electric’s customer charge will increase to $28 in 2022 and $30 in 2023.
* LADWP’s Tier 1 fixed charge is $2.30 and Tier 2 fixed charge is $7.90 but they have a minimum bill of $10 per month.

In 2021 PG&E had four rate changes, increasing the system average rate in $/kWh from $0.2155 in 2020 to $0.2336 in 2021 as shown in Figure 6.

**PG&E Rate Increase Process**

Every three to four years PG&E files a request with California Public Utilities Commission (CPUC) with their proposed rate increases. The CPUC will then either accept or modify the rate increases for those years. 50% of the requested revenue increases for 2023 through 2026 is for wildfire reduction work, including vegetation management programs. The following rate increases have been approved or proposed:

- 2022 – 4.85% (approved)
- 2023 – 9.6% (proposed)
- 2024 – 2.4% (proposed)
- 2025 – 1.9% (proposed)
- 2026 – 1.5% (proposed)
Additionally, PG&E does a “true-up” at the end of each year to adjust their revenue to match their costs. For instance, if their costs for the year exceeded their projected revenue, they will increase their rates to compensate. For their 2022 true-up, PG&E raised rates 7.5 percent on average for bundled customers (customers receiving full electric service from PG&E), and 10.3 percent on average for Community Choice Aggregation (CCA) customers. These rate increases did not include costs associated with the increase in generation costs, which will go into effect later in 2022.

**PG&E Residential Time-of-Use Rate Transition**

PG&E began transitioning residential customers to a default time-of-use rate (E-TOU-C) in 2020 and will continue transitioning customers in waves through April 2022. The standard E-TOU-C rate has a peak time period from 4 to 9 p.m. every day. Customers may choose from a selection of alternative rates, including an optional E-TOU-D (5-8 p.m.) rate which has a shorter 3-hour Peak time period during weekdays only.

**Appendix D: Historical Rate Increases**

Figure 7 shows that SMUD’s historical rate increases have tracked the Consumer Price Index (CPI) over the past 20 years. Figure 8 shows SMUD’s rate increases by year since 2000.

SUBJECT: Audit Report No. 28007421
        Board Monitoring Report; SD-03: Access to Credit Markets

Audit and Quality Services (AQS) received the SD-03 *Access to Credit Markets* 2021 Annual Board Monitoring Report and performed the following:

- A review of the information presented in the report to determine the possible existence of material misstatements;
- Interviews with report contributors and verification of the methodology used to prepare the monitoring report; and
- Validation of the reasonableness of a selection of the report's statements and assertions.

During the review, nothing came to AQS' attention that would suggest the SD Board Monitoring report did not fairly represent the source data available at the time of the review.

1. Background

Strategic Direction 3 on Access to Credit Markets states that:

Maintaining access to credit is a core value of SMUD.

Therefore:

a. For SMUD’s annual budgets, the Board establishes a minimum target of cash coverage of all debt service payments (fixed charge ratio) of 1.50 times.

b. When making resource decisions, SMUD shall weigh the impacts on long-term revenue requirements, debt, financial risk and flexibility.

c. SMUD’s goal is to maintain at least an “A” rating with credit rating agencies.

2. Executive summary

SMUD relies on the use of borrowed funds to pay for a portion of its capital needs on an ongoing basis. The Board adopted SD-3, Access to Credit Markets, to help ensure that SMUD maintains the ability to raise new money at competitive rates in the credit markets as needed. Making prudent use of borrowed funds to finance capital improvements can help SMUD to mitigate major rate adjustments in periods of intensive capital expansion, and allows SMUD to allocate the costs of those improvements over their useful lives to the customers who benefit from them. Maintaining access to credit markets supports our objective to be financially flexible to make necessary and timely investment and take advantage of opportunities while remaining competitive.

One of the most important indicators of an organization's ability to access credit markets is the independent assessment made by credit rating agencies. SMUD is rated by the three major rating agencies: Standard & Poor's (S&P), Moody's, and Fitch, which review SMUD's credit on approximately an annual basis. The credit ratings assigned are intended to give investors the rating agency’s view of the likelihood that SMUD will pay principal and interest on bonds when due. They utilize financial metrics in assessing creditworthiness such as the Fixed Charge Ratio that measures revenue sufficiency to meet obligations, and Days Cash on Hand, a measure of liquidity. They also measure leverage, such as our debt outstanding per customer, and the rate capacity to finance future capital projects without placing undue burden on customers. SMUD’s overall governance and risk management
practices are also important to the agencies, along with the ability and willingness to raise rates when necessary while maintaining competitive low-cost energy for our customers.

As referenced in the attached ratings agency reports, SMUD has very strong metrics and due to well managed cash flow, has the ability to plan to a more modest fixed charge ratio relative to some other AA rated peers. The most recent SMUD credit reports from both S&P and Fitch also specifically cite the Board’s demonstrated willingness to raise rates to support financial performance.

Credit ratings heavily impact an organization’s ability to borrow money in the municipal markets, as well as the interest rates they will be required to pay. Higher credit ratings translate into lower borrowing costs. For example, if SMUD’s credit ratings were to fall into a lower category, from AA to A, the impact at today’s rates would be approximately $200k/year for every $100 million borrowed. During a period of financial turmoil, as experienced in early 2020, higher credit ratings allowed SMUD to access credit markets sooner than lower rated utilities.

Credit ratings also impact an organization’s ability to conduct general business transactions. Trading partners utilize credit ratings as a factor in assessing their willingness to transact with SMUD, and to determine commercial terms. Stronger credit ratings enable SMUD to negotiate better terms and conditions for contracts, including power purchase agreements. For example, SMUD’s healthy credit ratings minimize the amount of collateral posting required under many of its commodity contracts to hedge natural gas and power. Likewise, if SMUD’s ratings were to drop from current levels, collateral posting requirements would increase accordingly. In some cases, a reduction in SMUD’s credit ratings below a certain threshold gives our counterparty the right to terminate the contract.

In support of maintaining its financial strength and as a financial risk mitigator SMUD procures insurance. SMUD maintains a comprehensive property and casualty insurance program, with coverage in excess of various self-insured retentions ranging from $5,000 to $5,000,000, designed to protect against catastrophic losses that would have an adverse effect on its financial position or operational capabilities. Insurance programs are continuously reviewed and modified when construction, operational exposures, or developments in the insurance industry so warrant. Long term relationships with a variety of insurers minimize SMUD’s susceptibility to the effects of insurance market cycles. SMUD budgets reserves to meet potential insurance deductibles and self-insured liability claims and has had no claims that have exceeded coverage limits.
SMUD has remained in compliance with SD-3 as evidenced by the following:

a. Maintained key financial metrics, including a fixed charge ratio above the minimum policy target of 1.50 times.
   1. 2.17 times in 2020
   2. 2.42 times in 2021 (draft figure as of January 19, 2022)
   3. 1.93 times in 2022 (projected in 2022 Budget)

b. Credit ratings were affirmed at ‘AA’ from S&P and Fitch, and Aa3 from Moody’s, which is equivalent to AA-.

c. Successful refunding of the remaining 2011 series X bonds with the issuance of $107 million of 2021 Series I Electric Revenue Bonds. This refunding transaction took advantage of lower interest rates and SMUD’s strong credit ratings to lock in $3 million in savings per year from 2022 to 2028, for a total net present value savings of $23 million. This transaction highlights our ability to access credit markets as a result of managing SMUD in a manner that invokes confidence from investors.

d. Successfully renewed and restructured SMUD’s $400 million commercial paper program into a $300 million commercial paper capacity with a $100 million emergency line of credit. This process which is in its final stages will ensure SMUD’s continued financial strength by providing quick access to financial resources and the ability to access the funding without having the markets open. In 2020 during the early days of COVID-19, commercial paper markets for all issuers froze temporarily. The line of credit will allow access to capital if that were to occur again. The RFP results provide for lower rates than the previous facilities and when finalized, will save SMUD about $0.5 million annually.

e. Made $101 million in additional supplemental contributions to CalPERS as part of a 10-year pension funding strategy to eliminate our unfunded pension liability—an obligation rating agencies are increasingly focusing on in their reviews. Addressing the unfunded liability sooner will help control rate increases. These costs would continue to grow into the future since paying only the required minimum payments may not fully mitigate the compounding nature of the outstanding liability adequately. Prior to these additional contributions, SMUD’s Other Post-Employment Benefits (OPEB) and Pension were of 113% and 79% funded, respectively.
f. Successfully renewed property and casualty insurance coverage programs at or below market rates and expanded coverage for the cyber insurance program. Despite the continued constrained insurance market and record-setting wildfire losses in the Western United States, SMUD was able to maintain its $250 million wildfire liability insurance program within which SMUD’s self-insured retentions decreased from an aggregate of $77 million to $74 million. SMUD also successfully increased cyber coverage limits from $40 million to $60 million.

3. **Additional supporting information**

Details on ratings variables, SMUD specific credit strengths, factors that could lead to an upgrade, and insurance are listed below

**Financial Strengths:**
Maintaining SMUD’s financial strength is a key component to continually accessing credit markets. Below is a list of SMUD specific financial strengths mentioned in recent rating agency reports:

a. Strong financial operations management
b. Strong financial performance with fixed charge ratio over 1.8x during the last 5 years
c. Robust liquidity
d. Low operating costs
e. Competitive rates
f. Diverse resource portfolio
g. Favorable debt and liabilities profile
h. Proactive planning and hedging practices
i. Timely rate setting record
j. Strong wildfire mitigation toolkit

**Ratings Variables:**
The rating agencies evaluate a number of factors in deriving municipal power ratings. These include:

k. Financial ratios and metrics
l. Governance Structure and Management
m. Rate Competitiveness
n. Cost of production/purchased power (particularly with respect to higher cost renewables)
o. Risk Management Practices
p. Service area demographics
q. Regulatory factors
4. **Challenges:**

   Below are comments from recent rating's agency reports regarding challenges to SMUD’s financial strength that could affect SMUD’s ability to access credit markets:
   
   a. Wildfire liability and inverse condemnation exposure
   b. More significant capital spending affecting rate competitiveness and key financial metrics
   c. Substantially weakened competitive position or impaired ability to maintain liquidity and achieve fixed charge ratios commensurate with recent years’ levels
   d. Prioritizing environmental goals or rate affordability over preservation of the financial profile

5. **Recommendation:**

   It is recommended that the Board accept the Monitoring Report for SD-3 Board Strategic Direction on Access to Credit Market.

Section 2.1. Issuance of Letter of Credit "Section 2.1. Issuance of Letter of Credit" \l 2 . Upon the terms, subject to the conditions and relying upon the representations and warranties set forth in this Agreement or incorporated herein by reference, the Bank agrees to issue the Letter of Credit substantially in the form of Appendix I hereto. The Letter of Credit shall be in the original stated amount of $153,698,631 (calculated as the sum of the maximum principal amount of the Notes supported by the Letter of Credit (i.e., $150,000,000) plus interest thereon at a maximum rate of ten percent (10%) per annum for a period of ninety (90) days calculated on the basis of a year of 365 days and the actual number of days elapsed) (the “Original Stated Amount”).

Section 2.2. Letter of Credit Drawings "Section 2.2. Letter of Credit Drawings" \l 2 . The Depositary is authorized to make drawings under the Letter of Credit in accordance with its terms. SMUD hereby directs the Bank to make payments under the Letter of Credit in the manner therein provided. SMUD hereby irrevocably approves reductions and reinstatements of the Stated Amount as provided therein.

Section 2.3. Drawings Converted to Advances.

(a) Making of Advances. The Bank agrees that if (i) the Bank shall honor any Drawing under the Letter of Credit with respect to the payment of the principal on maturing Notes, (ii) the principal portion of such Drawing shall not be reimbursed in full on the date of such Drawing, and (iii) (x) (A) no Credit Default or Credit Event of Default shall have occurred and be continuing on the date of such Drawing and (B) no event described in clause (b) of the definition of Material Adverse Change shall have occurred, the principal portion of such Drawing which is not so reimbursed by SMUD to the Bank shall automatically convert to and constitute an advance made by the Bank to SMUD on the date and in an amount equal to the principal portion of such Drawing (or portion thereof) or (y) (A) the Bank shall not have terminated its obligation to make Advances as a result of a Non-Credit Event of Default pursuant to Section 6.2(d) hereof and (B) no event described in clause (b) of the definition of Material Adverse Change shall have occurred, the principal portion of such Drawing which is not so reimbursed by SMUD to the Bank shall automatically convert to and constitute an advance made by the Bank to SMUD on the date and in an amount equal to the principal portion of such Drawing (or portion thereof) (individually an “Advance” and, collectively, the “Advances”). Each Advance when made shall constitute reimbursement of the principal portion of the related Drawing in an amount equal to the principal amount of such Advance; and each Advance when made shall preclude, to the extent of the amount of such Advance, the related Drawing from being or constituting an Unpaid Drawing. Unless SMUD shall have otherwise previously advised the Bank in writing, the honoring by the Bank of any Drawing under the Letter of Credit
shall be deemed to constitute a representation and warranty by SMUD that on the date of such Drawing, no Default or Event of Default has occurred and is continuing and no event described in clause (b) of the definition of Material Adverse Change shall have occurred.

(b) Payment of Principal and Interest on Advances. Except as otherwise required or permitted by Section 2.3(c) or 2.3(d) hereof, SMUD shall repay, or cause to be repaid, the unpaid amount of each Advance on each Amortization Payment Date applicable to such Advance (each such payment of the unpaid principal amount of any Advance shall be referred to herein as a “Principal Payment”), with the final installment in an amount equal to the entire then outstanding principal amount of such Advance being due and payable on the related Amortization End Date (the period commencing on the date such Advance is made and ending on the related Amortization End Date is herein referred to as the “Amortization Period”). Each Principal Payment shall be that amount of principal which will result in equal (as nearly as possible) aggregate Principal Payments over the applicable Amortization Period. SMUD shall pay interest on the unpaid amount of each Advance from the date of such Advance until paid in full at a rate per annum equal to the Bank Rate from time to time in effect; provided that from and after the occurrence of an Event of Default, such Advance shall bear interest at the per annum rate equal to the Default Rate from time to time in effect. Interest on each Advance shall be payable monthly, in arrears, on the first Business Day of each calendar month for the immediately preceding calendar month (commencing with the first such date to occur after the making of the related Advance) and upon prepayment or maturity of such Advance.

(c) Optional Prepayment. (i) SMUD may prepay or cause to be prepaid the amount of any Advance outstanding in whole or in part in a minimum amount of $100,000 and in integral multiples of $100,000 in excess thereof with accrued interest to the date of such repayment on the amount prepaid. Any prepayment in part under this Section 2.3(c) shall be applied by the Bank against each such Advance, in the order in which each such Advance was made.

(ii) Any prepayment made under Section 2.3(c)(i) hereof shall be applied by the Bank as a reimbursement of the related Drawing (and as a prepayment of the Advance resulting from such Drawing) and SMUD irrevocably authorizes the Bank to reinstate the amount available to be drawn under the Letter of Credit by the amount of such prepayment; provided, however, that the Depositary shall not issue any Notes (the aggregate principal and interest of which is payable from the amount of the Letter of Credit so reinstated) for sale or otherwise until the Letter of Credit has been reinstated pursuant to the terms of the Letter of Credit.

(d) Mandatory Prepayment. In the event that the Depositary issues any Notes while any Advance remains unpaid, SMUD shall apply the proceeds of any such Notes to the prepayment of such outstanding Advance. Any prepayment in part under this Section 2.3(d) shall be applied against each such Advance in the order in which each such Advance was made.

Section 2.4. Reimbursement of Drawings Not Converted to Advances; Reimbursement of Interest Component of Drawings

(a) If (x) (A) a Credit Default or a Credit Event of Default shall have occurred and be continuing on the date of such Drawing or (B) an event described in clause (b) of the definition of Material Adverse Change
shall have occurred or (y) the Bank shall have terminated its obligation to make Advances as a result of a Non-Credit Event of Default pursuant to Section 6.2(d) hereof, SMUD agrees to pay, or to cause to be paid, to the Bank (i) on each date on which the Bank shall honor any demand for payment under the Letter of Credit (each such payment by the Bank being herein referred to as a “Drawing”) a sum equal to the amount so paid under the Letter of Credit (any amount so paid until reimbursed being herein referred to as an “Unpaid Drawing”), plus (ii) except as provided in the last sentence of this Section 2.4, interest on the amount of each such Unpaid Drawing from and including the date such Drawing is paid until the Bank is reimbursed in full for such Unpaid Drawing at such fluctuating interest rate per annum as shall be in effect from time to time which rate per annum for each day shall be equal to the Default Rate in effect for such day. If (x) (A) a Credit Default or a Credit Event of Default shall have occurred and be continuing on the date of any Drawing or (B) an event described in clause (b) of the definition of Material Adverse Change shall have occurred or (y) (A) the Bank shall have terminated its obligation to make Advances as a result of a Non-Credit Event of Default pursuant to Section 6.2(d) hereof on or prior to the date of any Drawing, SMUD shall be obligated, without notice or demand for reimbursement (which notice is hereby waived by SMUD), to reimburse the Bank for any Drawing on the same day as made. SMUD and the Bank agree that the reimbursement in full for each Drawing on the day such Drawing is made is intended to be a contemporaneous exchange for new value given to SMUD by the Bank.

(b) The interest component of any Drawing under the Letter of Credit shall be due and payable on the date of such Drawing.

(c) If any portion of any Drawing is reimbursed at or prior to 4:00 P.M. New York time, on the same day on which it is made, no interest shall be payable on the related portion of such Drawing.

Section 2.5. Fees. SMUD shall pay to the Bank the nonrefundable Letter of Credit Fees at the times and in the amounts set forth in the Fee Letter, the terms of such Fee Letter being incorporated herein by reference as if fully set forth herein. SMUD shall also pay to the Bank all other fees and other amounts at the times and in the amounts set forth in the Fee Letter.

Section 2.6. The Revolving Note. All Obligations shall be made against and evidenced by SMUD’s promissory note payable to the order of the Bank in the principal amount of the Original Stated Amount, such note to be executed and delivered to the Bank on the Effective Date in the form of Exhibit A attached hereto with appropriate insertions (the “Revolving Note”). All Obligations and all payments and prepayments on account of the principal of and interest on each Obligation shall be recorded by the Bank on its books and records, which books and records shall, absent manifest error, be conclusive as to amounts payable by SMUD hereunder and under the Revolving Note. The Bank may, but shall not be required to, complete the schedule attached to the Revolving Note to reflect the making and status of Drawings and Advances, provided that the failure to make or any error in making any such endorsement on such schedule shall not limit, extinguish or in any way modify the obligation of SMUD to repay the Drawings, Unpaid Drawings or Advances. SMUD shall pay principal and interest on the Revolving Note on the dates and at the rates provided for in Sections 2.3 and 2.4 hereof with respect to Unpaid Drawings and Advances.
Section 2.7. Substitute Letter of Credit; Reduction of Stated Amount

(a) SMUD agrees not to replace the Letter of Credit (or to direct the Depositary to terminate the Letter of Credit without a replacement letter of credit being substituted therefor) except upon (i) the payment by SMUD to the Bank of any and all fees associated therewith as set forth in the Fee Letter, (ii) the payment to the Bank of all fees, expenses and other amounts due and owing hereunder and under the Fee Letter to and including the date of termination of the Letter of Credit, (iii) the payment to the Bank of all principal and accrued interest owing on the Revolving Note (including, without limitation any Unpaid Drawings or outstanding Advances), and (iv) providing the Bank notice of its intention to do so at least fifteen (15) days prior to the date of such termination or replacement; provided that all payments to the Bank referred to in clauses (i), (ii) and (iii) above shall be made with immediately available funds.

(b) Reduction Fees. Notwithstanding the foregoing and anything set forth herein to the contrary, SMUD agrees not to permanently reduce the Original Stated Amount of the Letter of Credit except in accordance with the terms of the Program Documents and upon the payment of any and all fees associated therewith as set forth in the Fee Letter.

Section 2.8. Computation of Interest and Fees

Fees payable hereunder and under the Fee Letter shall be calculated on the basis of a year of 360 days and the actual number of days elapsed. Interest payable hereunder shall be calculated on the basis of a year of 365 days and the actual number of days elapsed. Interest shall accrue during each period during which interest is computed from and including the first day thereof to but excluding the last day thereof.

Section 2.9. Payment Due on Non-Business Day to Be Made on Next Business Day

If any sum becomes payable pursuant to this Agreement or the Fee Letter on a day which is not a Business Day, the date for payment thereof shall be extended, without penalty, to the next succeeding Business Day, and such extended time shall be included in the computation of interest and fees.

Section 2.10. Late Payments

If the principal amount of any Obligation is not paid when due, such Obligation shall bear interest until paid in full at a rate per annum equal to the Default Rate, payable on demand. Further, upon the occurrence and during the continuance of an Event of Default, all Obligations payable hereunder (without respect to any fees not yet due and payable) shall bear interest until paid in full at a rate per annum equal to the Default Rate payable on demand.

Section 2.11. Source of Funds

All payments made by the Bank pursuant to the Letter of Credit shall be made from funds of the Bank, and not from the funds of any other Person.

Section 2.12. Extension of Stated Expiration Date.

If SMUD on any date which is not more than one hundred eighty (180) days prior to the Stated Expiration Date (as the same may be extended from time to time) submits to the Bank a written request for an extension of the Stated
Expiration Date for a period as specified in such written request, the Bank will make reasonable
efforts to respond to such request within thirty (30) days after receipt of all information
necessary, in the Bank’s reasonable judgment, to permit the Bank to make an informed credit
decision. In the event the Bank fails to definitively respond to such request within such period of
time, such Bank shall be deemed to have refused to grant the extension requested. The Bank
may, in its sole and absolute discretion, decide to accept or reject any such proposed extension
and no extension shall become effective unless the Bank shall have consented thereto in writing.
The consent of the Bank, if granted, shall be conditioned upon the preparation, execution and
delivery of documentation in form and substance reasonably satisfactory to the Bank and
consistent with this Agreement. If such an extension request is accepted by the Bank in its
absolute discretion, the then current Stated Expiration Date for the Letter of Credit shall be
extended to the date agreed to by SMUD and the Bank and the Bank shall deliver to the Issuing
and Payment Agent a notice of the extension of the Stated Expiration Date in the form of
Annex G to the Letter of Credit.

Section 2.13. Net of Taxes, Etc.

(a) Taxes. Any and all payments to the Bank by SMUD hereunder and under the Fee
Letter shall be made free and clear of and without deduction for any and all present or future
taxes, levies, imposts, duties, deductions, assessments, fees, charges, withholdings (including
backup withholding), liabilities or other charges imposed thereon, including any interest, fines,
additions to tax or penalties applicable thereto, but excluding taxes imposed on or measured by
the net income or capital of the Bank by any jurisdiction or any political subdivision or taxing
authority thereof or therein solely as a result of a connection between the Bank and such
jurisdiction or political subdivision (all such non-excluded taxes, levies, imposts, duties,
deductions, assessments, fees, charges, withholdings (including backup withholding), liabilities
and other charges, including any interest, fines or additions to tax or penalties applicable thereto,
being hereinafter referred to as “Taxes”). If SMUD shall be required by law to withhold or
deduct any Taxes imposed by the United States of America or any political subdivision thereof
from or in respect of any sum payable hereunder or under the Fee Letter to the Bank, (i) the sum
payable shall be increased as may be necessary so that after making all required deductions
(including deductions applicable to additional sums payable under this Section 2.13), the Bank
receives an amount equal to the sum it would have received had no such deductions been made;
(ii) SMUD shall make such deductions; and (iii) SMUD shall pay the full amount deducted to the
relevant taxation authority or other authority in accordance with applicable law. If SMUD shall
make any payment under this Section 2.13 to or for the benefit of the Bank with respect to Taxes
and if the Bank shall claim any credit or deduction for such Taxes against any other taxes
payable by the Bank to any taxing jurisdiction in the United States then the Bank shall pay to
SMUD an amount equal to the amount of any refund actually received by the Bank or the
amount by which such other taxes are actually reduced; provided that the aggregate amount
payable by the Bank pursuant to this sentence shall not exceed the aggregate amount previously
paid by SMUD to the Bank with respect to such Taxes. In addition, SMUD agrees to pay any
present or future stamp, recording or documentary taxes and any other excise or property taxes,
charges or similar levies that arise under the laws of the United States of America, the State of
New York, the State or any other taxing jurisdiction from any payment made hereunder or under
the Fee Letter or from the execution or delivery or otherwise with respect to this Agreement
(hereinafter referred to as “Other Taxes”). The Bank shall provide to SMUD within a reasonable time a copy of any written notification it receives with respect to Taxes or Other Taxes owing by SMUD to the Bank hereunder; provided that the Bank’s failure to send such notice shall not relieve SMUD of its obligation to pay such amounts hereunder. SMUD may conduct a reasonable contest of any such Taxes with the prior written consent of the Bank, which consent shall not be unreasonably withheld or delayed.

(b) Indemnity. SMUD shall, to the fullest extent permitted by law and subject to the provisions hereof, indemnify and reimburse the Bank for the full amount of Taxes and Other Taxes including any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 2.13 paid by the Bank or any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted; provided that SMUD shall not be obligated to indemnify the Bank for any penalties, interest or expenses relating to Taxes or Other Taxes arising from the Bank’s gross negligence or willful misconduct. The Bank agrees to give notice to SMUD of the assertion of any claim against the Bank relating to such Taxes or Other Taxes as promptly as is practicable after being notified of such assertion; provided that the Bank’s failure to notify SMUD promptly of such assertion shall not relieve SMUD of its obligation under this Section 2.13. Payments by SMUD pursuant to this indemnification shall be made within thirty (30) days from the date the Bank makes written demand therefor, which demand shall be accompanied by a certificate describing in reasonable detail the basis thereof. The Bank agrees to repay to SMUD any refund (including that portion of any interest that was included as part of such refund) with respect to Taxes or Other Taxes paid by SMUD pursuant to this Section 2.13 received by the Bank for Taxes or Other Taxes that were paid by SMUD pursuant to this Section 2.13 and to contest, with the cooperation and at the expense of SMUD, any such Taxes or Other Taxes which the Bank or SMUD reasonably believes not to have been properly assessed.

(c) Notice. Within thirty (30) days after the date of any payment of Taxes or Other Taxes by SMUD, SMUD shall furnish to the Bank, the original or a certified copy of a receipt evidencing payment thereof.

(d) Cut-Off Period. Notwithstanding anything contained in paragraphs (a) or (b) of this Section 2.13, SMUD shall have no liability to the Bank with respect to any Taxes or Other Taxes to the extent incurred or imposed on the Bank more than one hundred eighty (180) days prior the date written notification thereof is given to SMUD by the Bank (the “Cut-Off Date”), except where (A) the Bank had no actual knowledge of the action resulting in such Taxes or Other Taxes as of the Cut-Off Date or (B) such Taxes or Other Taxes apply to the Bank retroactively to a date prior to the Cut-Off Date.

(e) Survival of Obligations. The obligations of SMUD under this Section 2.13 shall survive the termination of this Agreement for a period of one hundred eighty (180) days after such termination.

Section 2.14. Increased Costs "Section 2.14. Increased Costs" \l 2 . (a) If the Bank or any Participant shall determine that a Change in Law shall have occurred that shall:
(i) change the basis of taxation of payments to the Bank or such Participant of any amounts payable hereunder (except for taxes on the overall net income of the Bank or such Participant),

(ii) impose, modify or deem applicable any reserve, capital or liquidity ratio, special deposit, compulsory loan, insurance charge or similar requirement against issuing and maintaining its obligations under the Letter of Credit, issuing or honoring Drawings under the Letter of Credit or making Advances hereunder or assets held by, or deposits with or for the account of, the Bank or such Participant or

(iii) impose on the Bank or such Participant any other such condition, cost or expense regarding this Agreement or the Letter of Credit

and the result of any event referred to in clause (i), (ii) or (iii) above shall be to increase the cost to the Bank or such Participant of entering into and performing this Agreement or the Letter of Credit or to reduce the amount of any sum received or receivable by the Bank or such Participant hereunder, then, upon demand by the Bank or such Participant, SMUD shall pay to the Bank or such Participant such additional amount or amounts as will compensate the Bank or such Participant for such increased costs or reductions in amount.

(b) If the Bank or any Participant shall have determined that a Change in Law shall have occurred that, shall impose, modify or deem applicable any capital or liquidity adequacy or similar requirement (including, without limitation, a request or requirement that affects the manner in which the Bank or such Participant or any corporation controlling the Bank or such Participant allocates capital or liquidity resources to its commitments, including its obligations under agreements similar to this Agreement and the Letter of Credit) that either (i) affects or would affect the amount of capital or liquidity to be maintained by the Bank or such Participant or any corporation controlling the Bank or such Participant or (ii) reduces or would reduce the rate of return on the Bank’s or such Participant’s or the Bank’s or such Participant’s controlling corporation’s capital or liquidity to a level below that which the Bank’s or such Participant’s or the Bank’s or such Participant’s controlling corporations could have achieved but for such circumstances (taking into consideration the Bank’s or such Participant’s or the Bank’s or such Participant’s controlling corporation’s policies with respect to capital or liquidity adequacy would yield prior to the imposition or modification of such requirement) hereunder, then upon demand by the Bank or such Participant, SMUD shall pay to the Bank or such Participant such additional amounts as will compensate the Bank or such Participant or any corporation controlling the Bank or such Participant for such costs of maintaining such increased capital or liquidity or such reduction in the rate of return on the Bank’s or the Bank’s controlling corporation’s capital or liquidity or the Participant’s or the Participant’s controlling corporation’s capital or liquidity related to the maintenance of this Agreement and the Letter of Credit.

(c) Subject to Section 7.3(b) hereof, all payments of amounts referred to in clauses (a) and (b) of this Section shall be paid by SMUD to the Bank or Participant and shall bear interest thereon if not paid to the Bank or such Participant within 30 days of such notice until payment in full thereof at an interest rate per annum equal to the Default Rate in effect, from time to time, payable on demand. A certificate as to such increased cost, increased capital or liquidity, or
reduction in return incurred by the Bank or any Participant as a result of any event mentioned in clause (a) or (b) of this Section setting forth, in reasonable detail, the basis for calculation and the amount of such calculation shall be submitted by the Bank or such Participant to SMUD and shall be conclusive as to the amount thereof. In making the determinations contemplated by the above referenced certificate, the Bank or any Participant may make such reasonable estimates, assumptions, allocations and the like that the Bank or such Participant in good faith determines to be appropriate. Notwithstanding any provision in this Section to the contrary, amounts payable to such Participant pursuant to this Section shall not exceed the amount the Bank would have been paid under this Section with respect to the interest granted to the Participant had such interest not been granted.

(d) Failure or delay on the part of the Bank to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of the Bank’s right to demand such compensation; provided that SMUD shall not be required to compensate the Bank or any Participant pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than six (6) months prior to the date that the Bank notifies SMUD of the Change in Law giving rise to such increased costs or reductions and of the Bank’s intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six (6) month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) The obligations of SMUD under this Section 2.14 shall survive the termination of the Letter of Credit and the repayment of all Obligations hereunder for a period of one hundred eighty (180) days after such termination or repayment; provided, however, that in the event any Change in Law provides for retroactive increased costs or retroactive imposition of capital adequacy or liquidity requirements, as described in this Section 2.14, the Bank may impose such costs on SMUD in accordance with the terms of this Section 2.14; provided, further, however, that the foregoing proviso shall only apply to any Change in Law occurring not later than two (2) years after the date this Agreement terminates and all Obligations have been paid in full.

Section 2.15. Margin Regulations. No portion of the proceeds of any Drawings under the Letter of Credit shall be used by SMUD (or the Depositary or any other Person on behalf of SMUD) for the purpose of “purchasing” or “carrying” any margin stock or used in any manner which might cause the borrowing or the application of such proceeds to violate Regulation U, Regulation T, or Regulation X of the Board of Governors of the Federal Reserve System or any other regulation of said Board of Governors or to violate the Securities Exchange Act of 1934, as amended, in each case as in effect on the date or dates of such Drawings or Advances and such use of proceeds.

Section 2.16. Maximum Rate; Payment of Fee. Anything in this Agreement to the contrary notwithstanding, if the rate of interest due hereunder shall exceed the Maximum Rate for any period for which interest is payable, then (i) interest at the Maximum Rate shall be due and payable with respect to such interest period and (ii) interest at the rate equal to the difference between (A) the rate of interest calculated in accordance with the terms hereof without regard to the Maximum Rate and (B) the Maximum Rate (the “Excess Interest”), shall be deferred until such date as the rate of interest calculated in accordance with the terms hereof ceases to exceed
the Maximum Rate, at which time SMUD shall pay to the Bank, with respect to amounts then payable to the Bank that are required to accrue interest hereunder, such portion of the deferred Excess Interest as will cause the rate of interest then paid to the Bank to equal the Maximum Rate, which payments of deferred Excess Interest shall continue to apply to such unpaid amounts hereunder until all deferred Excess Interest is fully paid to the Bank. To the extent permitted by law, upon the termination of the Letter of Credit, in consideration for the limitation of the rate of interest otherwise payable hereunder, SMUD shall pay to the Bank a fee equal to the amount of all unpaid deferred Excess Interest.

Section 2.17. Security for Obligations. This Agreement constitutes a Reimbursement Agreement (as defined in the Note Resolution) under the Note Resolution and has all rights and benefits thereof. In order to secure the timely payment of all Obligations and to secure the performance and observance of all of the covenants, agreements and conditions contained in this Agreement and the Fee Letter, SMUD has pledged the Available Revenues to the Bank (for the benefit of the Bank and any Affiliate of the Bank to whom any Obligation is at any time owed), pursuant to and on the terms and subject to the conditions set forth in the Note Resolution. The pledge of Available Revenues under the Note Resolution constitutes a valid pledge of and charge and lien upon the Available Revenues, has attached and is effective, binding, and enforceable against SMUD, its successors, purchasers of any of the Available Revenues, creditors, and all others asserting rights therein to the extent set forth in, and in accordance with, the Note Resolution, irrespective of whether those parties have notice of the lien on, security interest in and pledge of the Available Revenues and without the need for any physical delivery, recordation, filing or further act.

Section 2.18. Commercial Paper Notes Operations.

(a) Issuance Generally. SMUD will permit Notes to be issued, and authorize the Depositary to issue Notes, only in accordance with the terms of the Note Resolution and this Agreement.

(b) No-Issuance Notices; Final Drawing Notice. Notes may be issued from time to time prior to the Stated Expiration Date in accordance herewith and with the Note Resolution so long as (i) the Depositary is not in receipt of instructions then in effect given pursuant to this Section 2.18(b) and in substantially the form attached hereto as Exhibit B (a “No-Issuance Notice”), and not rescinded, by the Bank not to issue Notes and (ii) the Depositary is not in receipt of the Final Drawing Notice. The Bank may deliver a Final Drawing Notice at any time when (A) an Event of Default shall have occurred and be continuing or (B) an Optional Termination Event shall have occurred and be continuing and the Bank may deliver a No-Issuance Notice at any time when (x) an Event of Default shall have occurred and be continuing, (y) an Optional Termination Event shall have occurred and be continuing or (z) a Rating Event shall have occurred and be continuing. A No-Issuance Notice or the Final Drawing Notice shall be effective when received by the Depositary; provided, however, that a No-Issuance Notice or the Final Drawing Notice received by the Depositary after 11:00 A.M. New York time, on any day on which Notes are being issued shall be effective on the next succeeding day. A No-Issuance Notice or the Final Drawing Notice may be given by facsimile or electronic mail transmission, confirmed in writing within twenty-four (24) hours, but the
failure to so confirm such No-Issuance Notice or the Final Drawing Notice in writing shall not render such No-Issuance Notice or the Final Drawing Notice ineffective. The Bank will furnish a copy of any No-Issuance Notice or the Final Drawing Notice to SMUD and the Dealer promptly following delivery thereof to the Depositary, but the failure to furnish any such copy shall not render ineffective such No-Issuance Notice or the Final Drawing Notice.

Section 2.19. Method of Payment; Etc. All payments to be made by SMUD under this Agreement and the Fee Letter shall be made at the Payment Account not later than 4:00 P.M. (New York time) on the date when due and shall be made in lawful money of the United States of America in freely transferable and immediately available funds. All payments received by the Bank after 4:00 P.M. (New York time) shall be deemed to have been made on the next succeeding Business Day and any applicable interest or fees shall continue to accrue.

"ARTICLE FOUR   REPRESENTATIONS AND WARRANTIES" \& 1 ARTICLE FOUR REPRESENTATIONS AND WARRANTIES

Section 4.1. Representations of SMUD. In order to induce the Bank to issue the Letter of Credit, SMUD represents and warrants to the Bank as follows:

(a) Existence and Power. SMUD is a municipal utility district organized and existing under and by virtue of the Act, and is possessed of full powers to own and lease (as lessor and lessee) real and personal property, to own and operate the Electric System, to conduct its other business as presently conducted and to enter into contracts such as this Agreement and the SMUD Program Documents, which powers have been validly exercised in connection with the transactions effected by this Agreement and the SMUD Program Documents.

(b) Authorization; Contravention; Approvals. The execution, delivery and performance by SMUD of this Agreement, the Fee Letter and the SMUD Program Documents and the other documents contemplated hereby and thereby are within the powers of SMUD, have been duly authorized by all necessary actions and (i) do not contravene the Act or any other law, rule, regulation, order, writ, judgment, injunction, decree, determination or award or any indenture, agreement, lease, instrument or other contractual restriction binding on or affecting SMUD and (ii) except as provided in or contemplated by this Agreement and the Program Documents, do not result in or require the creation of any Lien, security interest or other charge or encumbrance upon or with respect to any asset of SMUD. SMUD is not in violation of or in default in any material respect under any law, rule, regulation, order, writ, judgment, injunction, decree, ¹ NDT: Confirm SMUD’s most recent ratings.
determination or award that would prevent or is reasonably likely to prevent SMUD from performing its obligations under this Agreement or the SMUD Program Documents. SMUD is not in violation of or in default in any material respect under any indenture, agreement, lease, instrument or other contractual restriction and is not in violation of or in default in any respect under any of the SMUD Program Documents that would prevent or is reasonably likely to prevent SMUD from performing its obligations under this Agreement or the SMUD Program Documents. No Default or Event of Default has occurred and is continuing. All orders, consents and other authorizations or approvals of all Governmental Authorities and all other Persons have been obtained (and no additional authorization, approval or other action by, and no notice to or filing or registration with, any Governmental Authority is required to be made or obtained by SMUD) for the due execution, delivery and performance by SMUD of this Agreement and the SMUD Program Documents.

(c) Enforceability. This Agreement and the SMUD Program Documents, and other documents contemplated hereby and thereby to which SMUD is a party or by which it is bound, are legally valid and binding obligations of SMUD enforceable against SMUD in accordance with their respective terms, except as such enforceability may be limited by (i) bankruptcy, insolvency, reorganization or similar laws affecting creditors’ rights generally; (ii) general principles of equity; (iii) the exercise of judicial discretion in appropriate cases; and (iv) to the limitations on legal remedies against municipal utility districts in the State of California.

(d) Litigation. Except as disclosed in the Offering Memorandum or in writing to the Bank prior to the Effective Date, there are no actions, suits, proceedings, inquiries or investigations, at law or in equity, before any court, Governmental Authority or arbitrator pending or, to the best knowledge of SMUD, threatened, against or directly involving SMUD (including, without limitation, the ability of SMUD to establish and collect rates for the generation, transmission and distribution of electric power), affecting the existence of SMUD, the title of any officials to their respective offices or affecting or seeking to prohibit, restrain or enjoin the execution or delivery of this Agreement or any Program Document, or in any way contesting or affecting the validity or enforceability of the Notes, this Agreement, any Program Document or contesting the tax-exempt status of the Notes, or contesting in any way the completeness or accuracy of the Offering Memorandum or any supplements or amendments thereto, or contesting the powers of SMUD or any authority for the issuance of the Notes, the execution and delivery of this Agreement or the SMUD Program Documents, nor, to the best, knowledge of SMUD, is there any basis therefor, which, if determined adversely to SMUD (i) would adversely affect the validity or enforceability of, or the authority or ability of SMUD to perform its obligations under, this Agreement, the Fee Letter or any SMUD Program Documents, (ii) would, in the reasonable opinion of SMUD, have a material adverse effect on the business, financial position or results of operations of SMUD or (iii) would adversely affect the exclusion of interest on the Notes from gross income for Federal income tax purposes or the exemption of such interest from State of California personal income taxes.

(e) Financial Information. (i) The audited financial statements of SMUD included in the 2020 Financial Statements, true and correct copies of which have heretofore been delivered or made available to the Bank, fairly present, in conformity with generally accepted accounting
principles the financial position of SMUD and its results of operations and changes in financial position at the dates and for the periods indicated.

(ii) Except as has been disclosed in writing to the Bank prior to the Effective Date, since December 31, 2020, there has been no material adverse change in the business, financial position or results of operations of SMUD which could reasonably be expected to result in a material adverse effect on SMUD’s ability to perform its obligations hereunder or thereunder or the rights, security or interests of the Bank.

(iii) Except as reflected in the financial statements included in the 2020 Financial Statements or as described in the Offering Memorandum or as has been disclosed in writing to the Bank prior to the Effective Date and except for SMUD’s obligations set forth in this Agreement and the SMUD Program Documents, there are as of the date hereof no liabilities or obligations with respect to SMUD of any nature whatsoever (whether absolute, accrued, contingent or otherwise and whether or not due) which, in the aggregate, would be material to SMUD. SMUD does not know of any basis for the assertion against SMUD of any liability or obligation of any nature whatsoever that is not reflected in the financial statements included in the 2020 Financial Statements or the Offering Memorandum or other written disclosure to the Bank delivered prior to the Effective Date which, in the aggregate, could be material to SMUD.

(f) Disclosure. No written information furnished by SMUD to the Bank in connection with this Agreement (except information which has been superseded by subsequent information provided by SMUD) includes any untrue statement of a material fact.

(g) Environmental Matters. Except as disclosed in the Offering Memorandum or in writing to the Bank prior to the Effective Date, SMUD has not received notice to the effect that the operations of the Electric System are not in compliance with any of the requirements of applicable Federal, state or local environmental, health and safety statutes and regulations or are the subject of any governmental investigation evaluating whether any remedial action is needed to respond to a release of any toxic or hazardous waste or substance into the environment, in each case which non-compliance or remedial action could have a Material Adverse Effect.

(h) Plans. SMUD currently has a Plan which is in compliance in all respects with the requirements of the applicable laws of the State of California, including without limitation the obligation to pay contributions on behalf of its employees in accordance therewith, and SMUD has no Plan which is subject to the requirements of ERISA. No condition exists or event or transaction has occurred with respect to any Plan which could reasonably be expected to result in the incurrence by SMUD of any material liability, fine or penalty.

(i) Regulations U and X. SMUD is not engaged in the business of extending credit for the purpose of purchasing or carrying margin stock (within the meaning of Regulation U or X issued by the Board of Governors of the Federal Reserve System); and no proceeds of any Notes will be used to extend credit to others for the purpose of purchasing or carrying any margin stock.
(j) **Tax-Exempt Status.** SMUD has not taken any action or omitted to take any action, and knows of no action taken or omitted to be taken by any other Person, which action, if taken or omitted, would adversely affect the exclusion of interest on the Notes of Subseries L-1 from gross income for Federal income tax purposes or the exemption of such interest from State of California personal income taxes.

(k) **Security.** The Note Resolution creates a pledge of the Available Revenues as security for the punctual payment of the interest and principal due with respect to the Notes, the Parity Notes, the Obligations owed to the Bank hereunder and all Parity Notes Reimbursement Agreements. All actions necessary to create a pledge of the Available Revenues have been duly and validly taken. SMUD’s obligation to pay the Obligations is *pari passu* with its obligation to pay the Notes, Parity Notes and all Parity Notes Reimbursement Agreements.

(l) **Constitutional Matters.** There is no amendment, or, to the best knowledge of SMUD, proposed amendment certified for placement on a statewide ballot, to the Constitution of the State of California or any published administrative interpretation of the Constitution of the State of California or any State of California law, or any legislation which has passed either house of the State legislature, or any published judicial decision interpreting any of the foregoing, the effect of which could reasonably be expected to have Material Adverse Effect.

(m) **No Sovereign Immunity.** SMUD represents that it is not entitled to claim immunity on the grounds of sovereignty or other similar grounds with respect to itself from (i) suit or (ii) jurisdiction of any court because of its status as a political subdivision of the State of California.

(n) **Incorporation of Representations and Warranties by Reference.** SMUD hereby makes to the Bank, as of the Effective Date, every representation and warranty made by it in SMUD Program Documents, which representations and warranties, as well as the defined terms contained therein that are necessary for a correct interpretation thereof, are incorporated herein by this reference with the same effect as if each and every such provision and defined term were set forth herein in its entirety. No amendment, modification, termination or replacement of any such representations, warranties, covenants and definitions contained in the SMUD Program Documents shall be effective to amend, modify, terminate or replace the representations, warranties, covenants and definitions incorporated herein by this reference, without the prior written consent of the Bank. The representations and warranties of SMUD in all of the SMUD Program Documents are true and correct in all material respects.

(o) **No Violation of Usury Laws.** The terms of the Notes and the Note Resolution regarding the calculation and payment of interest on the Notes do not violate any applicable usury laws of the State of California and, assuming that the Bank is an exempted class of persons within the meaning of Article 15 of the California Constitution, the terms of this Agreement, the Fee Letter, and the Revolving Note regarding the calculation and payment of interest and fees and other amounts due under this Agreement, the Fee Letter, and the Revolving Note do not violate any applicable usury laws of the State of California.
(p) **Compliance.** SMUD is in substantial compliance with all laws, ordinances, orders, rules and regulations applicable to it, except to the extent noncompliance could not reasonably be expected to result in a Material Adverse Effect.

(q) **Default.** SMUD is not in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any SMUD Program Document, the Master Bond Resolution, the Subordinated Bond Resolution or any other resolution, agreement or instrument to which it is a party which could have a Material Adverse Effect. No Default or Event of Default has occurred and is continuing.

(r) **Depositary and Dealer.** U.S. Bank National Association (or a successor or assign approved in writing by the Bank) is the duly appointed and acting Depositary and Barclays Capital Inc. (or a successor or assign approved in writing by the Bank) is the duly appointed Dealer.

(s) **Insurance.** The properties of SMUD are insured in accordance with the terms of the Master Bond Resolution.

(t) **Taxes.** SMUD has filed any Federal, state and other material tax returns and reports required to be filed, and has paid all Federal, state and other material taxes, assessments, fees and other governmental charges levied or imposed upon them or their properties, income or assets otherwise due and payable, except those which are being contested in good faith by appropriate proceedings diligently conducted and for which adequate reserves have been provided in accordance with generally accepted accounting principles. There is no proposed tax assessment against SMUD that would, if made, have a Material Adverse Effect.

(u) **Casualty.** Neither the business nor the Property of SMUD is currently affected by any fire, explosion, accident, strike, lockout or other labor dispute, drought, storm, hail, earthquake, embargo, act of God or of the public enemy or other casualty (whether or not covered by insurance), which could have a Material Adverse Effect.

(v) **Anti-Terrorism Laws.** (i) SMUD is not in violation of any laws relating to terrorism or money laundering (“Anti-Terrorism Laws”), including Executive Order No. 13224 on Terrorist Financing, effective September 24, 2001 (the “Executive Order”), and the Patriot Act;

(ii) SMUD is not any of the following:

(A) a Person that is listed in the annex to, or is otherwise subject to the provisions of, the Executive Order;

To its knowledge, SMUD does not (A) conduct any business or engage in making or receiving any contribution of funds, goods or services to or for the benefit of any Person described in subsection (ii)(B) above, (B) deal in, or otherwise engage in any transaction relating to, any property or interests in property blocked pursuant to the Executive Order or (C) engage in or conspires to engage in any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in any Anti-Terrorism Law.

**ARTICLE FIVE**

"ARTICLE FIVE Covenants"

**Section 5.1. Covenants of SMUD.** SMUD will do the following so long as any amounts may be drawn under the Letter of Credit or any Obligations remain outstanding under this Agreement, unless the Bank shall otherwise consent in writing:

(a) **Reports and Other Information.** SMUD will furnish, or cause to be furnished, at SMUD’s expense to the Bank:

(i) As soon as possible and in any event within five (5) Business Days after the knowledge (actual or constructive) or notice of occurrence of any Event of Default, a statement of the Authorized SMUD Representative setting forth details of such Event of Default and the action that SMUD proposes to take with respect thereto;

(ii) As soon as available and in any event within 180 days after the end of each Fiscal Year of SMUD, a copy of the audited financial statements of SMUD for such year, including a balance sheet of SMUD as at the end of such Fiscal Year and the related statements of revenues, expenses and changes in fund balances and statement of cash flows, all in reasonable detail and reported on by a firm of nationally recognized independent certified public accountants, and the report of such firm of independent certified public accountants shall state, without qualification, that such financial statements present fairly the financial position of SMUD as of the end of such Fiscal Year, the results of operations, the changes in fund balances and cash flows of SMUD for such Fiscal Year then ended in conformity with generally accepted accounting principles;

(iii) Simultaneously with the delivery of each set of financial statements referred to in clause (ii) above, a certificate of an Authorized SMUD Representative stating whether there exists on the date of such certificate any Event of Default or Default
and, if any Event of Default or Default then exists, setting forth the details thereof and the action that SMUD is taking or proposes to take with respect thereto;

(iv) As soon as available and in any event within 60 days after June 30 and December 31 of each calendar year, a copy of the unaudited internally prepared balance sheet and statement of changes in net asset of SMUD for the six month or one year period ended on such date, setting forth in each case in comparative form the corresponding figures for the corresponding fiscal period for the preceding fiscal year, all in reasonable detail, prepared in accordance with generally accepted accounting principles, consistently applied;

(v) As soon as practicable and in any event within ten (10) Business Days after SMUD obtains actual knowledge of: (A) any litigation, arbitration or governmental proceeding pending against SMUD that challenges SMUD’s ability to perform its obligations under this Agreement and/or the SMUD Program Documents; or (B) any other event or condition that would prevent or is reasonably likely to prevent SMUD from performing its obligations under this Agreement and/or the SMUD Program Documents, in each case a statement of the Authorized SMUD Representative setting forth details describing the same and the steps being taken with thereto;

(vi) As soon as practicable, notice of any disclosure documents publicly distributed in connection with any issue of Parity Bonds, Parity Subordinated Debt or Parity Notes;

(viii) *Monthly Statement of Outstanding Notes.* SMUD shall provide, or cause to be provided, to the Bank a statement listing all outstanding Notes and the principal amount thereof and the maturity of such Notes on the fifteenth (15th) calendar day of each calendar month; and

(ix) From time to time, such additional information regarding the financial position, results of operations, business or prospects of SMUD as the Bank may reasonably request.

(b) *Books and Records; Inspections.* SMUD will keep proper books of record and account with respect to the Electric System in which full and correct entries shall be made of assets and liabilities, financial transactions and business of SMUD in conformity with generally accepted accounting principles. SMUD will upon reasonable notice permit any Person designated by the Bank in writing to visit any of the properties of SMUD, and to examine the books and financial records of SMUD relating to the Electric System and make copies thereof or extracts therefrom, and to discuss the affairs, finances and accounts of SMUD relating to SMUD with the principal officers of SMUD all at such reasonable times during normal business hours and as often as the Bank may reasonably request.
(c) **Maintain Existence.** SMUD shall take no action that would terminate its existence, rights and franchises as a municipal utility district duly organized and existing under the Constitution and laws of the State of California.

(d) **Compliance with Laws.** SMUD will comply with the requirements of all laws, rules, regulations and orders of any Governmental Authority having jurisdiction over SMUD and/or the Electric System, noncompliance with which would materially adversely affect the ability of SMUD to perform its obligations under this Agreement and the SMUD Program Documents.

(e) **Compliance with Agreements.** SMUD will observe and perform all of its obligations under this Agreement and the SMUD Program Documents.

(f) **Incorporation of Covenants by Reference.** SMUD, by this reference, hereby incorporates into this Agreement those covenants and agreements made by it in Sections 3.02, 3.05, 3.06 and 6.08 of the Master Bond Resolution (as in effect on the Effective Date of this Agreement) and in the SMUD Program Documents, as such covenants and agreements exist on the date hereof, as if such covenants and agreements were set forth herein in their entirety together with all defined terms and interpretative provisions necessary for a complete understanding thereof. The incorporated provisions shall be in addition to the express covenants contained herein and shall not be limited by the express covenants contained herein nor shall the incorporated provisions be a limitation on the express covenants contained herein. In the event of a conflict between the covenants and agreements set forth in this Article V (other than the incorporated provisions) and the incorporated provisions, the covenants and agreements set forth in the other provisions of Article V shall prevail.

(g) **SMUD Program Documents.** SMUD will not amend, supplement or otherwise modify, or agree to the amendment, modification or termination of, any of the SMUD Program Documents (including, without limitation, an amendment to the Note Resolution reducing the Maximum Interest Rate to a rate below 12%) if such action could reasonably be expected to (i) adversely affect SMUD’s ability to perform its obligations under this Agreement or the SMUD Program Documents, (ii) adversely affect the business, financial position or results of operations of SMUD or (iii) adversely affect the rights, interests, security or remedies of the Bank, in each case, without the prior written consent of the Bank (the Bank shall provide SMUD its determination as to whether or not it consents to any amendment, supplement or modification to any SMUD Program Documents within ten (10) Business Days of written notice from SMUD of such amendment, supplement or modification). SMUD shall provide written notice to the Bank of any proposed amendment to the Master Bond Resolution or Subordinated Bond Resolution (and a copy of such proposed amendment) at least ten (10) calendar days prior to its effective date.

(h) **Depositary and Dealer.** (i) SMUD shall not remove the Depositary or the Dealer or appoint any successor thereto without the prior written consent of the Bank, which consent shall not be unreasonably withheld. In addition, SMUD covenants that it will not agree to permit any Dealer to resign with fewer days’ notice than is specified in the Dealer Agreement and not prior to providing such prior written notice to SMUD, the Depositary and the Bank. Any Dealer
Agreement with a successor Dealer shall provide that such successor Dealer may resign upon at least thirty (30) days’ prior written notice to SMUD, the Depositary and the Bank.

(ii) If a Dealer fails to perform its duties under, and in accordance with the terms of, the Dealer Agreement, SMUD shall, at the written direction of the Bank, remove such Dealer. If the Depositary or the Dealer is removed or resigns, SMUD shall use its best efforts to appoint a successor thereto as soon as practicable and, in the case of resignation, no later than the resignation effective date. Any proposed Depositary (or any of its affiliates) or Dealer (or any of its affiliates) shall be rated at least A2/A/A by at least two Rating Agencies at the time of becoming the Depositary or the Dealer, as applicable, and have minimum capital of $500,000,000 unless such rating and/or capital requirement shall be waived by the Bank.

(i) Alternate Letter of Credit. SMUD agrees that any termination of the Letter of Credit as a result of the provision of any Alternate Letter of Credit will require, as a condition thereto, that SMUD or the issuer of the Alternate Letter of Credit will provide funds on the date of such termination or provision, which funds will be sufficient to pay in full at the time of termination of the Letter of Credit all Obligations due to the Bank hereunder.

(j) Best Efforts. In the event SMUD does not request an extension of the Stated Expiration Date or the Bank denies or fails to respond to a request to extend the Stated Expiration Date, SMUD shall use its best efforts to (i) secure an Alternate Letter of Credit in full and complete replacement for the Letter of Credit or (ii) otherwise refinance the Notes on or prior to the expiration of the Letter of Credit.

(k) Return of Letter of Credit. SMUD shall, upon the occurrence of the Termination Date, cause the Depositary to surrender the Letter of Credit to the Bank for cancellation on the Termination Date.

(l) Offering Documents. SMUD shall not include in an offering document for the Notes any information concerning the Bank (other than identifying the Bank as a party to this Agreement and the Letter of Credit) that is not supplied in writing, or otherwise consented to, by the Bank expressly for inclusion therein. Except as may be required by law, SMUD shall not use the Bank’s name in the context of credit extension to SMUD or securities offerings (other than identifying the Bank as a party to this Agreement and the Letter of Credit) in any published materials (other than SMUD ‘s staff reports, annual statements, audited financial statements and rating agency presentations and, to the extent required SEC Rule 15(c)2-12, any offering of Bonds, Parity Bonds, Subordinated Bonds or Parity Subordinated Debt of SMUD) without the prior written consent of the Bank.

(m) Use of Proceeds. The proceeds of the Notes will be expended in the manner set forth in the Note Resolution.

(n) Ranking of Obligations. SMUD shall not take any action that would result in the Obligations not ranking at least pari passu in right of payment from Available Revenues with the Notes, Parity Notes and Parity Notes Reimbursement Agreements.
Investments. SMUD will not, directly or indirectly, invest in instruments and securities other than those permitted by, and in accordance with, California Government Code Sections 53600 to 53609, the Master Bond Resolution, the Subordinated Bond Resolution or the Program Documents. SMUD will not permit SMUD to encumber its cash position nor schedule the interest payment dates and maturities of its investments in a manner which impedes, hinders or interferes with the availability of funds to meet SMUD’s expected cash needs.

Reserved.

Plans. SMUD will (i) remain at all times in compliance with any applicable law (including any legally available grace periods) with respect to any Plan, and (ii) maintain each Plan as to which it may have any liability in compliance in all material respects with the provisions of applicable law, the failure to comply with which could subject SMUD to any tax or penalty which tax or penalty, taken together, with all other taxes and penalties which could be assessed against SMUD by reason of all other non-compliances, would have a material adverse effect on the business, financial position or results of operations of SMUD.

Payment of Taxes, Etc. SMUD will pay and discharge, or cause to be paid and discharged, all taxes, assessments and other governmental charges which may hereafter be lawfully imposed upon SMUD on account of the Electric System or any portion thereof and which, if unpaid, might impair the security of the Notes, when the same shall become due, but nothing herein contained shall require SMUD to pay any such tax, assessment or charge so long as it shall in good faith contest the validity thereof. SMUD will duly observe and conform to all valid material requirements of any Governmental Authority relative to the Electric System or any part thereof.

Operation and Maintenance of Electric System. SMUD will operate, maintain and preserve the Electric System in good repair and working order in conformity with standards customarily followed for municipal power supply, transmission and distribution systems of like size and character. SMUD will from time to time make necessary and proper repairs, renewals, replacements and substitutions to the properties of the Electric System, so that business carried on in connection with the Electric System shall and can be conducted in an efficient and economical manner, and will operate the Electric System in an efficient and economical manner. SMUD shall not use the Electric System to conduct any business other than that which is lawfully permitted.

Amounts of Rates and Charges. To the extent permitted by law, SMUD hereby covenants to establish, maintain and collect rates and charges with respect to the Electric System sufficient to pay the Parity Bonds, Parity Subordinated Debt, Parity Notes, Parity Notes Reimbursement Agreements, the Notes and all Obligations due and owing hereunder.

Maintenance of Insurance. SMUD maintains self-insurance for general liabilities, property damage and workers’ compensation claims. SMUD shall, at all times, continue to maintain such self-insurance or shall use its best efforts to maintain or cause to be maintained insurance or reserves against loss from such hazards and risks to the person or property of others as are usually insured or reserved against by those with rights and interests in property similar to
the Electric System. SMUD shall also procure, and maintain at all times adequate fidelity
insurance or bonds on all officers and employees handling or responsible for any Electric System
revenues, such insurance or bonds to be in an aggregate amount at least equal to the maximum
amount of such Electric System revenues at any one time in the custody of all such officers and
employees or in the amount of one million dollars ($1,000,000), whichever is less. The
insurance described above may be provided as a part of any comprehensive fidelity and other
insurance and not separately for the Electric System.

(v) Sale or Other Disposition of Property. SMUD will not sell or otherwise dispose of
any property essential to the proper operation of the Electric System or to the maintenance of the
Revenues. SMUD will not enter into any lease or agreement which impairs or impedes the
operation of the Electric System or which otherwise impairs or impedes the rights of the
Bondholders (as defined in the Master Bond Resolution) or the Bank with respect to Revenues.
Subject to the preceding sentence, nothing contained herein shall prevent SMUD from entering
into sale and leaseback agreements pursuant to which SMUD may acquire the use of property
subject to the terms of such sale and leaseback agreements.

Notwithstanding the foregoing or any other provision of the Master Bond Resolution,
SMUD may sell or otherwise dispose of its accounts receivable and customer loan balances due to
SMUD provided that:

(1) SMUD delivers to the Trustee (as defined in the Master Bond Resolution):

(a) a certificate of SMUD to the effect that the amount derived by
SMUD from the sale or other disposition of such accounts receivable or loan
balances is a result of the sale or other disposition of such accounts receivable or
loan balances upon fair and reasonable terms no less favorable to SMUD than the
terms of a comparable arm’s-length transaction treated as a sale and not a loan
under generally accepted accounting principles; and

(b) a written statement or report of an independent certified public
accountant to the effect that, based on the audited financial statements of SMUD
for the most recent fiscal year for which audited financial statements are available
and after giving effect to such transaction by reducing Revenues for such fiscal
year by the difference between the face amount of such accounts receivable or loan
balances and the amount derived by SMUD from the sale or other disposition of
such accounts receivable or loan balances, the debt service ratio computed
pursuant to Section 5.04 of the Master Bond Resolution would not have been
reduced to less than 1.40:1.0.

(w) Liens. Except as permitted by the Master Resolution, the Subordinated Bond
Resolution or the Note Resolution or as otherwise acceptable to the Bank, SMUD will not
(a) issue any bonds, notes or other evidences of indebtedness of similar nature payable out of or
secured by a security interest in or a pledge or assignment of the Electric System revenues
pledged under the Master Resolution, the Subordinated Bond Resolution or the Note Resolution
and held or set aside by SMUD thereunder, or (b) create or cause to be created any Lien on the Electric System revenues.

(x) **Reserved.**

(y) **Further Assurances.** SMUD agrees to do such further acts and things and to execute and deliver to the Bank such additional assignments, agreements, powers and instruments as the Bank may reasonably require or reasonably deem advisable to carry into effect the purposes of this Agreement and the Fee Letter or to better assure and confirm to the Bank its rights, powers and remedies hereunder and under the SMUD Program Documents.

(z) **Immunity.** SMUD covenants that it will not claim immunity on the grounds of sovereignty or other similar grounds with respect to itself from (i) suit or (ii) jurisdiction of any court because of its status as a political subdivision of the State of California.

(aa) **Ratings.** SMUD shall maintain (i) long-term unenhanced ratings from at least two Rating Agencies on Bonds and Parity Bonds, (ii) short-term ratings on the Notes from at least two Rating Agencies and (iii) one long-term rating on the Revolving Note from any Rating Agency.

(bb) **Swap Contracts.** Without the prior written consent of the Bank, SMUD shall not enter into any Swap Contracts relating to Debt wherein any termination payments thereunder are senior to or on parity with the payment of any Obligation.

(cc) **Shorter Amortization.** In the event that SMUD shall, directly or indirectly, enter into or otherwise consent to any Bank Agreement relating to Parity Notes or other Debt of SMUD secured by a lien on Net Revenues on parity with the Notes which such Bank Agreement provides such Person with a shorter amortization period than what is set forth in Section 2.3(b) hereof (not taking into account any shorter amortization period that might occur under such Bank Agreement because of a default, termination event, or other similar event under such Bank Agreement) (each a “Shorter Amortization Period”), SMUD shall provide the Bank with a copy of each such Bank Agreement and such Shorter Amortization Period shall automatically be deemed to be incorporated into this Agreement and the Bank shall have the benefit of such Shorter Amortization Period as if specifically set forth herein. SMUD shall promptly enter into an amendment to this Agreement to include such Shorter Amortization Period; provided that the Bank shall have and maintain the benefit of such Shorter Amortization Period even if SMUD fails to provide such amendment.

(dd) **Incorporation of Covenants by Reference.** SMUD agrees that it will perform and comply with each and every covenant and agreement required to be performed or observed by it in Sections 3.02, 3.05, 3.06 and 6.08 of the Master Bond Resolution and in each of the Program Documents, which provisions, as well as related defined terms contained therein, are hereby incorporated by reference herein with the same effect as if each and every such provision were set forth herein in its entirety all of which shall be deemed to be made for the benefit of the Bank and shall be enforceable against SMUD. To the extent that any such incorporated provision permits SMUD or any other party to waive compliance with such provision or requires that a
document, opinion or other instrument or any event or condition be acceptable or satisfactory to SMUD or any other party, for purposes of this Agreement, such provision shall be complied with unless it is specifically waived by the Bank in writing and such document, opinion or other instrument and such event or condition shall be acceptable or satisfactory only if it is acceptable or satisfactory to the Bank which shall only be evidenced by the written approval by the Bank of the same. No termination or amendment to such covenants and agreements or defined terms or release of SMUD with respect thereto made pursuant to the Master Bond Resolution or the Program Documents, shall be effective to terminate or amend such covenants and agreements and defined terms or release SMUD with respect thereto in each case as incorporated by reference herein without the prior written consent of the Bank. Notwithstanding any termination or expiration of the Master Bond Resolution or the Program Documents, SMUD shall continue to observe such incorporated covenants therein contained for the benefit of the Bank until the termination of this Agreement and the payment in full of all Obligations. Section 7.3. Survival of Covenants; Successors and Assigns. (a) All covenants, agreements, representations, and warranties made herein and in the certificates delivered pursuant hereto shall survive the making of any Drawing or Advance hereunder and shall continue in full force and effect until the Letter of Credit shall have terminated and all of the Obligations hereunder shall have been paid in full. Whenever in this Agreement any of the parties hereto is referred to, such reference shall, subject to the last sentence of this Section, be deemed to include the successors and assigns of such party, and all covenants, promises and agreements by or on behalf of SMUD which are contained in this Agreement shall inure to the benefit of the successors and assigns of the Bank. SMUD may not transfer its rights or obligations under this Agreement without the prior written consent of the Bank. The Bank may transfer or assign some or all of its rights and obligations under this Agreement and the Letter of Credit with the prior written consent of SMUD (which consent shall not be withheld unreasonably), provided that (i) with respect to the Letter of Credit only SMUD has received written notice from the Rating Agencies then rating the Notes that the transfer shall not cause the lowering, withdrawal or suspension of the ratings then existing on the Notes, and (ii) the Bank shall be responsible for all costs resulting from the transfer. No assignment of the Letter of Credit shall occur unless and until the provisions of the Note Resolution providing for delivery of an Alternate Letter of Credit for the Notes are complied with, treating the assigned Letter of Credit as an Alternate Letter of Credit. The Bank agrees to provide SMUD written notice of all amounts due and owing the Bank through and including the date of any assignment pursuant to this Section 7.3. This Agreement is made solely for the benefit of SMUD and the Bank, and no
other Person (including, without limitation, the Depositary, the Dealer or any holder of Notes) shall have any right, benefit or interest under or because of the existence of this Agreement.

(b) Notwithstanding the foregoing, the Bank shall be permitted to grant to one or more financial institutions (each a “Participant”) a participation or participations in all or any part of the Bank’s rights and benefits and obligations under this Agreement and the Letter of Credit on a participating basis but not as a party to this Agreement (a “Participation”) without the consent of SMUD. In the event of any such grant by the Bank of a Participation to a Participant, the Bank shall remain responsible for the performance of its obligations hereunder, and SMUD shall continue to deal solely and directly with the Bank in connection with the Bank’s rights and obligations under this Agreement. SMUD agrees that each Participant shall, to the extent of its Participation, be entitled to the benefits of this Agreement as if such Participant were the Bank, provided that no Participant shall have the right to declare, or to take actions in response to, an Event of Default under Section 6.1 hereof; provided further that SMUD’s liability to any Participant shall not in any event exceed that liability which SMUD would owe to the Bank but for such participation.

Section 7.4. Unconditional Obligations. The obligations of SMUD under this Agreement and the Fee Letter shall be primary, absolute, independent, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement and the Fee Letter, including without limitation the following circumstances:

(a) Any lack of validity or enforceability of the Letter of Credit, the Program Documents or any other agreement or instrument relating to any of the above;

(b) Any amendment or waiver of, or any consent to or departure from, any provision of any of the Program Documents, except for any waiver or consent granted by the Bank;

(c) The existence of any claim, setoff, defense or other rights that SMUD may have at any time against the Depositary, any beneficiary or transferee of the Letter of Credit (or any Person for whom the Depositary, any such beneficiary or any such transferee may be acting), the Bank or any other Person, whether in connection with this Agreement, the Program Documents or any unrelated transaction;

(d) Any breach of contract or other dispute between SMUD and the Depositary, any beneficiary or transferee of the Letter of Credit (or any Person for whom the Depositary, any such beneficiary or any such transferee may be acting), any Owner, the Bank or any other Person;

(e) Any demand, statement or any other document presented under the Letter of Credit or hereunder proving to have been forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;

(f) Payment by the Bank under the Letter of Credit against presentation of a draft or certificate which does not comply strictly with the terms of the Letter of Credit;
(g) Any non-application or misapplication by the Depositary or any paying agent or otherwise of the proceeds of any Drawing; or

Section 7.5. Liability of Bank; Indemnification. (a)(i) Except as provided in this Agreement, the Bank shall not be obligated to issue any further credits, to cure any defaults under any Program Document or otherwise, or in any other manner to extend any financial consideration or accommodation to SMUD.

(ii) The Bank shall not be deemed to have waived or released any of its rights or remedies (whether specified in or arising under this Agreement, the Fee Letter or otherwise available to it by law or agreement) unless the Bank shall have signed a written waiver or release. Delay or failure to act on the Bank’s part shall not constitute a waiver of or otherwise preclude enforcement of any of their rights and remedies. All of the Bank’s rights and remedies shall be cumulative and may be exercised separately or concurrently. The Bank need not resort to any particular right or remedy before exercising or enforcing any other, and the Bank’s resort to any right or remedy shall not preclude the exercise or enforcement of any other right or remedy.

(iii) SMUD assumes all risks of the acts or omissions of the Depositary, any transferee of the Letter of Credit, the Dealer, the Depositary or any paying agent for the Notes with respect to its use of the Letter of Credit and the application of proceeds drawn thereunder; provided that this assumption with respect to the Bank is not intended to, and shall not, preclude SMUD’s pursuing such rights and remedies as it may have against the Depositary, such transferee, the Dealer or any such paying agent at law or under any other agreement. Neither the Bank nor any of its officers, directors, employees or agents shall be liable or responsible for:

(A) The use that may be made of the Letter of Credit or for any acts or omissions of the Depositary or any transferee of the Letter of Credit in connection therewith;

(B) The form, validity, sufficiency, accuracy or genuineness of documents, or of any endorsements thereon, even if such documents should prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged, so long as the Bank was not grossly negligent or guilty of willful misconduct as determined by a court of competent jurisdiction;

(C) Payment by the Bank against presentation of documents that do not comply strictly with the terms of the Letter of Credit, including failure of any documents to bear any reference or adequate reference to the Letter of Credit;

(D) The validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign the Letter of Credit or the rights or benefits thereunder or
proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason;

(E) Errors, omissions, interruptions or delays in transmission or delivery of any messages by telex, mail, cable, telegraph, facsimile or otherwise, whether or not they have been in cipher, including any Drawings under the Letter of Credit;

(F) Errors in interpretation of technical terms; or

(G) Any consequences arising from causes beyond the control of the Bank, including, without limitation, any Government Acts;

provided that, notwithstanding anything in the preceding clauses (A) through (G) to the contrary, SMUD shall have a claim against the Bank, and the Bank shall be liable to SMUD, to the extent, but only to the extent, of any direct, as opposed to consequential, damages suffered by SMUD that SMUD proves were caused by (A) the Bank’s failure to pay under the Letter of Credit after the presentation to it by the Depositary of a sight draft and certificate strictly complying with the terms and conditions of the Letter of Credit or (B) the Bank’s willful or grossly negligent payment under the Letter of Credit as determined by a court of competent jurisdiction in a final non-appealable judgment.

In furtherance and not in limitation of the foregoing, the Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary.

(b)(i) To the maximum extent permitted by applicable law, SMUD agrees to indemnify, save and hold harmless each Bank-Related Person from and against: (A) any and all claims, demands, actions or causes of action that may at any time (including at any time following repayment of the Obligations) be asserted or imposed against any Bank-Related Person arising out of or relating to this Agreement, the Letter of Credit, the Fee Letter or any Program Document, the use or contemplated use of the proceeds of any Drawing, any Advance, or the relationship of SMUD and the Bank under this Agreement or any Program Document; (B) any investigative, administrative or judicial proceeding by any Governmental Authority arising out of or related to a claim, demand, action or cause of action described in subsection (A) above; and (C) any and all liabilities (including liabilities under indemnities), losses, costs or expenses (including attorney costs) that any Bank-Related Person suffers or incurs as a result of the assertion of any foregoing claim, demand, action, cause of action or proceeding, or as a result of the preparation of any defense in connection with any foregoing claim, demand, action, cause of action or proceeding; provided that no Bank-Related Person shall be entitled to indemnification for any claim caused by its own gross negligence or willful misconduct. The agreements in this subsection shall survive the termination of the Letter of Credit and repayment of all of the Obligations.

(ii) To the maximum extent permitted by applicable law, SMUD shall also indemnify and hold harmless the Bank from any transfer taxes, documentary taxes, assessments or charges
made by any Governmental Authority by reason of the execution and delivery of this Agreement and the Program Documents or the issuance of the Letter of Credit. The agreements in this subsection shall survive the termination of the Letter of Credit and repayment of all of the Obligations.

Section 7.6. Expenses. SMUD will promptly pay (i) the reasonable fees and expenses of counsel to the Bank incurred in connection with the preparation, execution and delivery of this Agreement and the other Program Documents, (ii) the reasonable out-of-pocket expenses of the Bank incurred in connection with the preparation, execution and delivery of this Agreement and the other Program Documents, (iii) the reasonable fees and disbursements of counsel to the Bank with respect to advising the Bank as to the rights and responsibilities under this Agreement after the occurrence of an Event of Default and (iv) all reasonable costs and expenses, if any, in connection with the administration and enforcement of this Agreement and any other documents which may be delivered in connection herewith or therewith, including in each case the fees and disbursements of counsel to the Bank. In addition, SMUD agrees to pay, after the occurrence of an Event of Default, all reasonable costs and expenses (including attorneys’ fees and costs of settlement) incurred by the Bank in enforcing any obligations or in collecting any payments due from SMUD hereunder by reason of such Event of Default or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a “workout” or of any insolvency or bankruptcy proceedings. The obligations of SMUD under this Section 7.6 shall survive the termination of this Agreement.

Section 7.7. No Waiver; Conflict. No failure by the Bank to exercise, and no delay by the Bank in exercising any right, power or privilege hereunder, nor any course of dealing with respect to any of the same, shall operate as a waiver thereof, preclude any other or further exercise thereof nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power, or privilege. The rights, remedies, powers and privileges herein provided and provided under each other Program Document are cumulative, and not exclusive of any rights, remedies, powers and privileges provided by law.

Section 7.8. Modification, Amendment, Waiver, Etc. No modification, amendment or waiver of any provision of this Agreement shall be effective unless the same shall be in writing and signed in accordance with Section 7.1 hereof.

Section 7.9. Dealing with SMUD, the Depositary, and/or the Dealer. The Bank and its affiliates may accept deposits from, extend credit to and generally engage in any kind of banking, trust or other business with SMUD, the Depositary, and/or the Dealer regardless of the capacity of the Bank hereunder.

Section 7.10. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction, and all other remaining provisions hereof will be construed to render them enforceable to the fullest extent permitted by law.
Section 7.11. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original, but when taken together shall constitute but one agreement and any of the parties hereto may execute this Agreement by signing any such counterpart.

Section 7.12. Table of Contents; Headings. The table of contents and the section and subsection headings used herein have been inserted for convenience of reference only and do not constitute matters to be considered in interpreting this Agreement.

SECTION 7.13. ENTIRE AGREEMENT. THIS AGREEMENT REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES HERETO WITH RESPECT TO THE SUBJECT MATTER HEREOF AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES HERETO AS TO SUCH SUBJECT MATTER.

Section 7.14. Governing Law. PURSUANT TO SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW (OR ANY SUCCESSOR STATUTE THERETO), THIS AGREEMENT AND THE FEE LETTER SHALL BE DEEMED TO BE A CONTRACT UNDER, AND SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK AND APPLICABLE FEDERAL LAW; PROVIDED, HOWEVER, THAT THE CAPACITY, POWER AND AUTHORITY OF SMUD TO ENTER INTO THIS AGREEMENT AND THE OBLIGATIONS OF SMUD HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF CALIFORNIA AND APPLICABLE FEDERAL LAW WITHOUT REGARD TO CHOICE OF LAW RULES.

Section 7.15. Waiver of Jury Trial. (a) TO THE FULL EXTENT PERMITTED BY LAW, SMUD AND THE BANK EACH WAIVE THEIR RESPECTIVE RIGHTS TO A TRIAL BY JURY FOR ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF OR RELATED TO THIS AGREEMENT, THE FEE LETTER, THE LETTER OF CREDIT, ANY OF THE OTHER PROGRAM DOCUMENTS, THE MASTER BOND RESOLUTION, THE SUBORDINATED BOND RESOLUTION OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. EACH OF SMUD AND THE BANK FURTHER AGREES THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT JURY. WITHOUT LIMITING THE FOREGOING, TO THE EXTENT PERMITTED BY LAW, THE PARTIES FURTHER AGREE THAT THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY IS WAIVED BY OPERATION OF THIS SECTION AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEeks, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS AGREEMENT, THE FEE LETTER, AND/OR THE LETTER OF CREDIT OR ANY PROVISION HEREOF OR THEREOF. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT, THE FEE LETTER, AND/OR THE LETTER OF CREDIT.

(b) In the event the waiver of jury trial as set forth in subsection (a) of this Section shall be declared void or unenforceable, each of SMUD and the Bank agrees to refer the dispute to a

(b) The rights of the Bank under this Section 7.16 are in addition to, in augmentation of, and, except as specifically provided in this Section 7.16, do not derogate from or impair, other rights and remedies (including, without limitation, other rights of setoff) which the Bank may have hereunder or under the other Program Documents.

SMUD hereby agrees that it shall promptly provide such information upon request by the Bank.

Section 7.18. Assignment to Federal Reserve Bank. The Bank may assign and pledge all or any portion of the Obligations owing to it to any Federal Reserve Bank or the United States Treasury as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any Operating Circular issued by such Federal Reserve Bank or to any state or local governmental entity or with respect to public deposits; provided that any payment in respect of such assigned Obligations made by SMUD or on its behalf to the Bank in accordance with the terms of this Agreement shall satisfy SMUD’s Obligations hereunder in

release the Bank from its obligations hereunder.

In the event of a split rating (i.e., one of the Rating Agencies’ Rating is different than the Rating of either of the other Rating Agencies), the Letter of Credit Fee Rate shall be based upon the Level in which the lowest of the two highest Ratings appears. In the event that less than three Rating Agencies then assign a long-term unenhanced rating to long-term Bonds (as defined in the Master Bond Resolution), the Letter of Credit Fee Rate shall be based upon the Level in which the lower Rating appears. Any change in the Letter of Credit Fee Rate resulting from a change in a Rating shall be and become effective as of and on the date of the announcement of the change in such Rating. References to ratings levels above are references to rating categories as presently determined by the Rating Agencies and in the event of adoption of any new or changed rating system, the rating from the Rating Agency in question referred to above shall be deemed to refer to the rating category under the new rating system that most closely approximates the applicable rating category as currently in effect. The Letter of Credit Fees shall be payable as set forth above, together with interest on the Letter of Credit Fees from the date payment is due until payment in full at the Default Rate.
Section 1.2. Draw Fees. SMUD hereby agrees to pay to the Bank a non-refundable draw fee equal to $2,000 per year payable on February 23, 2022 and on each anniversary of such date occurring prior to the Termination Date.

Section 1.3. Amendment Fee. SMUD hereby agrees to pay to the Bank on the date of any amendment to this Agreement, the Letter of Credit or any Program Document, an amendment fee, of $2,500 (or such other amount that is satisfactory to the Bank and SMUD) plus the reasonable fees and expenses of any legal counsel retained by the Bank in connection therewith. In addition, SMUD hereby agrees to pay to the Bank on the date on which the Bank consents or provides a waiver with respect to any Program Document, a waiver or consent fee, as applicable, as determined by the Bank at the time of such request (or such other amount that is satisfactory to the Bank and SMUD) plus the reasonable fees and expenses of any legal counsel retained by the Bank in connection therewith. Such transaction charges shall be payable on the date of such amendment, waiver or consent.

Section 1.4. Transfer Fee. SMUD hereby agrees to pay to the Bank on the date of each transfer of the Letter of Credit to a successor Depositary, a non-refundable transfer fee in an amount equal to $2,000, plus the reasonable fees and expenses of any legal counsel retained by the Bank in connection therewith.

Section 1.5. Termination Fee; Reduction Fee. (a) SMUD hereby agrees to pay to the Bank a termination fee in connection with any termination or replacement of the Letter of Credit by SMUD prior to February 23, 2023, in an amount equal to the product of (1) the Letter of Credit Fee Rate in effect on the date of such termination or replacement, (2) the Stated Amount in effect as of the date of termination and (3) a fraction, the numerator of which is equal to the number of days from and including the date of such termination or replacement to and including February 23, 2023, and the denominator of which is 360 (the “Termination Fee”), payable on the date of such termination or replacement. Notwithstanding the foregoing or any provision in the Agreement to the contrary, SMUD may terminate or replace the Letter of Credit in accordance with the Note Resolution at any time without payment of the Termination Fee if such termination or replacement is as a result of (i) Moody’s having lowered the short-term debt rating of the Bank below “P-1” (or its equivalent), Fitch having lowered its short-term debt rating of the Bank below “F1” (or its equivalent) or S&P having lowered its short-term debt rating of the Bank below “A-1” (or its equivalent), (ii) the Bank imposing increased costs on SMUD in accordance with Section 2.14 of the Agreement, (iii) the ability of SMUD to issue Notes being terminated or SMUD’s commercial paper program being permanently retired and so long as no portion of the source of funds for such termination of the ability of SMUD to issue Notes or the permanent retirement of the commercial paper program represents proceeds of commercial paper or similar short-term indebtedness supported by a letter of credit, liquidity facility or another form of liquidity support or credit enhancement or directly purchased by a bank or other financial institution or (iv) the occurrence of a Trading Differential of (A) in the event the Securities Industry and Financial Markets Association Index (“SIFMA”) is greater than 50 basis points, the lesser of (x) 50% of SIFMA or (y) 100 basis points over SIFMA or (B) in the event SIFMA is less than or equal to 50 basis points, 25 basis points over SIFMA, in any case, for 35 consecutive days; provided, however, that all amounts payable hereunder and under the Agreement shall be paid to the Bank on or prior to the date of such termination.
As used herein, the term “Trading Differential” means, for any day, a rate per annum equal to (x) the interest rate borne by the Notes, so long as the interest on the Notes is excludable from gross income for federal income tax purposes or taxable, as applicable, and is not included in the calculation of alternative minimum tax, less (y) the average interest rate determined by an independent financial advisor reasonably acceptable to the Bank on such day borne by commercial paper notes issued by or on behalf of municipal utilities in the United States with approximately the same maturities as the Notes, the interest rate on which is excludable from gross income for federal income tax purposes or taxable, as applicable, the underlying ratings on which are the same as or lower than the underlying ratings then assigned to the Notes and the payment of the principal and interest on which is enhanced by credit facilities provided by commercial banks rated at least “P-1” by Moody’s, “A-1” by S&P and “F1” by Fitch, as calculated by the Bank.

(b) Notwithstanding the foregoing and anything set forth herein or in the Agreement to the contrary, SMUD agrees not to permanently reduce the Stated Amount below the Stated Amount in effect as of the date hereof prior to February 23, 2023, without the payment by SMUD to the Bank of a reduction fee in connection with each and every permanent reduction of the Stated Amount in an amount equal to the product of (A) the Letter of Credit Fee Rate in effect on the date of such reduction, (B) the difference between the Stated Amount (without regard to any reduction of the Stated Amount subject to reinstatement) prior to such reduction and the Stated Amount (without regard to any reduction of the Stated Amount subject to reinstatement) after such reduction, and (C) a fraction, the numerator of which is equal to the number of days from and including the date of such reduction to and including February 23, 2023, and the denominator of which is 360 (the “Reduction Fee”). Notwithstanding the foregoing or any provision in the Agreement to the contrary, SMUD may reduce the Stated Amount without payment of the Reduction Fee if such reduction is a result of a permanent reduction in SMUD’s ability to issue Notes and so long as no portion of the source of funds for such reduction represents proceeds of commercial paper notes or similar short-term indebtedness supported by a letter of credit, liquidity facility or another form of liquidity support or credit enhancement or directly purchased by a bank or other financial institution.

ARTICLE II. MISCELLANEOUS.

Section 2.1. Amendments. No amendment to this Fee Letter shall become effective without the prior written consent of SMUD and the Bank.

Section 2.2. Governing Law. Pursuant to Section 5-1401 of the New York General Obligations Law (or any successor statute thereto), this Fee Letter shall be deemed to be a contract under, and shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York and applicable Federal Law; provided, however, that the capacity, power and authority of SMUD to enter into this Fee Letter and the obligations of SMUD hereunder shall be governed by, and construed and interpreted in accordance with the laws of the State of California and applicable Federal Law without regard to choice of law rules.

This Fee Letter may be executed in two or more counterparts, each of which shall constitute an original but both or all of which, when taken together, shall constitute but one instrument. Delivery of an executed counterpart of a signature page of this Fee Letter by facsimile transmission or by e-mail with a pdf copy or other replicating image attached, will be effective as delivery of a manually executed counterpart of this Fee Letter, and any printed or copied version of any signature page so delivered will have the same force and effect as an originally signed version of such signature page.

Section 2.4. Severability. Any provision of this Fee Letter which is prohibited, unenforceable or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or non-authorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction.

Section 2.5. No Disclosure. Unless required by law, SMUD shall not deliver or permit, authorize or consent to the delivery of this Fee Letter to any Person or for posting on the Electronic Municipal Market Access website as provided by the Municipal Securities Rulemaking Board unless the Bank provides its prior written consent.

Section 2.6. Third Amended and Restated Fee Letter. This Fee Letter amends and restates in its entirety the Existing Fee Letter. Reference to this specific Fee Letter need not be made in any agreement, document, instrument, letter, certificate, the Agreement, the Existing Fee Letter itself, or any communication issued or made pursuant to or with respect to the Existing Fee Letter, any reference to the Existing Fee Letter being sufficient to refer to the Existing Fee Letter as amended and restated hereby, and more specifically, any and all references to the “Fee Letter” in the Agreement shall mean this Fee Letter.

The term “Rating” as used herein shall mean the long-term unenhanced debt rating assigned by Moody’s, Fitch and S&P to any Debt of SMUD secured by or payable from Net Revenues on a parity with Bonds and Parity Bonds. In the event of a split rating (i.e., the Rating of one of the Rating Agencies’ is different than the Rating of any of the other Rating Agencies), the Letter of Credit Fee Rate shall be based upon the Level in which the lowest of the two highest Ratings appears. In the event that less than three Rating Agencies then assign a long-term unenhanced debt rating to Bonds and Parity Bonds, the Letter of Credit Fee Rate shall be based upon the Level in which the lower Rating appears. Any change in the Letter of Credit Fee Rate resulting from a change in a Rating shall be and become effective as of and on the date of the announcement of the change in such Rating. References to ratings levels above are references to rating categories as presently determined by the Rating Agencies and in the event of adoption of any new or changed rating system, including, without limitation, any recalibration or realignment of Rating in connection with the adoption of a “global” rating scale, the rating from the Rating Agency in question referred to above shall be deemed to refer to the rating category under the new rating system that most closely approximates the applicable rating category as currently in effect. In the event that a Rating is suspended or withdrawn (for the avoidance of doubt, a decision by SMUD to cause a Rating Agency to no longer maintain its Rating, for non-credit related reasons and not for the purpose of avoiding the occurrence of an event of default, shall not constitute a suspension or withdrawal of such Rating) from any Rating
Agency or upon the occurrence of and during the continuance of an Event of Default, the Letter of Credit Fee Rate shall increase to the sum of the Letter of Credit Fee Rate specified above for Level 7 above plus 1.50% per annum. The Letter of Credit Fees shall be payable as set forth above, together with interest on the Letter of Credit Fees from the date payment is due until payment in full at the Default Rate. For the avoidance of doubt, prior to February ___, 2022, the Letter of Credit Fees shall be determined in accordance with the Existing Fee Letter.

Section 1.2. Annual Draw Fee. SMUD hereby agrees to pay to the Bank a non-refundable draw fee of $2,000, which shall be paid annually in advance within thirty (30) days of receipt of an invoice from the Bank.

Section 1.3. Amendment Fee. SMUD hereby agrees to pay to the Bank on the date of any amendment, modification or supplement to the Agreement, the Letter of Credit or this Fee Letter or in connection with any amendment to any Program Document which requires a waiver from, or the consent of, the Bank, a non-refundable amendment fee in an amount equal to $2,500, plus the reasonable fees of any legal counsel retained by the Bank in connection therewith.

Section 1.4. Transfer Fee. SMUD hereby agrees to pay to the Bank on the date of each transfer of the Letter of Credit to a successor Depositary, a non-refundable transfer fee in an amount equal to $2,500, plus the reasonable fees and expenses of any legal counsel retained by the Bank in connection therewith.

Section 1.5. Termination Fee; Reduction Fee.1 (a) SMUD hereby agrees to pay to the Bank a termination fee in connection with any termination or replacement of the Letter of Credit by SMUD prior to February ___, 2023, in an amount equal to the difference between (A) the product of (i) the Letter of Credit Fee Rate in effect on the date of such termination or replacement, (ii) the Stated Amount in effect as of the Closing Date and (iii) a fraction, the numerator of which is equal to the number of days from and including the date of such termination or replacement to and including February 28, 2020, and the denominator of which is 360 and (B) any amount paid to the Bank pursuant to Section 1.5(b) hereof (the “Termination Fee”), payable on the date of such termination or replacement; provided, however, that no such Termination Fee shall be payable if (i) the short-term unenhanced ratings of the Bank are reduced below “P-1” (or its equivalent), “A-1” (or its equivalent) or “F1” (or its equivalent), by any two of Moody’s, S&P or Fitch, respectively; (ii) the Notes are refinanced in full from the proceeds of fixed rate long-term debt issuance or a source of funds which, in either case, does not involve the issuance by a bank or other financial institution of a letter of credit, liquidity facility, credit facility or a direct purchase of such debt by a bank or other financial institution; or (iii) the Bank imposes on SMUD increased costs pursuant to Section 2.14 of the Agreement; provided that this clause (iii) shall not be construed to relieve SMUD of any of its obligations under Section 2.14 of the Agreement.

1 Subject to review by the Bank.
(b) Notwithstanding the foregoing and anything set forth herein or in the Agreement to the contrary, SMUD agrees not to permanently reduce the Stated Amount below the Stated Amount in effect as of the Closing Date prior to February ___, 2023, without the payment by SMUD to the Bank of a reduction fee in connection with each and every permanent reduction of the Stated Amount in an amount equal to the product of (i) the Letter of Credit Fee Rate in effect on the date of such reduction, (ii) the difference between the Stated Amount (without regard to any reduction of the Stated Amount subject to reinstatement) prior to such reduction and the Stated Amount (without regard to any reduction of the Stated Amount subject to reinstatement) after such reduction, and (iii) a fraction, the numerator of which is equal to the number of days from and including the date of such reduction to and including February 28, 2020, and the denominator of which is 360 (the “Reduction Fee”) provided, that no such Reduction Fee shall be payable if the short-term unenhanced ratings of the Bank are reduced below “P-1” (or its equivalent), “A-1” (or its equivalent) or “F1” (or its equivalent), by any two of Moody’s, S&P or Fitch, respectively; provided, however, that no such Reduction Fee shall be payable if (i) the short-term unenhanced ratings of the Bank are reduced below “P-1” (or its equivalent), “A-1” (or its equivalent) or “F1” (or its equivalent), by any two of Moody’s, S&P or Fitch, respectively; (ii) the Notes are refinanced in full from the proceeds of fixed rate long-term debt issuance or a source of funds which, in either case, does not involve the issuance by a bank or other financial institution of a letter of credit, liquidity facility, or credit facility or a direct purchase of such debt by a bank or other financial institution; or (iii) the Bank imposes on SMUD increased costs pursuant to Section 2.14 of the Agreement; provided that this clause (iii) shall not be construed to relieve SMUD of any of its obligations under Section 2.14 of the Agreement.

ARTICLE II. MISCELLANEOUS.

Section 2.1. Amendments. No amendment to this Fee Letter shall become effective without the prior written consent of SMUD and the Bank.

Section 2.2. Governing Law. PURSUANT TO SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW (OR ANY SUCCESSOR STATUTE THERETO), THIS FEE LETTER SHALL BE DEEMED TO BE A CONTRACT UNDER, AND SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK AND APPLICABLE FEDERAL LAW; PROVIDED, HOWEVER, THAT THE CAPACITY, POWER AND AUTHORITY OF SMUD TO ENTER INTO THIS FEE LETTER AND THE OBLIGATIONS OF SMUD HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF CALIFORNIA AND APPLICABLE FEDERAL LAW WITHOUT REGARD TO CHOICE OF LAW RULES.

Section 2.3. Counterparts. This Fee Letter may be executed in two or more counterparts, each of which shall constitute an original but both or all of which, when taken together, shall constitute but one instrument. Delivery of an executed counterpart of a signature page of this Fee Letter by facsimile transmission or by e-mail with a pdf copy or other replicating image attached, will be effective as delivery of a manually executed counterpart of this Fee Letter, and any printed or copied version of any signature page so delivered will have the same force and effect as an originally signed version of such signature page.
Section 2.4. Severability. Any provision of this Fee Letter which is prohibited, unenforceable or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or non-authorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction.

Section 2.6. Amendment and Restatement. This Fee Letter amends and restates in its entirety the Existing Fee Letter but is not intended to be or operate as a novation or an accord and satisfaction of the Existing Fee Letter or the indebtedness, obligations and liabilities of SMUD evidenced or provided for thereunder. Section 2.1. Commitment to Lend.

(a) Loans. During the Revolving Credit Period, the Bank agrees, on the terms and conditions set forth in this Agreement, to make revolving loans to SMUD pursuant to this Section from time to time in amounts such that the aggregate principal amount of Loans by the Bank at any one time outstanding shall not exceed the amount of the Commitment. Within the foregoing limit and subject to the terms and conditions of Section 2.2 hereof, SMUD may borrow under this subsection (a), repay or, to the extent permitted by Section 2.9 hereof, prepay, the Loans and re-borrow at any time during the Revolving Credit Period under this subsection (a).

(b) Extension of Revolving Credit Period. (i) No later than 90 days prior to the Facility Maturity Date, SMUD may request the Bank to extend the then current Facility Maturity Date for a period as agreed to by SMUD and the Bank. If the Bank, in its sole discretion, elects to extend the Facility Maturity Date then in effect, they shall deliver to SMUD within 30 days of receiving a request, a written notice of extension (herein referred to as a “Notice of Extension”) designating the date to which the Facility Maturity Date is being extended. Such extension of the Facility Maturity Date shall be effective, after receipt of such Notice of Extension, on the Business Day following the date of delivery of such Notice of Extension, and thereafter all references in this Agreement to the Facility Maturity Date shall be deemed to be references to the date designated as such in the most recent Notice of Extension delivered to SMUD. Any date to which the Facility Maturity Date has been extended in accordance with this Section 2.1(b) may be extended in like manner. If the Bank fails to provide SMUD with a Notice of Extension as provided hereinabove, the Bank shall be deemed not to have consented to SMUD’s request. The Bank shall use commercially reasonable efforts to promptly notify SMUD if it will not extend the Facility Maturity Date, but the Bank’s failure to do so shall be deemed a denial of the extension request.

(ii) Notwithstanding the foregoing, it is understood and agreed that the foregoing provisions are intended for the convenience of the parties only and shall in no respect prohibit the parties from agreeing to extend the Revolving Credit Period under other circumstances or at other times. In the event the Revolving Credit Period is extended under any other circumstances, the Bank shall give prompt written notice thereof to SMUD.

(iii) If the Revolving Credit Period is extended, whether pursuant to subsection (i) above or otherwise, such extension shall be conditioned upon the prompt preparation, execution and delivery of documentation, satisfactory to SMUD and the Bank and their respective counsel.

Section 2.2. Method of Borrowing, Continuing or Converting Loans; Account to Which Proceeds of Loans to Be Credited. (a)(i) In the case of any Borrowing, SMUD shall give the Bank
notice in the form of Exhibit C hereto, executed by an Authorized SMUD Representative (a “Notice of Borrowing”), and SMUD shall telephonically confirm the Bank’s receipt of such Notice of Borrowing, by not later than 11:00 a.m. (Pacific time) on any Business Day, specifying:

(B) the aggregate amount of such Borrowing (which shall not exceed the difference between (i) the amount of the Commitment and (ii) the aggregate principal amount of Loans then outstanding),

(C) whether such Borrowing will be a Taxable Loan or a Tax-Exempt Loan, and

(D) that the following items are attached and delivered to Note Counsel, if the Borrowing is a Tax-Exempt Loan, a tax certificate or supplement to an existing tax certificate, including a completed Form 8038-G, relating to such Borrowing, in each case in a form acceptable to Note Counsel.

(ii) SMUD may convert any Tax-Exempt Loan to a Taxable Loan, only upon two (2) U.S. Government Securities Business Days prior written notice by giving appropriate notice to the Bank prior to 11:00 a.m., (Pacific time), on such required prior U.S. Government Securities Business Day in the form of Exhibit D hereto with blanks appropriately completed (each, a “Notice of Conversion”).

(b) Subject to the provisions of subsection (a) of this Section 2.2, by not later than 3:00 p.m. (Pacific time) on the date of each Borrowing, the Bank shall, subject to satisfaction of the requirements of Section 2.2 and Article Three hereof, wire transfer, in federal or other immediately available funds, the proceeds of such Borrowing to SMUD on the Borrowing date specified in the Notice of Borrowing, so long as such Borrowing date occurs during the Revolving Credit Period and is at least two (2) U.S. Government Securities Business Days following the Bank’s receipt of such Notice of Borrowing, as specified in such Notice of Borrowing, in immediately available funds, an amount equal to the Loan thereby requested. The Bank shall wire transfer, in federal or other immediately available funds, the proceeds of such Borrowing to the following account: _________; provided, however, that SMUD may, from time to time, change such account by written notice to the Bank, executed by an Authorized SMUD Representative, given to the Bank at its address referred to in Section 7.2 hereof.

(c) The Bank shall not be obligated to honor more than one Borrowing with respect to a Taxable Loan or more than one Borrowing with respect to a Tax-Exempt Loan on any Business Day.

(d) Each Loan shall be in the principal amount requested by SMUD pursuant to each notice in the form of Exhibit C hereto but in any event in a minimum principal amount of $100,000 or such greater amount which is an integral multiple of $100,000 in excess thereof.
Section 2.3. Maturity of Loans and Term Loans. (a) Each Loan included in any Borrowing shall mature, and the principal amount thereof (together with all accrued and unpaid interest therein) shall be due and payable by SMUD, on the Facility Maturity Date or such earlier date on which all Loans or the related Loans become due and payable in accordance with the terms hereof.

(b) The Term Loans shall mature, and the principal amount thereof (together with all accrued and unpaid interest thereon) shall be due and payable by SMUD, on the Amortization End Date or such earlier date on which all Term Loans become due and payable in accordance with the terms hereof.

Section 2.4. Interest Rates. (a) Subject to subsections (d) and (e) below, and Section 2.15 hereof, each Loan (other than a Term Loan) which is a Taxable Loan shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is advanced until it is paid in full, at a rate per annum equal to the Taxable Daily SOFR Rate, and such interest shall be payable by SMUD on each Interest Payment Date and on the Termination Date.

(b) Subject to subsections (d), (e) and (f) below, and Section 2.15 hereof, each Loan (other than a Term Loan) which is a Tax-Exempt Loan shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is advanced until it is paid in full, at a rate per annum equal to the Tax-Exempt Daily SOFR Rate, and such interest shall be payable by SMUD on each Interest Payment Date and on the Termination Date.

(c) Interest on the Tax-Exempt Loans is to be excluded from gross income for federal income tax purposes. Interest on Taxable Loans, Alternate Rate Loans and other amounts owing hereunder (other than Tax-Exempt Loans) is to be includable in the Bank’s gross income for federal income tax purposes.

(d) The Bank shall determine the applicable interest rate for the Loans on each SOFR Determination Day while such Loan is outstanding. Interest on each Loan shall accrue each day such Loan is outstanding commencing on and including the date such Loan is advanced by the Bank hereunder until such Loan is paid in full. The Bank will send SMUD a hyperlink to the SOFR Administrator’s Website, as such hyperlink may updated from time to time. Notwithstanding the foregoing, (i) with respect to a Loan designated to bear interest with respect to the Taxable Daily SOFR Rate that is advanced pursuant to new Borrowing, the rate for such Loan shall be the same rate as for all outstanding Loans bearing interest with respect to the Taxable Daily SOFR Rate and (ii) with respect to a Loan designated to bear interest with respect to the Tax-Exempt Daily SOFR Rate that is advanced pursuant to new Borrowing, the rate for such Loan shall be the same rate as for all outstanding Loans bearing interest with respect to the Tax-Exempt Daily SOFR Rate.

(e) Circumstances Affecting Benchmark Availability. (i) Subject to Section 2.12 hereof, if for any reason (A) the Bank shall determine (which determination shall be conclusive and binding absent manifest error) that reasonable and adequate means do not exist for ascertaining Daily Simple SOFR pursuant to the definition thereof or (B) the Bank shall determine (which determination shall be conclusive and binding absent manifest error) that Daily Simple SOFR does...
not adequately and fairly reflect the cost to the Bank of making or maintaining such Loans, then, in each case, the Bank shall promptly give notice thereof to SMUD; provided, however, that the Bank will advise SMUD of (B) immediately above only in the event that a similar determination would be made with respect to similarly situated issuers under similar circumstances, as such circumstances are determined by the Bank in the Bank’s commercially reasonable discretion. Upon notice thereof by the Bank to SMUD, any obligation of the Bank to make Loans shall be suspended (to the extent of the affected Loans) until the Bank revokes such notice. Upon receipt of such notice, (x) SMUD may revoke any pending request for a borrowing of Loans (to the extent of the affected Loans) or, failing that, SMUD will be deemed to have converted any such request into a request for a borrowing of or conversion to Alternate Rate Loans in the amount specified therein and (y) any outstanding affected Loans will be deemed to have been converted into Alternate Rate Loans immediately. Upon any such prepayment or conversion, SMUD shall also pay accrued interest on the amount so prepaid or converted.

(ii) Laws Affecting SOFR Availability. If, after the date hereof, the introduction of, or any change in, any applicable law or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by the Bank with any request or directive (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency, shall make it unlawful or impossible for the Bank to honor its obligations hereunder to make or maintain any Loan, or to determine or charge interest based upon SOFR or Daily Simple SOFR, the Bank shall promptly give notice to SMUD (an “Illegality Notice”). Thereafter, until the Bank notifies SMUD that the circumstances giving rise to such determination no longer exist, any obligation of the Bank to make Loans shall be suspended. Upon receipt of an Illegality Notice, if necessary to avoid such illegality and upon demand from the Bank, (A) SMUD may, at its option, prepay all Loans or (B) if not prepaid at SMUD’s option, SMUD shall convert all Loans to Alternate Rate Loans, on the Interest Payment Date therefor, if the Bank may lawfully continue to maintain such Loans to such day, or immediately, if the Bank may not lawfully continue to maintain such Loans to such day. Upon any such prepayment or conversion, SMUD shall also pay accrued interest on the amount so prepaid or converted.

(iii) The Bank shall use commercially reasonable efforts to provide advance notice of the events and/or conditions set forth in this Section 2.4(e); provided, however, that (i) since the timing of such events are not within the Bank’s sole control, SMUD acknowledges and agrees that it may be impossible for the Bank to determine if such events are occurring before they occur and, in such case, the Bank shall use commercially reasonable efforts to provide such notice when reasonably possible and (ii) the failure of the Bank to provide any such notice shall not affect the effectiveness of the terms and conditions of this Section 2.4(e).

(f) Upon a Determination of Taxability, all Tax-Exempt Loans shall bear interest at the Taxable Rate.

(g) Subject to Section 2.15 hereof, the Term Loans shall bear interest on the outstanding principal amount thereof, for each date from the date of extension of such Term Loan until it
becomes due, at a rate per annum equal to the Bank Rate. Such interest shall be payable by SMUD on each Interest Payment Date and on the Amortization End Date (or such earlier date on which all Term Loans become due and payable in accordance with the terms hereof).

Section 2.5. Fees. (a) SMUD hereby agrees to pay and perform its obligations provided for in the Fee Agreement, including the payment by SMUD to the Bank of the nonrefundable Commitment Fees and the other fees, expenses and payments described in the Fee Agreement at the times, on the dates and in the amounts specified in the Fee Agreement, the terms of such Fee Agreement being incorporated herein by reference as if fully set forth herein. Any references herein or in any other document to the Commitment Fee and such other fees, expenses and payments owed to the Bank hereunder without specific reference to the Fee Agreement shall be read so as to include a reference to the Fee Agreement. The Fee Agreement and this Agreement shall be construed as one agreement between SMUD and the Bank and all obligations under the Fee Agreement shall be construed as obligations hereunder.

(b) If SMUD shall fail to pay any amount payable hereunder and/or under the Fee Agreement as and when due, each such unpaid amount shall bear interest for each day from and including the date it was due until paid in full at the applicable Default Rate and shall be payable by SMUD on demand.

(c) SMUD shall pay within thirty (30) days after demand any amounts advanced by or on behalf of the Bank to the extent required to cure any Default, Event of Default or event of nonperformance hereunder or any Program Document, together with interest at the Default Rate.

Section 2.6. The Revolving Notes. (a) All Taxable Loans and other Obligations (other than Tax-Exempt Loans) shall be made against and evidenced by the Taxable Note. All Taxable Loans and other Obligations (other than Tax-Exempt Loans) and all payments and prepayments on account of the principal of and interest on each Taxable Loan and other Obligation (other than Tax-Exempt Loans) shall be recorded by the Bank on its books and records, which books and records shall, absent manifest error, be conclusive as to amounts payable by SMUD hereunder and under the Taxable Note.

(b) All Tax-Exempt Loans shall be made against and evidenced by the Tax-Exempt Note. All Tax-Exempt Loans and all payments and prepayments on account of the principal of and interest on each Tax-Exempt Loan shall be recorded by the Bank on its books and records, which books and records shall, absent manifest error, be conclusive as to amounts payable by SMUD hereunder and under the Tax-Exempt Note.

(c) SMUD’s obligations to repay each Loan and Term Loan and to pay interest thereon as provided herein shall be evidenced and secured by the related Revolving Note, and SMUD shall pay amounts under the related Revolving Note on each date on which SMUD is required to make a principal payment on the related Loan or Term Loan, as applicable, in an amount equal to the Loan or Term Loan, as applicable, payment due on such date. The payment of the principal of and interest on a Revolving Note shall constitute payment of the principal of and interest on the related Loans or Term Loan, as applicable, and the payment of the principal of and interest on the Loans
or Term Loan, as applicable, shall constitute the payment of principal and interest on the related Revolving Note and the failure to make any payment on any Loan or Term Loan, as applicable, when due shall be a failure to make a payment on the related Revolving Note and the failure to make any payment on the related Revolving Note when due shall be a failure to make a payment on the related Loan or Term Loan, as applicable.

Section 2.7. Optional Termination or Reduction of Commitment. During the Revolving Credit Period, SMUD may, upon at least three Business Days’ notice to the Bank, (i) terminate the Commitment at any time, if no Loans are outstanding at such time, or (ii) reduce the Commitment from time to time by an aggregate amount of $1,000,000 or any larger integral multiple of $100,000, provided, that, after giving effect to such reduction of the Commitment, the Commitment shall be not less than the amount of the aggregate outstanding principal amount of the Loans.

Section 2.8. Mandatory Termination or Reduction of Commitment. (a) The Commitment shall terminate on the Termination Date, and any Loans then outstanding (together with accrued interest thereon and all other amounts payable hereunder) shall be due and payable on such date, unless such Loans are converted to Term Loans as provided in Section 2.22 hereof.

(b) If at any time an Event of Default shall have occurred and be continuing, the Bank may deliver a written notice to that effect to SMUD, and the Commitment shall immediately terminate.

(c) In the event and on such occasion that the principal amount of Loans exceeds the Commitment, SMUD shall prepay the Loans in an aggregate amount equal to such excess.

Section 2.9. Optional Prepayments. SMUD may, upon at least one Business Days’ notice to the Bank, prepay any Borrowing in whole at any time, or from time to time in part in amounts aggregating $1,000,000 or any larger integral multiple of $100,000, by paying the principal amount to be prepaid together with accrued interest thereon to the date of prepayment.

Section 2.10. General Provisions as to Payments. SMUD shall make each payment of the principal of, and interest on, the Loans and Term Loans and of fees hereunder and under the Fee Agreement, not later than 1:00 p.m. (Pacific time) on the date when due, in federal or other funds immediately available in Los Angeles, to the Bank at [__________], [__________], ABA: [__________], BNF: [__________], Account No.: [__________], Ref: [__________] (or such other account as the Bank may specify by written notice to SMUD).

Section 2.11. Computation of Interest and Fees. Interest with respect to Daily SOFR Rate Loans and fees shall be calculated on the basis of a 360-day year based upon the actual number of days elapsed and interest with respect to Alternate Rate Loans and Term Loans shall be calculated on the basis of a 365 or 366 day year, as applicable, and the actual number of days elapsed.

Section 2.12. Benchmark Replacement. Notwithstanding anything to the contrary contained in this Agreement or in any other Program Document, SMUD and Bank agree as follows:
(a) **Benchmark Replacement.** Notwithstanding anything to the contrary herein or in any other Program Document (for the purposes of this Section 2.12(a), a swap agreement is not a Program Document), upon the occurrence of a Benchmark Transition Event with respect to any Benchmark, the Bank shall determine the Benchmark Replacement to calculate SOFR for all purposes of this Agreement and the other Program Documents. The Benchmark Replacement shall be used to compute SOFR on and after the SOFR Determination Day which first occurs on or after the fifth (5th) Business Day after SMUD is provided with notice as described in Section 2.12(c) hereof. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 2.12(a) will occur prior to the applicable Benchmark Transition Start Date. Any Benchmark Replacement will become effective on the applicable Benchmark Replacement Date without any further action or consent of SMUD.

(b) **Benchmark Replacement Conforming Changes.** In connection with the adoption, implementation, use and administration of any Benchmark Replacement, the Bank will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Program Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of SMUD or any other party hereto or to any other Program Document.

(c) **Notices; Standards for Decisions and Determinations.** The Bank will promptly notify SMUD of (i) the occurrence of any Benchmark Transition Event and the related Benchmark Transition Start Date, (ii) the applicable Benchmark Replacement determined by the Bank with respect to such Benchmark Transition Event and (iii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Bank shall use commercially reasonable efforts to provide the notices set forth in the immediately preceding sentence ninety (90) days prior to the Benchmark Transition Start Date; provided, however, that (i) since the timing of such events are not within the Bank’s sole control, SMUD acknowledges and agrees that it may be impossible for the Bank to determine if such events are occurring ninety (90) days prior to the Benchmark Transition Start Date and, in such case, the Bank shall use commercially reasonable efforts to provide such notice when reasonably possible and (ii) the failure of the Bank to provide any such notice shall not affect the effectiveness of the terms and conditions of this Section 2.12. Any determination, decision or election that may be made by the Bank pursuant to this Section 2.12(c), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in the Bank’s sole discretion and without consent SMUD or any other party hereto or to any other Program Document.

(d) **Benchmark Unavailability Period.** During a Benchmark Unavailability Period, the Benchmark shall be the Alternate Rate. Upon the commencement of a Benchmark Unavailability Period, SMUD may revoke any pending request for a Borrowing hereunder.

(e) **Favorable Opinion of Note Counsel.** SMUD shall cause a Favorable Opinion of Note Counsel to be delivered each time a new Benchmark Replacement is determined for calculation of the Tax-Exempt Daily SOFR Rate.
Section 2.13. Determination of Taxability. (i) In the event a Determination of Taxability occurs, SMUD hereby agrees to pay to the Bank and each Noteholder within thirty (30) days of demand therefor (1) an amount equal to the difference between (A) the amount of interest that would have been paid to the Bank and such Noteholder on the Tax-Exempt Note or Tax-Exempt Loan, without duplication, during the period for which interest on the such Tax-Exempt Note or Tax-Exempt Loan is included in the gross income of the Bank and such Noteholder if the Tax-Exempt Note or Tax-Exempt Loan had borne interest at the Taxable Rate, beginning on the Taxable Date (the “Taxable Period”), and (B) the amount of interest actually paid to the Bank and such Noteholder during the Taxable Period, and (2) an amount equal to any interest, penalties or charges owed by the Bank and such Noteholder as a result of interest on the Tax-Exempt Note or Tax-Exempt Loan becoming included in the gross income of the Bank and such Noteholder, together with any and all reasonable attorneys’ fees, court costs, or other reasonable out-of-pocket costs incurred by the Bank and such Noteholder in connection therewith;

(ii) Subject to the provisions of clause (iii) below, the Bank and such Noteholder shall afford SMUD the opportunity, at SMUD’s sole cost and expense, to contest (1) the validity of any amendment to the Internal Revenue Code which causes the interest on the Tax-Exempt Note or Tax-Exempt Loan to be included in the gross income of Bank and such Noteholder or (2) any challenge to the validity of the tax exemption with respect to the interest on the Tax-Exempt Note or Tax-Exempt Loan, including the right to direct the necessary litigation contesting such challenge (including administrative audit appeals); provided that, in no event shall the Bank or a Noteholder be required to make available its tax returns (or any other information relating to its taxes that it deems confidential) to SMUD or any other Person; and

(iii) As a condition precedent to the exercise by SMUD of its right to contest set forth in clause (ii) above, SMUD shall, upon reasonable demand, within thirty (30) days, reimburse the Bank and such Noteholder for any and all reasonable expenses (including reasonable attorneys’ fees for services that may be required or desirable, as determined by the Bank and such Noteholder in its reasonable discretion) that may be incurred by the Bank and such Noteholder in connection with any such contest, and shall, within thirty (30) days from demand, reimburse Bank and such Noteholder for any and all penalties or other charges payable by the Bank or such Noteholder for failure to include such interest in its gross income.

(iv) Without prejudice to the survival of any other agreement of SMUD hereunder, the agreements and obligations of SMUD contained in this Section 2.13 shall survive the termination of this Agreement and the payment in full of the Obligations of SMUD thereunder.

Section 2.14. Payment Due on Non-Business Day to Be Made on Next Business Day. If any sum becomes payable pursuant to this Agreement or the Fee Agreement on a day which is not a Business Day, the date for payment thereof shall be extended, without penalty, to the next succeeding Business Day, and such extended time shall be included in the computation of interest and fees.

Section 2.15. Default Rate. Upon the occurrence and during the continuance of an Event of Default, all Obligations shall bear interest until paid in full at a rate per annum equal to the Default Rate.
Section 2.16. Net of Taxes, Etc.  

(a) Any and all payments to the Bank or any Noteholder by SMUD hereunder or with respect to the Loans and Term Loans shall be made free and clear of and without deduction or withholding for any and all Indemnified Taxes. If SMUD shall be required by law to deduct or withhold any Indemnified Taxes imposed by the United States of America or any political subdivision thereof from or in respect of any sum payable hereunder or with respect to the Loans and/or Term Loans, then (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Bank or such Noteholder receives an amount equal to the sum it would have received had no such deductions been made, (ii) SMUD shall make such deductions and (iii) SMUD shall timely pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law. If SMUD shall make any payment under this Section to or for the benefit of the Bank or such Noteholder with respect to Indemnified Taxes and if the Bank or such Noteholder shall claim any credit or deduction for such Indemnified Taxes against any other taxes payable by the Bank or such Noteholder to any taxing jurisdiction in the United States of America then the Bank or such Noteholder shall pay to SMUD an amount equal to the amount by which such other taxes are actually reduced; provided, that the aggregate amount payable by the Bank or such Noteholder pursuant to this sentence shall not exceed the aggregate amount previously paid by SMUD with respect to such Indemnified Taxes. In addition, SMUD agrees to pay any present or future stamp, recording or documentary taxes and any other excise or property taxes, charges or similar levies that arise under the laws of the United States of America or any state of the United States from any payment made hereunder or under the Loans, the Term Loans or from the execution or delivery of this Agreement or the Revolving Notes, or otherwise with respect to this Agreement, the Loans or the Term Loans (hereinafter referred to as “Other Taxes”). The Bank or such Noteholder shall provide to SMUD within a reasonable time a copy of any written notification it receives with respect to Indemnified Taxes or Other Taxes owing by SMUD to the Bank or such Noteholder hereunder; provided, that the Bank or such Noteholder’s failure to send such notice shall not relieve SMUD of its obligation to pay such amounts hereunder. SMUD may conduct a reasonable contest of any such Indemnified Taxes with the prior written consent of the Bank, which consent shall not be unreasonably withheld or delayed; provided, that SMUD shall, on demand, immediately reimburse the Bank for any and all expenses (including attorneys’ fees for services that may be required or desirable, as determined by the Bank in its sole discretion) that may be incurred by the Bank in connection with any such contest.

(b) SMUD shall, to the fullest extent permitted by law and subject to the provisions hereof, pay the Bank or such Noteholder for the full amount of Indemnified Taxes and Other Taxes including any Indemnified Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section paid by the Bank or such Noteholder or any liability (including penalties, interest and expenses) arising therefrom or with respect thereto whether or not such Indemnified Taxes or Other Taxes were correctly or legally asserted; provided, that SMUD shall not be obligated to pay the Bank or such Noteholder for any penalties, interest or expenses relating to Indemnified Taxes or Other Taxes arising from the Bank or such Noteholder’s gross negligence or willful misconduct. The Bank or such Noteholder agrees to give notice to SMUD of the assertion of any claim against the Bank or such Noteholder relating to such Indemnified Taxes or Other Taxes as promptly as is practicable after being notified of such assertion; provided, that the Bank or such Noteholder’s failure to notify SMUD promptly of such assertion shall not relieve SMUD of its obligation under this Section. Payments by SMUD pursuant to this Section shall be made within thirty (30) days.
from the date the Bank or such Noteholder makes written demand therefor, which demand shall be accompanied by a certificate describing in reasonable detail the basis thereof. The Bank or such Noteholder agrees to repay to SMUD any refund (including that portion of any interest that was included as part of such refund) with respect to Indemnified Taxes or Other Taxes paid by SMUD pursuant to this Section received by the Bank or such Noteholder for Indemnified Taxes or Other Taxes that were paid by SMUD pursuant to this Section and to contest, with the cooperation and at the expense of SMUD, any such Indemnified Taxes or Other Taxes which the Bank or such Noteholder or SMUD reasonably believes not to have been properly assessed.

(c) Within thirty (30) days after the date of any payment of Indemnified Taxes by SMUD, SMUD shall furnish to the Bank the original or a certified copy of a receipt evidencing payment thereof.

(d) Notwithstanding anything contained in paragraphs (a) or (b) of this Section, SMUD shall have no liability to the Bank or any Noteholder with respect to any Indemnified Taxes to the extent incurred or imposed on the Bank or any Noteholder more than one hundred eighty (180) days prior the date written notification thereof is given to SMUD by the Bank (the "Cut-Off Date"), except where (A) the Bank had no actual knowledge of the action resulting in such Indemnified Taxes as of the Cut-Off Date or (B) such Indemnified Taxes apply to the Bank retroactively to a date prior to the Cut-Off Date.

(d) The obligations of SMUD under this Section 2.16 shall survive the termination of this Agreement and the repayment of all Obligations hereunder for a period of one hundred eighty (180) days after such termination and final repayment; provided, however, that in the event any taxing jurisdiction imposes Indemnified Taxes on the Bank or any Noteholder, as described in this Section 2.16, the Bank may impose such Indemnified Taxes on SMUD in accordance with the terms of this Section 2.16; provided, further, however, that the foregoing proviso shall only apply to any Indemnified Taxes imposed not later than two (2) years after the date this Agreement terminates and all Obligations have been paid in full.

Section 2.17. Increased Costs. (a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, liquidity ratio, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or advances, loans or other credit extended or participated in by, the Bank or any Recipient;

(ii) subject any Recipient to any Taxes of any kind whatsoever with respect to this Agreement, or change the basis of taxation of payments to the Bank or such Recipient in respect thereof (except for Indemnified Taxes covered by Section 2.16 hereof and the imposition of, or any change in the rate of any Excluded Tax payable by the Bank or any Recipient); or

(iii) impose on the Bank or any Recipient any other condition, cost or expense affecting this Agreement or the Fee Agreement or any participation therein;
and the result of any of the foregoing shall be to increase the cost to the Bank or such Recipient related to issuing or maintaining this Agreement, the Commitment or any Loan or Term Loan, or to reduce the amount of any sum received or receivable by the Bank or such Recipient hereunder (whether of principal, interest or any other amount) then, upon written request of the Bank, SMUD shall promptly pay to the Bank (for the Bank or such Recipient, as the case may be) such additional amount or amounts as will compensate the Bank or such Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) **Capital Requirements.** If the Bank or any Recipient determines that any Change in Law affecting the Bank or such Recipient or the Bank’s or such Recipient’s parent or holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on the Bank’s or such Recipient’s capital or liquidity or the capital or liquidity of such Bank’s or such Recipient’s parent or holding company holding, if any, as a consequence of this Agreement, or for maintaining this Agreement, the Commitment or any Loan or Term Loan, to a level below that which the Bank or such Recipient or the Bank’s or such Recipient’s parent or holding company could have achieved but for such Change in Law (taking into consideration the Bank’s or such Recipient’s policies and the policies of the Bank’s or such Recipient’s parent or holding company with respect to capital or liquidity adequacy), then from time to time upon written request of the Bank SMUD shall promptly pay to the Bank (for the Bank or such Recipient, as the case may be) such additional amount or amounts as will compensate the Bank or such Recipient or the Bank’s or such Recipient’s parent or holding company for any such reduction suffered.

(c) **Certificates for Reimbursement.** A certificate of the Bank or a Recipient setting forth the amount or amounts necessary to compensate the Bank or any such Recipient or the Bank’s or any such Recipient’s parent or holding company, as the case may be, as specified in paragraph (a) or (b) of this Section and delivered to SMUD, shall be conclusive absent manifest error. SMUD shall pay the Bank or any such Recipient, as the case may be, the amount shown as due on any such certificate within thirty (30) days after receipt thereof. Each Recipient shall have the benefits of this Section 2.17, but shall not be entitled to receive any greater payment under such Section than the Bank would have been entitled to receive in connection with the rights transferred.

(d) **Delay in Requests.** Failure or delay on the part of the Bank or any such Recipient to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of the Bank’s right to demand such compensation; provided that SMUD shall not be required to compensate the Bank pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than six (6) months prior to the date that the Bank notifies SMUD of the Change in Law giving rise to such increased costs or reductions and of the Bank’s intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six (6) month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) **Survival.** The obligations of SMUD under this Section 2.17 shall survive the termination of this Agreement and the repayment of all Obligations hereunder for a period of one hundred eighty (180) days after such termination and final repayment; provided, however, that in the event any Change in Law provides for retroactive increased costs or retroactive imposition of
capital adequacy or liquidity requirements, as described in this Section 2.17, the Bank may impose such costs on SMUD in accordance with the terms of this Section 2.17; provided, further, however, that the foregoing proviso shall only apply to any Change in Law occurring not later than two (2) years after the date this Agreement terminates and all Obligations have been paid in full.

Section 2.18. Margin Regulations. No portion of the proceeds of any Loans or Term Loans shall be used by SMUD (or the Depositary or any other Person on behalf of SMUD) for the purpose of “purchasing” or “carrying” any margin stock or used in any manner which might cause the borrowing or the application of such proceeds to violate Regulation U, Regulation T, or Regulation X of the Board of Governors of the Federal Reserve System or any other regulation of said Board of Governors or to violate the Securities Exchange Act of 1934, as amended, in each case as in effect on the date or dates of such Loans or Term Loans and such use of proceeds.

Section 2.19. Maximum Rate; Payment of Fee. Anything in this Agreement to the contrary notwithstanding, if the rate of interest due hereunder shall exceed the Maximum Rate for any period for which interest is payable, then (i) interest at the Maximum Rate shall be due and payable with respect to such interest period and (ii) interest at the rate equal to the difference between (A) the rate of interest calculated in accordance with the terms hereof without regard to the Maximum Rate and (B) the Maximum Rate (the “Excess Interest”), shall be deferred until such date as the rate of interest calculated in accordance with the terms hereof ceases to exceed the Maximum Rate, at which time SMUD shall pay to the Bank, with respect to amounts then payable to the Bank that are required to accrue interest hereunder, such portion of the deferred Excess Interest as will cause the rate of interest then paid to the Bank to equal the Maximum Rate, which payments of deferred Excess Interest shall continue to apply to such unpaid amounts hereunder until all deferred Excess Interest is fully paid to the Bank. To the extent permitted by law, upon the termination of the Commitment and/or this Agreement, in consideration for the limitation of the rate of interest otherwise payable hereunder, SMUD shall pay to the Bank a fee equal to the amount of all unpaid deferred Excess Interest.

Section 2.20. Security for Obligations. This Agreement constitutes the Revolving Credit Agreement (as defined in the Note Resolution) under the Note Resolution and has all rights and benefits thereof. In order to secure the timely payment of all Obligations and to secure the performance and observance of all of the covenants, agreements and conditions contained in this Agreement and the Fee Agreement, SMUD has pledged the Available Revenues to the Bank (for the benefit of the Bank and any Affiliate of the Bank to whom any Obligation is at any time owed), pursuant to and on the terms and subject to the conditions set forth in the Note Resolution. The pledge of Available Revenues under the Note Resolution constitutes a valid pledge of and charge and lien upon the Available Revenues, has attached and is effective, binding, and enforceable against SMUD, its successors, purchasers of any of the Available Revenues, creditors, and all others asserting rights therein to the extent set forth in, and in accordance with, the Note Resolution, irrespective of whether those parties have notice of the lien on, security interest in and pledge of the Available Revenues and without the need for any physical delivery, recordation, filing or further act.

Section 2.21. Method of Payment; Etc. All payments to be made by SMUD under this Agreement and the Fee Agreement shall be made at the Payment Account not later than 4:00 P.M.
Section 2.22. The Term Loans. (a) Generally. (i) On the Facility Maturity Date, so long as (A) SMUD shall have delivered to the Bank a written request in the form of Exhibit E hereto no later than thirty (30) days prior to the Facility Maturity Date, (B) no Credit Default or Credit Event of Default shall have occurred and be continuing on the Facility Maturity Date, (C) no event described in clause (b) of the definition of Material Adverse Change shall have occurred on the Facility Maturity Date and (C) the Bank shall not have terminated its obligation to make Term Loans as a result of a Non-Credit Event of Default pursuant to Section 6.2(b) hereof, the Loans, if any, maturing on such date shall be automatically converted to term loans (each a “Term Loan” and collectively the “Term Loans”), the proceeds of which shall be deemed to have refunded the Loans.

(iii) The Term Loans shall be evidenced by the Taxable Note and the Tax-Exempt Note, as applicable. The Term Loans may be repaid in whole or in part on any Business Day upon prior written notice from SMUD to the Bank.

(b) Repayment. SMUD shall pay to the Bank the outstanding principal amount of the Term Loans in equal (as nearly as possible) installments on each Amortization Payment Date and on the Amortization End Date; provided, however, that, notwithstanding anything contained herein to the contrary, the entire principal amount of the Term Loans, plus accrued and unpaid interest thereon, shall be due and payable in full on the Amortization End Date (or such earlier date on which all Term Loans become due and payable in accordance with the terms hereof).

Article Four

Representations and Warranties

Section 4.1. Representations of SMUD. In order to induce the Bank to establish the Commitment and execute and deliver this Agreement, SMUD represents and warrants to the Bank as follows:

(a) Existence and Power. SMUD is a municipal utility district organized and existing under and by virtue of the Act, and is possessed of full powers to own and lease (as lessor and lessee) real and personal property, to own and operate the Electric System, to conduct its other
business as presently conducted and to enter into contracts such as this Agreement and the SMUD Program Documents, which powers have been validly exercised in connection with the transactions effected by this Agreement and the SMUD Program Documents.

(b) **Authorization; Contravention; Approvals.** The execution, delivery and performance by SMUD of this Agreement, the Fee Agreement and the SMUD Program Documents and the other documents contemplated hereby and thereby are within the powers of SMUD, have been duly authorized by all necessary actions and (i) do not contravene the Act or any other law, rule, regulation, order, writ, judgment, injunction, decree, determination or award or any indenture, agreement, lease, instrument or other contractual restriction binding on or affecting SMUD and (ii) except as provided in or contemplated by this Agreement and the Program Documents, do not result in or require the creation of any Lien, security interest or other charge or encumbrance upon or with respect to any asset of SMUD. SMUD is not in violation of or in default in any material respect under any law, rule, regulation, order, writ, judgment, injunction, decree, determination or award that would prevent or is reasonably likely to prevent SMUD from performing its obligations under this Agreement or the SMUD Program Documents. SMUD is not in violation of or in default in any material respect under any indenture, agreement, lease, instrument or other contractual restriction and is not in violation of or in default in any respect under any of the SMUD Program Documents that would prevent or is reasonably likely to prevent SMUD from performing its obligations under this Agreement or the SMUD Program Documents. No Default or Event of Default has occurred and is continuing. All orders, consents and other authorizations or approvals of all Governmental Authorities and all other Persons have been obtained (and no additional authorization, approval or other action by, and no notice to or filing or registration with, any Governmental Authority is required to be made or obtained by SMUD) for the due execution, delivery and performance by SMUD of this Agreement and the SMUD Program Documents.

(c) **Enforceability.** This Agreement and the SMUD Program Documents, and other documents contemplated hereby and thereby to which SMUD is a party or by which it is bound, are legally valid and binding obligations of SMUD enforceable against SMUD in accordance with their respective terms, except as such enforceability may be limited by (i) bankruptcy, insolvency, reorganization or similar laws affecting creditors’ rights generally; (ii) general principles of equity; (iii) the exercise of judicial discretion in appropriate cases; and (iv) to the limitations on legal remedies against municipal utility districts in the State of California.

(d) **Litigation.** Except as disclosed in writing to the Bank prior to the Closing Date, there are no actions, suits, proceedings, inquiries or investigations, at law or in equity, before any court, Governmental Authority or arbitrator pending or, to the best knowledge of SMUD, threatened, against or directly involving SMUD (including, without limitation, the ability of SMUD to establish and collect rates for the generation, transmission and distribution of electric power), affecting the existence of SMUD, the title of any officials to their respective offices or affecting or seeking to prohibit, restrain or enjoin the execution or delivery of this Agreement or any Program Document, or in any way contesting or affecting the validity or enforceability of the Revolving Notes, this Agreement, any Program Document or contesting the tax-exempt status of the Tax-Exempt Revolving Note, or contesting the powers of SMUD or any authority for the issuance of the Revolving Notes, the execution and delivery of this Agreement or the SMUD Program Documents, nor, to the best, knowledge of SMUD, is there any basis therefor, which, if
determined adversely to SMUD (i) would adversely affect the validity or enforceability of, or the authority or ability of SMUD to perform its obligations under, this Agreement, the Fee Agreement or any SMUD Program Documents, (ii) would, in the reasonable opinion of SMUD, have a material adverse effect on the business, financial position or results of operations of SMUD or (iii) would adversely affect the exclusion of interest on the Tax-Exempt Revolving Note from gross income for Federal income tax purposes or the exemption of such interest from State of California personal income taxes.

(e) **Financial Information.** (i) The audited financial statements of SMUD included in the 2020 Financial Statements, true and correct copies of which have heretofore been delivered or made available to the Bank, fairly present, in conformity with generally accepted accounting principles the financial position of SMUD and its results of operations and changes in financial position at the dates and for the periods indicated.

(ii) Except as has been disclosed in writing to the Bank prior to the Closing Date, since December 31, 2020, there has been no material adverse change in the business, financial position or results of operations of SMUD which could reasonably be expected to result in a material adverse effect on SMUD’s ability to perform its obligations hereunder or thereunder or the rights, security or interests of the Bank.

(iii) Except as reflected in the financial statements included in the 2020 Financial Statements or as has been disclosed in writing to the Bank prior to the Closing Date and except for SMUD’s obligations set forth in this Agreement and the SMUD Program Documents, there are as of the date hereof no liabilities or obligations with respect to SMUD of any nature whatsoever (whether absolute, accrued, contingent or otherwise and whether or not due) which, in the aggregate, would be material to SMUD. SMUD does not know of any basis for the assertion against SMUD of any liability or obligation of any nature whatsoever that is not reflected in the financial statements included in the 2020 Financial Statements or other written disclosure to the Bank delivered prior to the Closing Date which, in the aggregate, could be material to SMUD.

(f) **Disclosure.** No written information furnished by SMUD to the Bank in connection with this Agreement (except information which has been superseded by subsequent information provided by SMUD) includes any untrue statement of a material fact.

(g) **Environmental Matters.** Except as disclosed in writing to the Bank prior to the Closing Date, SMUD has not received notice to the effect that the operations of the Electric System are not in compliance with any of the requirements of applicable Federal, state or local environmental, health and safety statutes and regulations or are the subject of any governmental investigation evaluating whether any remedial action is needed to respond to a release of any toxic or hazardous waste or substance into the environment, in each case which non-compliance or remedial action could have a Material Adverse Effect.

(h) **Plans.** SMUD currently has a Plan which is in compliance in all respects with the requirements of the applicable laws of the State of California, including without limitation the obligation to pay contributions on behalf of its employees in accordance therewith, and SMUD has no Plan which is subject to the requirements of ERISA. No condition exists or event or
transaction has occurred with respect to any Plan which could reasonably be expected to result in
the incurrence by SMUD of any material liability, fine or penalty.

(i)  **Regulations U and X.** SMUD is not engaged in the business of extending credit for
the purpose of purchasing or carrying margin stock (within the meaning of Regulation U or X
issued by the Board of Governors of the Federal Reserve System); and no proceeds of any Loans
or Term Loans will be used to extend credit to others for the purpose of purchasing or carrying
any margin stock.

(j)  **Tax-Exempt Status.** SMUD has not taken any action or omitted to take any action,
and knows of no action taken or omitted to be taken by any other Person, which action, if taken or
omitted, would adversely affect the exclusion of interest on the Tax-Exempt Note from gross
income for Federal income tax purposes or the exemption of such interest from State of California
personal income taxes.

(k)  **Security.** The Note Resolution creates a pledge of the Available Revenues as security
for the punctual payment of the interest and principal due with respect to the Revolving Notes, the
Parity Notes, the Obligations owed to the Bank hereunder and all Parity Notes Reimbursement
Agreements. All actions necessary to create a pledge of the Available Revenues have been duly
and validly taken. SMUD’s obligation to pay the Obligations is pari passu with its obligation to
pay the Revolving Notes, Parity Notes and all Parity Notes Reimbursement Agreements.

(l)  **Constitutional Matters.** There is no amendment, or, to the best knowledge of SMUD,
proposed amendment certified for placement on a statewide ballot, to the Constitution of the State
of California or any published administrative interpretation of the Constitution of the State of
California or any State of California law, or any legislation which has passed either house of the
State legislature, or any published judicial decision interpreting any of the foregoing, the effect of
which could reasonably be expected to have Material Adverse Effect.

(m)  **No Sovereign Immunity.** SMUD represents that it is not entitled to claim immunity
on the grounds of sovereignty or other similar grounds with respect to itself from (i) suit or
(ii) jurisdiction of any court because of its status as a political subdivision of the State of California.

(n)  **Incorporation of Representations and Warranties by Reference.** SMUD hereby
makes to the Bank every representation and warranty made by it in SMUD Program Documents,
which representations and warranties, as well as the defined terms contained therein that are
necessary for a correct interpretation thereof, are incorporated herein by this reference with the
same effect as if each and every such provision and defined term were set forth herein in its
entirety. No amendment, modification, termination or replacement of any such representations,
warranties, covenants and definitions contained in the SMUD Program Documents shall be
effective to amend, modify, terminate or replace the representations, warranties, covenants and
definitions incorporated herein by this reference, without the prior written consent of the Bank.
The representations and warranties of SMUD in all of the SMUD Program Documents are true
and correct in all material respects.
(o) No Violation of Usury Laws. The terms of the Note Resolution regarding the calculation and payment of interest on the Revolving Notes do not violate any applicable usury laws of the State of California and, assuming that the Bank is an exempted class of persons within the meaning of Article 15 of the California Constitution, the terms of this Agreement, the Fee Agreement, and the Revolving Notes regarding the calculation and payment of interest and fees and other amounts due under this Agreement, the Fee Agreement, and the Revolving Note do not violate any applicable usury laws of the State of California.

(p) Compliance. SMUD is in substantial compliance with all laws, ordinances, orders, rules and regulations applicable to it, except to the extent noncompliance could not reasonably be expected to result in a Material Adverse Effect.

(q) Default. SMUD is not in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any SMUD Program Document, the Master Bond Resolution, the Subordinated Bond Resolution or any other resolution, agreement or instrument to which it is a party which could have a Material Adverse Effect.

(r) Reserved.

(s) Insurance. The properties of SMUD are insured in accordance with the terms of the Master Bond Resolution.

(t) Taxes. SMUD has filed any Federal, state and other material tax returns and reports required to be filed, and has paid all Federal, state and other material taxes, assessments, fees and other governmental charges levied or imposed upon them or their properties, income or assets otherwise due and payable, except those which are being contested in good faith by appropriate proceedings diligently conducted and for which adequate reserves have been provided in accordance with generally accepted accounting principles. There is no proposed tax assessment against SMUD that would, if made, have a Material Adverse Effect.

(u) Casualty. Neither the business nor the Property of SMUD is currently affected by any fire, explosion, accident, strike, lockout or other labor dispute, drought, storm, hail, earthquake, embargo, act of God or of the public enemy or other casualty (whether or not covered by insurance), which could have a Material Adverse Effect.

(v) Sanctions Concerns; Anti-Corruption Laws. (i) Sanctions Concerns. Neither SMUD, nor, to the knowledge of SMUD, any director, officer, or employee thereof, is (A) currently the subject or target of any Sanctions, (B) included on OFAC’s List of Specially Designated Nationals, or (C) located, organized or resident in a Designated Jurisdiction.

(ii) Anti-Corruption Laws. SMUD has conducted its business in compliance with the United States Foreign Corrupt Practices Act of 1977 and other similar anti-corruption legislation applicable in California, and has instituted and maintained policies and procedures designed to promote and achieve compliance with such laws.
Anti-Money Laundering Laws. To the best of SMUD’s knowledge, after due care and inquiry, SMUD is not under investigation for an alleged violation of anti-money laundering laws by a governmental authority that enforces such laws.

Anti-Terrorism Laws. (i) SMUD is not in violation of any laws relating to terrorism or money laundering ("Anti-Terrorism Laws"), including Executive Order No. 13224 on Terrorist Financing, effective September 24, 2001 (the “Executive Order”), and the Patriot Act;

(ii) SMUD is not any of the following:

Upon acceptance and notification thereof to SMUD, the successor to the Bank for such purposes shall thereupon succeed to and become vested with all of the rights, powers, privileges and responsibilities of the Bank, and Wells Fargo Bank, National Association or any other Person being replaced as the Bank shall be discharged from its duties and obligations as the Bank hereunder. Notwithstanding anything to the contrary set forth herein, neither Wells Fargo Bank, National Association nor any other Bank may assign its obligations to advance or make Loans or Term Loans pursuant to the terms of this Agreement without the prior written consent of SMUD (such consent not to be unreasonably withheld). In addition, if the Bank makes any Loan or Term Loan hereunder, the Bank has no present intent to assign or sell any such Loan or Term Loan and all or any portion of the Revolving Notes relating thereto.

(ii) Sales and Transfers by Noteholder to a Bank Transferee. Without limitation of the foregoing generality, a Noteholder may at any time sell or otherwise transfer to one or more transferees all or a portion of the Revolving Notes to a Person that is (A) a Bank Affiliate or (B) a trust or other custodial arrangement established by the Bank or a Bank Affiliate, the owners of any beneficial interest in which are limited to “qualified institutional buyers” as defined in Rule 144A promulgated under the 1933 Act (each, a
“Bank Transferee”). From and after the date of such sale or transfer, Wells Fargo Bank, National Association (and its successors) shall continue to have all of the rights of the Bank hereunder and under the other Program Documents as if no such transfer or sale had occurred; provided, however, that (x) no such sale or transfer referred to in clause (ii)(A) or (ii)(B) hereof shall in any way affect the obligations of the Bank hereunder, (y) SMUD shall be required to deal only with the Bank with respect to any matters under this Agreement and (z) in the case of a sale or transfer referred to in clause (b)(i) or (b)(ii) hereof, only the Bank shall be entitled to enforce the provisions of this Agreement against SMUD.

(iii) Sales and Transfers by Noteholder to a Non-Bank Transferee. Without limitation of the foregoing generality, a Noteholder may at any time sell or otherwise transfer to one or more transferees which are not Bank Transferees but each of which constitutes (A) a “qualified institutional buyer” as defined in Rule 144A promulgated under the 1933 Act and (B) a commercial bank organized under the laws of the United States, or any state thereof, or any other country which is a member of the Organization for Economic Cooperation and Development, or a political subdivision of any such country, and, in any such case, having a combined capital and surplus, determined as of the date of any transfer pursuant to this clause (iii), of not less than $5,000,000,000 (each a “Non-Bank Transferee”) all or a portion of the Revolving Notes if (1) written notice of such sale or transfer, including that such sale or transfer is to a Non-Bank Transferee, together with addresses and related information with respect to the Non-Bank Transferee, shall have been given to SMUD and the Bank (if different than the Noteholder) by such selling Noteholder and Non-Bank Transferee and (2) the Non-Bank Transferee shall have delivered to SMUD and the selling Noteholder, an investment letter in substantially the form delivered by the Bank on the Closing Date (the “Investor Letter”).

From and after the date SMUD and the selling Noteholder have received written notice and an executed Investor Letter for such Non-Bank Transferee, (A) the Non-Bank Transferee hereunder shall be a party hereto and shall have the rights and obligations of a Noteholder hereunder and under the other Program Documents, and this Agreement shall be deemed to be amended to the extent, but only to the extent, necessary to effect the addition of the Non-Bank Transferee, and any reference to the assigning Noteholder hereunder and under the other Program Documents shall thereafter refer to such transferring Noteholder and to the Non-Bank Transferee to the extent of their respective interests, and (B) if the transferring Noteholder no longer owns any Revolving Notes, then it shall relinquish its rights and be released from its obligations hereunder and under the Program Documents.

Section 7.4. Unconditional Obligations. The obligations of SMUD under this Agreement and the Fee Agreement shall be primary, absolute, independent, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement and the Fee Agreement, including without limitation the following circumstances:

(a) Any lack of validity or enforceability of the Program Documents or any other agreement or instrument relating to any of the above;
(b) Any amendment or waiver of, or any consent to or departure from, any provision of any of the Program Documents, except for any waiver or consent granted by the Bank;

(c) The existence of any claim, setoff, defense or other rights that SMUD may have at any time against the Bank or any other Person, whether in connection with this Agreement, the Program Documents or any unrelated transaction;

(d) Any breach of contract or other dispute between SMUD and any Noteholder, the Bank or any other Person;

(e) Any demand, statement or any other document presented hereunder proving to have been forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;

(f) Payment by the Bank hereunder against presentation of a draft or certificate which does not comply strictly with the terms of this Agreement; or

(h) The failure by the Bank to honor any Notice of Borrowing hereunder or to make any payment demanded hereunder on the grounds that the demand for such payment does not conform strictly to the terms and conditions of this Agreement.

Section 7.5. Liability of Bank; Indemnification. (a)(i) Except as provided in this Agreement, the Bank shall not be obligated to issue any further credits, to cure any defaults under any Program Document or otherwise, or in any other manner to extend any financial consideration or accommodation to SMUD.

(ii) The Bank shall not be deemed to have waived or released any of its rights or remedies (whether specified in or arising under this Agreement, the Fee Agreement or otherwise available to it by law or agreement) unless the Bank shall have signed a written waiver or release. Delay or failure to act on the Bank’s part shall not constitute a waiver of or otherwise preclude enforcement of any of their rights and remedies. All of the Bank’s rights and remedies shall be cumulative and may be exercised separately or concurrently. The Bank need not resort to any particular right or remedy before exercising or enforcing any other, and the Bank’s resort to any right or remedy shall not preclude the exercise or enforcement of any other right or remedy.

(iii) Neither the Bank nor any of its officers, directors, employees or agents shall be liable or responsible for:

(A) The use that may be made of the Commitment or the Loans or Term Loans;

(B) The form, validity, sufficiency, accuracy or genuineness of documents, or of any endorsements thereon, even if such documents should prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged, so long as the Bank was not grossly negligent or guilty of willful misconduct as determined by a court of competent jurisdiction;
(C) Payment by the Bank against presentation of documents that do not comply strictly with the terms of this Agreement, including failure of any documents to bear any reference or adequate reference to this Agreement;

(D) The validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign this Agreement or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason;

(E) Errors, omissions, interruptions or delays in transmission or delivery of any messages by telex, mail, cable, telegraph, facsimile or otherwise, whether or not they have been in cipher, including any Notices of Borrowing under this Agreement;

(F) Errors in interpretation of technical terms; or

(G) Any consequences arising from causes beyond the control of the Bank, including, without limitation, any Government Acts;

provided that, notwithstanding anything in the preceding clauses (A) through (G) to the contrary, SMUD shall have a claim against the Bank, and the Bank shall be liable to SMUD, to the extent, but only to the extent, of any direct, as opposed to consequential, damages suffered by SMUD that SMUD proves were caused by (A) the Bank’s failure to pay under this Agreement after the presentation to it by SMUD of a certificate strictly complying with the terms and conditions of this Agreement or (B) the Bank’s willful or grossly negligent payment under this Agreement as determined by a court of competent jurisdiction in a final non-appealable judgment.

In furtherance and not in limitation of the foregoing, the Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary.

(b) (i) To the maximum extent permitted by applicable law, SMUD agrees to indemnify, save and hold harmless each Bank-Related Person from and against: (A) any and all claims, demands, actions or causes of action that may at any time (including at any time following repayment of the Obligations) be asserted or imposed against any Bank-Related Person arising out of or relating to this Agreement, the Loans and Term Loans, the Fee Agreement or any Program Document, the use or contemplated use of the proceeds of any Loan or Term Loan, or the relationship of SMUD and the Bank under this Agreement or any Program Document; (B) any investigative, administrative or judicial proceeding by any Governmental Authority arising out of or related to a claim, demand, action or cause of action described in subsection (A) above; and (C) any and all liabilities (including liabilities under indemnities), losses, costs or expenses (including attorney costs) that any Bank-Related Person suffers or incurs as a result of the assertion of any foregoing claim, demand, action, cause of action or proceeding, or as a result of the preparation of any defense in connection with any foregoing claim, demand, action, cause of action or proceeding, in all cases, and whether or not a Bank-Related Person is a party to such claim, demand, action, cause of action or proceeding; provided that no Bank-Related Person shall be entitled to indemnification for any claim caused by its own gross negligence or willful misconduct.
The agreements in this subsection shall survive the termination of this Agreement and repayment of all of the Obligations.

(ii) To the maximum extent permitted by applicable law, SMUD shall also indemnify and hold harmless the Bank from any transfer taxes, documentary taxes, assessments or charges made by any Governmental Authority by reason of the execution and delivery of this Agreement and the Program Documents or the making available of the Commitment. The agreements in this subsection shall survive the termination of this Agreement and repayment of all of the Obligations.

**Section 7.6. Expenses.** SMUD will promptly pay (i) the reasonable fees and expenses of counsel to the Bank incurred in connection with the preparation, execution and delivery of this Agreement and the other Program Documents, (ii) the reasonable out-of-pocket expenses of the Bank incurred in connection with the preparation, execution and delivery of this Agreement and the other Program Documents, (iii) the reasonable fees and disbursements of counsel to the Bank with respect to advising the Bank as to the rights and responsibilities under this Agreement after the occurrence of an Event of Default and (iv) all reasonable costs and expenses, if any, in connection with the administration and enforcement of this Agreement and the Program Documents and any other documents which may be delivered in connection herewith or therewith, including in each case the fees and disbursements of counsel to the Bank. In addition, SMUD agrees to pay, after the occurrence of an Event of Default, all reasonable costs and expenses (including attorneys’ and consultants’ fees and costs of settlement) incurred by the Bank in enforcing any obligations or in collecting any payments due from SMUD hereunder by reason of such Event of Default or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a “workout” or of any insolvency or bankruptcy proceedings. The obligations of SMUD under this Section 7.6 shall survive the termination of this Agreement.

**Section 7.7. No Waiver; Conflict.** No failure by the Bank to exercise, and no delay by the Bank in exercising any right, power or privilege hereunder, nor any course of dealing with respect to any of the same, shall operate as a waiver thereof, preclude any other or further exercise thereof nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power, or privilege. The rights, remedies, powers and privileges herein provided and provided under each other Program Document are cumulative, and not exclusive of any rights, remedies, powers and privileges provided by law.

**Section 7.8. Modification, Amendment, Waiver, Etc.** No modification, amendment or waiver of any provision of this Agreement shall be effective unless the same shall be in writing and signed in accordance with Section 7.1 hereof.

**Section 7.9. Dealing with SMUD.** The Bank and its affiliates may accept deposits from, extend credit to and generally engage in any kind of banking, trust or other business with SMUD regardless of the capacity of the Bank hereunder.

**Section 7.10. Severability.** Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting
the validity or enforceability of such provision in any other jurisdiction, and all other remaining provisions hereof will be construed to render them enforceable to the fullest extent permitted by law.

Section 7.11. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original, but when taken together shall constitute but one agreement and any of the parties hereto may execute this Agreement by signing any such counterpart. The parties agree that the electronic signature of a party to this Agreement shall be as valid as an original signature of such party and shall be effective to bind such party to this Agreement. The parties agree that any electronically signed document (including this Agreement) shall be deemed (i) to be “written” or “in writing,” (ii) to have been signed and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Such paper copies or “printouts,” if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form. Neither party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule. For purposes hereof, “electronic signature” means a manually-signed original signature that is then transmitted by electronic means; “transmitted by electronic means” means sent in the form of a facsimile or sent via the internet as a “pdf” (portable document format) or other replicating image attached to an e-mail message; and, “electronically signed document” means a document transmitted by electronic means and containing, or to which there is affixed, an electronic signature.

Section 7.12. Table of Contents; Headings. The table of contents and the section and subsection headings used herein have been inserted for convenience of reference only and do not constitute matters to be considered in interpreting this Agreement.

Section 7.13. Entire Agreement. This Agreement represents the final agreement between the parties hereto with respect to the subject matter hereof and may not be contradicted by evidence of prior, contemporaneous, or subsequent oral agreements of the parties hereto as to such subject matter.

Section 7.14. Governing Law. Pursuant to Section 5-1401 of the New York General Obligations Law (or any successor statute thereto), this Agreement and the Fee Agreement shall be deemed to be a contract under, and shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York and applicable Federal law; provided, however, that the capacity, power and authority of SMUD to enter into this Agreement and the obligations of SMUD hereunder shall be governed by, and construed and interpreted in accordance with the laws of the State of California and applicable Federal law without regard to choice of law rules.

Section 7.15. Waiver of Jury Trial. (a) To the full extent permitted by law, SMUD and the Bank each waive their respective rights to a trial by jury for any claim or cause of action based upon or arising out of or related to this Agreement, the Fee Agreement, any of the other Program Documents, the Master Bond Resolution, the
Subordinated Bond Resolution or the transactions contemplated hereby or thereby. Each of SMUD and the Bank further agrees that any such claim or cause of action shall be tried by a court trial without jury. Without limiting the foregoing, to the extent permitted by law, the parties further agree that their respective right to a trial by jury is waived by operation of this Section as to any action, counterclaim or other proceeding which seeks, in whole or in part, to challenge the validity or enforceability of this Agreement, the Fee Agreement, and/or any provision hereof or thereof. This waiver shall apply to any subsequent amendments, renewals, supplements or modifications to this Agreement and/or the Fee Agreement.

(b) In the event the waiver of jury trial as set forth in subsection (a) of this Section shall be declared void or unenforceable, each of SMUD and the Bank agrees to refer the dispute to a judicial referee in accordance with the provisions of Section 638 et seq. of the California Code of Civil Procedure.

Section 7.16. Right of Setoff; Other Collateral. (a) Upon the occurrence and during the continuance of an Event of Default, the Bank is hereby authorized at any time and from time to time without notice to SMUD (any such notice being expressly waived by SMUD), and to the fullest extent permitted by law, to setoff, to exercise any banker’s lien or any right of attachment and apply any and all balances, credits, deposits (general or special, time or demand, provisional or final), accounts or monies at any time held and other indebtedness at any time owing by the Bank to or for the account of SMUD (irrespective of the currency in which such accounts, monies or indebtedness may be denominated and the Bank is authorized to convert such accounts, monies and indebtedness into United States dollars) against any and all of the Obligations of SMUD, whether or not the Bank shall have made any demand for any amount owing to the Bank by SMUD; provided, however, that any such setoff, exercise of banker’s lien or any right of attachment shall be limited to (i) balances, credits, deposits (general or special, time or demand, provisional or final), accounts or monies or (ii) indebtedness owed by the Bank to or for the account of SMUD, the proceeds of which would otherwise be available to pay or satisfy or otherwise secure the Revolving Notes, the Obligations or any other indebtedness or obligations of SMUD secured or payable on a parity with or subordinate to the Lien on Net Revenues securing the Revolving Notes and the Obligations; and provided further, however, that the exercise of any such setoff, banker’s lien or right of attachment and the application of any such balances, credits, deposits, accounts, monies or proceeds of indebtedness that would constitute Revenues or other funds pledged pursuant to the Master Bond Resolution, Subordinated Bond Resolution or Note Resolution shall be subject to the terms, conditions and lien and payment priorities set forth in the Master Bond Resolution, the Subordinated Bond Resolution and the Note Resolution.

(b) The rights of the Bank under this Section 7.16 are in addition to, in augmentation of, and, except as specifically provided in this Section 7.16, do not derogate from or impair, other rights and remedies (including, without limitation, other rights of setoff) which the Bank may have hereunder or under the other Program Documents.

Section 7.17. USA Patriot Act. The Bank hereby notifies SMUD that, pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107 56 signed into law October 26, 2001) (the “Patriot Act”), it is required to obtain, verify and record information that identifies SMUD,
which information includes the name and address of SMUD and other information that will allow
the Bank to identify SMUD in accordance with applicable “know your customer” and anti-money-
laundering rules and regulations, including, without limitation, the Patriot Act. SMUD hereby
agrees that it shall promptly provide such information upon request by the Bank.

Section 7.18. Assignment to Federal Reserve Bank. The Bank and each other Noteholder
may assign and pledge all or any portion of the Obligations owing to it to any Federal Reserve
Bank or the United States Treasury, including, without limitation, as collateral security pursuant
to Regulation A of the Board of Governors of the Federal Reserve System and any Operating
Circular issued by such Federal Reserve Bank or to any state or local governmental entity or with
respect to public deposits; provided that any payment in respect of such assigned Obligations made
by SMUD or on its behalf to the Bank in accordance with the terms of this Agreement shall satisfy
SMUD’s Obligations hereunder in respect of such assigned Obligation to the extent of such
payment. No such assignment shall release the Bank from its obligations hereunder.

Section 7.19. No Advisory or Fiduciary Relationship. In connection with all aspects of
each transaction contemplated hereby (including in connection with any amendment, waiver or
other modification hereof or of any other Program Document), SMUD acknowledges and agrees
that: (a) (i) the services regarding this Agreement provided by the Bank and any Affiliate thereof
are arm’s-length commercial transactions between SMUD, on the one hand, and the Bank and its
Affiliates, on the other hand, (ii) SMUD has consulted its own legal, accounting, regulatory and
tax advisors to the extent it has deemed appropriate, and (iii) SMUD is capable of evaluating, and
understands and accepts, the terms, risks and conditions of the transactions contemplated hereby
and by the other Program Documents; (b) (i) the Bank and its Affiliates each is and has been acting
solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been,
is not, and will not be acting as an advisor, agent or fiduciary pursuant to Section 15B of the
Securities Exchange Act of 1934 or otherwise, for SMUD or any other Person and (ii) neither the
Bank nor any of its Affiliates has any obligation to SMUD with respect to the transactions
contemplated hereby except those obligations expressly set forth herein and in the other Program
Documents; and (c) the Bank and its Affiliates may be engaged in a broad range of transactions
that involve interests that differ from those of SMUD, and neither the Bank nor any of its Affiliates
has any obligation to disclose any of such interests to SMUD. To the fullest extent permitted by
Law, SMUD hereby waives and releases any claims that it may have against the Bank or any of
its Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection
with any aspect of any transactions contemplated hereby.

Section 7.20. EMMA Postings. In the event SMUD files with EMMA, this Agreement, any
Program Documents or any description of the material terms thereof or notice of any agreement to
covenants, events of default, remedies, priority rights or other similar terms with respect thereto,
either voluntarily or as required pursuant a continuing disclosure agreement or Rule 15c2-12
promulgated pursuant to the Securities and Exchange Act of 1934, as amended (the “Rule”)
(each such posting, an “EMMA Posting”), SMUD shall (i) provide the Bank with a copy of each EMMA
Posting prior to submitting or posting on EMMA and (ii) shall not file or permit the filing of any
EMMA Posting that includes Confidential Information. SMUD acknowledges and agrees that
although the Bank may request or review edits or redactions of such materials prior to filing, the
Bank is not responsible for SMUD’s or any other entity’s (including, but not limited to, any broker-
dealer’s) compliance or noncompliance (or any claims, losses or liabilities arising therefrom) with any continuing disclosure agreement or any applicable securities or other laws, including, but not limited to, those relating to the Rule.

Capitalized terms not otherwise defined herein shall have the meanings set forth in the Agreement.

The purpose of this Fee Agreement (this “Fee Agreement”) is to confirm the agreement between the Bank and SMUD with respect to, among other things, the Commitment Fees (as defined below), the Taxable Applicable Spread and Tax-Exempt Applicable Spread and certain other fees payable to the Bank. This Fee Agreement is the Fee Agreement referenced in the Agreement, and the terms hereof are incorporated by reference into the Agreement. This Fee Agreement and the Agreement are to be construed as one agreement between SMUD and the Bank, and all obligations hereunder are to be construed as obligations thereunder. All references to amounts due and payable under the Agreement will be deemed to include all amounts, fees and expenses payable under this Fee Agreement.

ARTICLE I. FEES AND OTHER AGREEMENTS.

Section 1.1. Commitment Fees. SMUD hereby agrees to pay to the Bank on April 1, 2022, for the period commencing on the Closing Date and ending on March 31, 2022, and quarterly in arrears on the tenth (10th) calendar of each July, October, January and April (each, a “Quarterly Payment Date”) occurring prior to the Termination Date, and on the Termination Date, a non-refundable commitment fee (the “Commitment Fee”) in an amount equal to the rate per annum based upon the applicable Level corresponding to the then applicable Rating (as defined below) for each day during the related fee period, as specified below (the “Commitment Fee Rate”), on the Unutilized Commitment from time to time in effect for each day during each related period:

The term “Unutilized Commitment” as used herein means the Commitment, as of the Closing Date, as permanently reduced from time to time in accordance with the Agreement less the outstanding principal amount of any Loans under the Agreement. The term “Rating” as used herein shall mean the long-term unenhanced debt rating assigned by Moody’s, Fitch and S&P to any Debt of SMUD secured by or payable from Net Revenues on a parity with Bonds and Parity Bonds. In the event of a split rating (i.e., the Rating of one of the Rating Agencies’ is different than the Rating of any of the other Rating Agencies), the Commitment Fee Rate shall be based upon the Level in which the lower of the two highest Rating appears; provided, however, if less than three Rating Agencies then assign a long-term unenhanced debt rating to Bonds and Parity Bonds, the Commitment Fee Rate shall be based upon the Level in which the lower Rating appears. Any change in the Commitment Fee Rate resulting from a change in a Rating shall be and become effective as of and on the date of the announcement of the change in such Rating. References to ratings levels above are references to rating categories as presently determined by the Rating Agencies and in the event of adoption of any new or changed rating system, including, without limitation, any recalibration or realignment of Rating in connection with the adoption of a “global” rating scale, the rating from the Rating Agency in question referred to above shall be deemed to refer to the rating category under the new rating system that most closely approximates the applicable rating category as currently in effect. In the event that a Rating is suspended or withdrawn (for the avoidance of doubt, a decision by SMUD to cause a Rating Agency to no longer maintain its Rating, for non-credit related reasons and not for the purpose of avoiding the occurrence of an event of default, shall not constitute a suspension or withdrawal of such Rating) from any Rating Agency or upon the occurrence of and during the continuance of an Event of Default, the Commitment Fee Rate shall increase to the sum of the Commitment Fee Rate specified above for Level 7 above plus 1.00% per annum. The Commitment Fees shall be payable as set forth above, together with interest on the Commitment Fees from the date payment is due until payment in full at the Default Rate. The Commitment Fee shall be payable in immediately available funds and computed on the basis of a year of 360 days and the actual number of days to elapse. SMUD acknowledges that as of the Closing Date the Commitment Fee Rate is that specified above for Level 1.

Section 1.2. Amendment, Consent or Waiver Fee. SMUD agrees to pay to the Bank on the date of each amendment, supplement, or modification to the Agreement or this Fee Agreement (or any Program Document, the amendment, supplement or modification of which requires the consent of, or waiver from, the Bank), a non-refundable fee equal to $2,500, or such other fee as may be agreed to between the Bank and SMUD after the Bank has provided SMUD with an estimate of such fee and SMUD has approved such fee estimate in writing plus the reasonable fees and expenses of any legal counsel retained by the Bank in connection therewith in an amount agreed to by the Bank and SMUD after the Bank has provided SMUD with an estimate of such fees and expenses of legal counsel and SMUD has approved such fee and expense estimate in writing.

Section 1.3. Applicable Spread. For purposes of the Agreement, the “Taxable Applicable Spread” and the “Tax-Exempt Applicable Spread,” means a rate per annum based upon the applicable Level corresponding to the then applicable Rating in the applicable column, as specified below:

In the event of a split rating (i.e., the Rating of one of the Rating Agencies’ is different than the Rating of any of the other Rating Agencies), the Taxable Applicable Spread and Tax-Exempt Applicable Spread shall be based upon the Level in which the lower of the two highest Rating appears; provided, however, if less than three Rating Agencies then assign a long-term unenhanced debt rating to Bonds and Parity Bonds, the Taxable Applicable Spread and Tax-Exempt Applicable Spread shall be based upon the Level in which the lower Rating appears. Any change in the Taxable Applicable Spread and Tax-Exempt Applicable Spread resulting from a change in a Rating shall be and become effective as of and on the date of the announcement of the change in such Rating. References to ratings levels above are references to rating categories as presently determined by the Rating Agencies and in the event of adoption of any new or changed rating system, including, without limitation, any recalibration or realignment of Rating in connection with the adoption of a “global” rating scale, the rating from the Rating Agency in question referred to above shall be deemed to refer to the rating category under the new rating system that most closely approximates the applicable rating category as currently in effect. In the event that a Rating is suspended or withdrawn (for the avoidance of doubt, a decision by SMUD to cause a Rating Agency to no longer maintain its Rating, for non-credit related reasons and not for the purpose of avoiding the occurrence of an event of default, shall not constitute a suspension or withdrawal of such Rating) from any Rating Agency or upon the occurrence of and during the continuance of an Event of Default, the Loans shall bear interest at the Default Rate. SMUD acknowledges that as of the Closing Date the Taxable Applicable Spread and Tax-Exempt Applicable Spread are the spreads that are specified above for Level 1 this Section 1.3.

Section 1.4. Termination and Reduction Fees. (a) Notwithstanding anything set forth herein or in the Agreement to the contrary, SMUD agrees not to terminate, or cause the termination or replacement of, the Agreement and/or the Commitment prior to the one (1) year anniversary of the Closing Date, except upon the payment by SMUD to the Bank of a termination fee (the “Termination Fee”) on the date of such termination or replacement in an amount equal to the product of (1) the Commitment Fee Rate in effect on the date of such termination or replacement, (2) the Commitment (without regard to any outstanding Loans) on the date of termination or replacement of the Agreement and/or the Commitment and (3) a fraction, the numerator of which is equal to the number of days from and including the date of such termination or replacement until and including the one (1) year anniversary of the Closing
Date, and the denominator of which is 360; provided, however, that no such Termination Fee shall be payable if the Agreement and/or the Commitment is terminated or replaced as a result of (i) the Bank imposing on SMUD increased costs pursuant to Section 2.17 of the Agreement (provided that this clause (i) shall not be construed to relieve SMUD of any of its obligations under Section 2.17 of the Agreement) or (ii) SMUD’s objection in writing to the Benchmark Replacement determined by the Bank in replacement of Daily Simple SOFR pursuant to Section 2.12 of the Agreement.

(b) Notwithstanding anything set forth herein or in the Agreement to the contrary, SMUD agrees not to permanently reduce the Commitment prior to the one (1) year anniversary of the Closing Date, without the payment by SMUD to the Bank of a reduction fee (the “Reduction Fee”) in connection with each and every permanent reduction of the Commitment on the date of such permanent reduction in an amount equal to the product of (A) the Commitment Fee Rate in effect on the date of such permanent reduction, (B) the difference between the Commitment (without regard to any outstanding Loans) prior to such permanent reduction and the Commitment (without regard to any outstanding Loans) after such permanent reduction, and (C) a fraction, the numerator of which is equal to the number of days from and including the date of such permanent reduction until and including the one (1) year anniversary of the Closing Date and the denominator of which is 360; provided, however, that no such Reduction Fee shall be payable if the Commitment is permanently reduced as a result of (i) the Bank imposing on SMUD increased costs pursuant to Section 2.17 of the Agreement (provided that this clause (i) shall not be construed to relieve SMUD of any of its obligations under Section 2.17 of the Agreement) or (ii) SMUD’s objection in writing to the Benchmark Replacement determined by the Bank in replacement of Daily Simple SOFR pursuant to Section 2.12 of the Agreement.

ARTICLE II. MISCELLANEOUS.

Section 2.1. Amendments. No amendment to this Fee Agreement shall become effective without the prior written consent of SMUD and the Bank.

Section 2.2. Governing Law. Pursuant to Section 5-1401 of the New York General Obligations Law (or any successor statute thereto), this Fee Agreement shall be deemed to be a contract under, and shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York and applicable Federal Law; provided, however, that the capacity, power and authority of SMUD to enter into this Fee Agreement and the obligations of SMUD hereunder shall be governed by, and construed and interpreted in accordance with the laws of the State of California and applicable Federal Law without regard to choice of law rules.

Section 2.3. Counterparts. This Fee Agreement may be executed in two or more counterparts, each of which shall constitute an original but both or all of which, when taken together, shall constitute but one instrument. Delivery of an executed counterpart of a signature page of this Fee Agreement by facsimile transmission or by e-mail with a pdf copy or other replicating image attached, will be effective as delivery of a manually executed counterpart of
this Fee Agreement, and any printed or copied version of any signature page so delivered will have the same force and effect as an originally signed version of such signature page.

Section 2.4. Severability. Any provision of this Fee Agreement which is prohibited, unenforceable or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or non-authorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction.

Section 2.5. Representation by Legal Counsel; Joint Preparation. The parties hereto have participated jointly in the negotiation and drafting of this Fee Agreement, and each of the parties was represented by its respective legal counsel during the negotiation and execution of this Fee Agreement. In the event an ambiguity or question of intent or interpretation arises, this Fee Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Fee Agreement.

Section 2.6. No Disclosure. Unless required by law, SMUD shall not deliver or permit, authorize or consent to the delivery of this Fee Agreement to any Person or for posting on the Electronic Municipal Market Access website as provided by the Municipal Securities Rulemaking Board unless the Bank provides its prior written consent.

Section 2.7. Payment Due on Non-Business Day to Be Made on Next Business Day. If any sum becomes payable pursuant to this Fee Agreement on a day which is not a Business Day, the date for payment thereof shall be extended, without penalty, to the next succeeding Business Day, and such extended time shall be included in the computation of interest and fees.

President Rose reported on his attendance at the Shine Awards as well as the Kings Dream All Star Awards where Chief Diversity Officer, Gary King, was honored. He reported on his attendance at the Metro Chamber Business Awards annual dinner as well as the Sacramento County Farm Bureau annual dinner. He also reported on his participation in the El Dorado County Chamber of Commerce luncheon. He closed by noting that he wanted to acknowledge the 40th anniversary of Mr. Lau’s employment with SMUD. He highlighted some of Mr. Lau’s many accomplishments, including spearheading $127 million in funding from the SmartGrid grant and his leadership with the
ambitious 2030 Zero Carbon Plan. President Rose extended his thanks on behalf of the Board and congratulated Mr. Lau on the milestone.

Paul Lau, Chief Executive Officer and General Manager, reported on the following items:

1) **Paul's 40th Work Anniversary.** Thank you, President Rose and other Directors, for your kind words. The industry has changed greatly since I came on board as a college intern in 1982. The technologies that powered our homes and businesses had not changed a whole lot since SMUD first started supplying the Sacramento region with power in 1946. The inability to store energy on a large scale was one of the industry’s biggest shortcomings. Today, battery storage will play a major role in helping SMUD eliminate all carbon emissions from our power supply - starting with the utility-scale battery storage unit at our Hedge training center. What has not changed since I joined SMUD is our commitment to our customers and community. I have had the pleasure of working in virtually every business unit at SMUD alongside some of the brightest minds in our industry. I am more excited than ever about the impact we can make together on the Sacramento region. With the 2030 Zero Carbon Plan, we are creating a model that other cities and regions can follow, nationally and across the globe. Thank you again.

2) **Annual Forbes Survey.** Here is some good news to share. SMUD has been recognized as one of the top midsize employers in the country in an annual survey conducted by Forbes. SMUD not only made the list - we placed 15th overall, and third among utilities. The study identified the companies liked most by 60,000 employees working for businesses with between 1,000 and 5,000 employees. The final list ranked the 500 midsize employers that received the most
recommendations. Joining SMUD in the top 15 were Penguin Random House, the California Institute of Technology, or Caltech, and JEA, the electric utility in Jacksonville, Florida. Ranking first on the *Forbes* list was Vera Bradley, a clothing, shoes and sporting equipment company.

3) **California Mobility Center Showcase.** The California Mobility Center (CMC) will be hosting a showcase event on March 17th to celebrate its first year of operations at the Depot Park facility in South Sacramento. In less than a year, the CMC has signed 40 members, 18 clients and six preferred service providers. SMUD is a founding member of the CMC, which fosters clean e-mobility technologies and solutions that will become engines of economic growth. I serve on the CMC Board of Directors, as does my predecessor as SMUD CEO, Arlen Orchard.

4) **National Electric Vehicle Infrastructure (NEVI).** Last week, Department of Transportation Secretary Buttigieg and Department of Energy Secretary Granholm announced allocations and guidance for the Bipartisan Infrastructure Law’s National Electric Vehicle Infrastructure Formula Program, or NEVI. NEVI provides $5 billion over five years to help states, Puerto Rico and the District of Columbia create a network of EV charging stations along designated corridors on the National Highway System. The Joint Office of Energy and Transportation and the electric power industry are working together to connect electric utilities with their peers at transportation departments and state energy offices around the country to support state EV charging efforts. The electric power industry’s liaison is Patricia Taylor, Senior Manager of Regulatory Policy for the American Public Power Association. I will keep the Board advised as we learn more, but this is
obviously a welcome development for SMUD, since electric transportation is a critical part of our 2030 Zero Carbon Plan.

5) SMUD COVID Protocols. The COVID-19 situation continues to change, most recently for the better. As we have seen public health guidance relax some of the restrictions, SMUD’s guidance and practices are evolving as well. The executive team has revised SMUD’s COVID-19 travel guidelines to reflect the latest pandemic data. We have also relaxed our guidance on facial coverings. Employees who are vaccinated and boosted are no longer required to wear masks indoors if they provide documentation of their vaccine status to our Integrated Disability Management team. We are continuing to monitor the situation closely and will adjust our approach based on public health guidance to help ensure that we minimize the risk of exposure to our employees and the public.

6) 2022 SMUD Trout Derby. With the return to many in-person events, I am happy to report that we will be holding the 2022 SMUD Trout Derby on April 9th and 10th at Rancho Seco Recreational Area. We will be stocking the lake with thousands of trout for all participants. Cash prizes, a fishing kayak, fishing equipment and more will be awarded at this year’s Derby. The two-day derby fee is $5 per entrant, plus a daily park entry fee of $12 per vehicle. More details are available at smud.org/RanchoSeco. We were forced to cancel this popular event in 2020 and 2021 due to the pandemic and are excited to see it return.

7) Board Video. Tonight’s Board video looks at how our partnership with Women Escaping a Violent Environment (WEAVE) is bringing nine all-electric homes to an under-resourced community.
President Rose requested the Summary of Board Direction, but there were no items.

No further business appearing, President Rose adjourned the meeting at 6:31 p.m.

Approved:

Board of Directors Meeting

Virtual Meeting (online)
Commercial Paper Characteristics
What is it and how is it used?

Commercial paper is a form of short-term capital borrowing typically issued with 30 to 270 days until maturity

- Primarily issued as Tax-exempt but can be Taxable
- Can be reissued or "rolled" at expiration or refunded with long term debt
- Due to short term nature and based on an index at the time of borrowing, commercial paper is a form of variable rate debt
Commercial Paper Program Benefits

Flexibility to fund capital spending as it arises
• Supports expanded capital spending in support of 2030 Zero Carbon Plan
• Access to capital in a shorter lead time

Lower initial costs vs. long-term fixed rates
• Allows for market timing flexibility to refund with long term fixed-rate bonds
• Provides for better initial asset-liability matching of costs with interest earnings

Additional liquidity viewed favorably by the ratings agencies
• Liquidity provides a form of self-insurance that is less costly than increasing coverage
Credit Facilities – Letters and Lines of Credit
What are they and how do they work?

Letter of Credit (LOC) is a bank guarantee that supports the commercial paper program
• Provides investor with safety knowing SMUD has bank liquidity to pay them back if markets are disrupted on maturity
• Without a letter of credit SMUD cannot issue commercial paper

Line of Credit (Line) is a bilateral agreement with a bank
• Provides SMUD with safety and liquidity not dependent on markets functioning
• Allows us to borrow on demand directly from the bank instead of from an investor
10 Banks responded with proposals for various product types and durations from three to five years.

- 7 Letter of Credit responses with fees ranging from 0.24% to 0.50% (current program fees average 0.37%)
- 3 Line of Credit/Standby facility responses with fees ranging from 0.17% to 0.375%
- SMUD chose to ladder (stagger) expirations as a risk mitigation

The banks and products selected will have average fees of 0.24%
Benefits of restructuring:

- Increases SMUD liquidity especially in turbulent markets
- Results in savings from lower fees
- Better portfolio diversification while total program stays the same size
Program Costs

- Due to strong credit ratings and banking relationships, SMUD was able to secure very strong pricing
  - Program reallocation saves $500k annually and is well below current budget
- Increases liquidity during market disruptions such as Covid in March 2020 or Winter Storm Uri in February 2021

Presiding: Director Kerth, Vice Chair of the Strategic Development Committee

Present: Directors Rose, Bui-Thompson (5:40 p.m.), Fishman, Herber, Tamayo, and Sanborn

Present also were Paul Lau, Chief Executive Officer and General Manager; Laura Lewis, Chief Legal & Government Affairs Officer and General Counsel and Secretary, and members of SMUD’s executive management; and SMUD employees and visitors.

Committee Vice Chair Kerth turned to Discussion Calendar Item 1, to make findings pursuant to Government Code section 54953(e) to continue holding meetings virtually during proclaimed state of emergency (recurring item, every 30 days). He asked General Counsel Lewis to provide a brief explanation of the item.

Director Herber left the meeting at 5:35 p.m. due to failed internet connection.

General Counsel Lewis stated that a Public Health Order had been issued on February 16, 2022, rescinding the previous order that required public meetings be held virtually. She stated that, as a result, the Board would need to make findings to continue to operate virtually and then continue to make findings every 30 days. She stated that staff’s recommendation was to continue operating remotely due to the local COVID rate of 10 percent, and staff would continue to monitor developments so that the Board could revisit the item in April. She stated the item would also be placed on the consent calendar for the March 17, 2022, Board meeting, in addition to the action requested for this evening, which would
trigger another 30-day period and allow the Board to revisit the issue at Committee meetings in April.

No public comment was forthcoming on Discussion Calendar Item 1.

After some discussion, President Rose moved for approval of Discussion Calendar Item 1, Director Tamayo seconded, and Resolution No. 22-03-01 was approved by a vote of 5-0, with Directors Bui-Thompson and Herber absent.

Requested Action: Make determination pursuant to Government Code section 54953(e) to continue meetings via virtual (online/teleconference) meeting for the next 30 days.

Summary: Pursuant to Executive Order N-29-20 issued on March 17, 2020, and Executive Order N-35-20 issued on March 21, 2020, as well as the Emergency Board Meeting Procedures adopted by this Board via Resolution No. 20-06-08 on June 18, 2020, this Board has conducted regular Board meetings and other public meetings via remote (online/teleconference) meetings.

On September 16, 2021, Governor Newsom signed Assembly Bill 361 (AB 361), which became effective immediately upon signature, containing language that eased Brown Act requirements to allow local agencies to meet remotely. AB 361 allows meetings to continue to be conducted by teleconference, similar to the process used during the current COVID-19 pandemic, but only when there is a declared state of emergency when the local governing body makes findings that there are imminent health risks to meeting in person.

On February 26, 2022, Executive Order N-04-22 was issued leaving the California State of Emergency due to the threat of COVID-19 in effect for the foreseeable future and extending the authorization for State agency boards to meet virtually through March 31, 2022.

On February 28, 2022, the California Department of Public Health rescinded the mask requirement, effective March 1, 2022, for all individuals regardless of vaccination status and instead issued a strong recommendation that all persons, regardless of vaccine status, continue indoor masking.

The most recently reported COVID-19 data published on March 3, 2022, by the Sacramento County Department of Public Health on its Epidemiology COVID-19 Dashboard indicated a local COVID-19 case rate of 10.4% and 39 deaths since the last update.

When SMUD Board and Committee meetings were held in person, they could last as long as four hours with all participants in a single room. As feasible, SMUD will encourage physical distanced seating for members of the public. In addition, SMUD will ensure that visitor and attendee wellness screening occur before personnel access the board room.

By Resolution 21-10-01 adopted on October 12, 2021, Resolution No. 21-10-03 adopted on October 21, 2021, Resolution No. 21-11-05 adopted on November 18, 2021, and Resolution No. 21-12-04 adopted on December 9, 2021, this Board has previously made findings to continue to hold regular Board meetings and other public meetings via solely virtual (online/teleconference) format.

Staff’s recommendation is to continue to hold regular Board meetings and other public meetings via solely virtual (online/teleconference) meeting and continue to monitor developments related to the COVID-19 pandemic. Pursuant to Government Code section 54953(e), this Board must make findings every 30 days that conditions warrant continuing to meet virtually instead of in-person.
Board Policy: Governance Process GP-3, Board Job Description – j) Take such other actions as may be required by law.

Benefits: Making the determination to continue remote meetings will allow for efficient conduct of SMUD business.

Cost/Budgeted: Contained in Business Unit budget for internal labor.

Alternatives: Take no action and comply with all original Brown Act requirements.

Affected Parties: SMUD, Board of Directors, Public

Coordination: Executive Office, Board Office, Legal Department, Information Technology, Communications

Presenter: Laura Lewis, Chief Legal & Government Affairs Officer

SUBJECT: Audit Report No. 28007422
Board Monitoring Report; SD-06: Safety Leadership

Audit and Quality Services (AQS) received the SD-06 Safety Leadership second-half 2021 Biannual Board Monitoring Report and performed the following:

- A review of the information presented in the report to determine the possible existence of material misstatements;
- Interviews with report contributors and verification of the methodology used to prepare the monitoring report; and
- Validation of the reasonableness of a selection of the report’s statements and assertions.

During the review, nothing came to AQS’ attention that would suggest the SD Board Monitoring report did not fairly represent the source data available at the time of the review.

1. **Background**

Strategic Direction SD-6 states that:

Creating a safe environment for employees and the public is a core value of SMUD.

Through best practice methods and continuous improvement, SMUD will be recognized as a leader in employee safety while also assuring the safety of the public related to SMUD operations and facilities. SMUD commits to a proactive approach, including the active involvement of SMUD leadership, employees, contractors, and the community, as well as comprehensive monitoring of organizational and public safety performance.

Therefore, SMUD will continue to improve safety results to:

**Workplace Safety**

a) Reduce SMUD’s injury severity incidents to 13 or less than by 2025, as measured by OSHA’s Days Away Restricted Time (DART), a rate that demonstrates top quartile safety performance for similar size utilities using the Bureau of Labor Statistics (BLS) work-related safety data.

b) Provide timely, quality health care for injured employees that aids their recovery while maintaining positive financial performance of the workers’ compensation program.

**Contractor Safety**

a) Support contractors to reduce and eliminate potential hazards for Serious Injuries and/or Fatality (SIF) when conducting high risk work.

**Public Safety**

a) Track and report injuries to the public related to SMUD operations or facilities.

b) Implement measures to protect the public from injuries related to SMUD operations or facilities.
2. Executive Summary

SMUD is in compliance with the SD-6 direction and is in alignment with SMUD’s new 5-year strategy of working toward a zero-incident culture. In 2021, SMUD met its safety performance targets related to SD-6.

Workplace Safety

In 2021, SMUD recorded 45 OSHA Recordables injuries. This is a 22% decrease from 2020 (58 OSHA Recordables). Of the 45 injuries, 16 (5 Lost Time & 11 Modified Duty injuries) resulted in a 0.79 DART rate. Three of the DART cases in the last two quarters of the year were serious injuries. This represents a continued decrease in injuries which is trending downward to meet our 2025 Target (See Appendix A). As compared with the U.S. Bureau of Labor Statistics (BLS), SMUD was below the DART rate for Electrical Power Generation, Transmission and Distribution total DART rate of 0.9 by 0.11 points (https://www.bls.gov/web/osh/summ1_00.htm).

Quality care of injured employees is measured through the Workers’ Compensation program’s performance, which is assessed annually by an independent actuary. SMUD continues to have a reduction in claims over the past three years, a reduction in injury frequency rates, and a reduction in indemnity benefits as presented below.

This year has continued to present challenges with COVID-19. COVID-19 hasn’t only impacted the way SMUD is getting work done but has also resulted in new and emerging legislation surrounding paid leave and workers’ compensation liabilities for COVID related injuries. Despite these challenges SMUD’s program remains strong and continues to lead when compared with similarly situated organizations. No COVID-19 claims were made in 2021.

Contractor Safety

Safety has completed 182 contractor site safety field visits in 2021. These visits focus on high hazard work performed on SMUD projects focusing on construction safety hazards, such as excavation, working at elevations, and in confined spaces to verify safe working practices by our contractor to reduce the potential for serious injuries or property damage. Contractor reported incidents require an investigation to be completed and typically will warrant additional site safety visits to verify corrective measures have been put into place to reduce further occurrences.
Public and Community Safety

SMUD tracks public and community incidents in the Safety Incident Tracking System (SITS) involving car-pole, electrical contact, dig-in incidents, and injuries to the public that are related to SMUD’s operations or facilities. For all of 2021, there have been 246 incidents where the public hit a SMUD pole, with 6 fatalities from such events. Seven electrical contacts were reported, and 85 dig-ins with no reported injuries.

3. Additional Supporting Information

The new SD-6 Safety Direction became effective February 2021. Our goal is to achieve the desired performance objectives by year-end 2025. This report summarizes the second half of 2021 safety performance.

Safety Leadership. The Safety Team continues with its integration efforts to support Executive Leadership’s 5-year plan that emphasizes zero incidents and injuries and a focus on a zero-accident safety culture. SMUD’s Chief Executive Officer (CEO) Paul Lau, re-emphasized the need to improve safety at SMUD with a greater focus of developing a” Safety for Life” culture, reducing the risk of serious injuries and fatalities, implementing a safety management system, and improving the analysis of injury and incident trends. These goals are outlined in SMUD’s Safety Road Map, which was updated in early 2022.

Safety Management System (SMS). Six applications within the SMS were activated in 2021. They include the Inspection Tool, Safety Risk Assessment, and Compliance Calendar, Concern Reporting, Safety Observations, and Ergonomics modules. Job aids and training are complete, and all applications are now in use. During the early part of 2022, Safety anticipates that there will be sufficient data to activate and utilize, new safety dashboards and reports for leadership.

Safety Standards Development. During 2021, the Safety Team continued their efforts to improve the process to be used to route new or updated Health & Safety Standards to appropriate Directors for review. The recently obtained SMS “Doc Manager” application will be used for this process.

Supervisor-Employee Interactions. Safety staff updated and strengthened its supervisor-employee interaction quality program. Improvements included data governance definitions for Supervisor-Employee Interactions, Safety Contacts, Field and Office visits. Emphasis is placed on field visits for work with the highest hazard potential. For office personnel, an emphasis is placed on observing personnel pertaining to ergonomic risk, and slip/trip/fall hazards in walking areas. During 2021, a total of 17,070 Supervisor-Employee interactions were complete that resulted in a 166% percentage observed.

Near Miss Reporting. Leadership continues to support and encourage near miss reporting. In 2021, the Safety Incident Tracking System (SITS), provided a method to
track near miss reporting. The goal of this process is to identify opportunities for learning, prior to an incident occurring. During 2021, SMUD reported 55 near misses through SITS.

**Contractor Safety.** SMUD continues to use the ISN system to evaluate our contractor’s safety record and safety program. The Contractor Safety program focuses on SMUD contractors in Power Generation, Environmental Services, Line, Substation, and Vegetation management contractors that perform high risk work, such as high voltage work, working at heights, vegetation management, confined spaces, excavations, etc.

SMUD currently has 73 contractors in the ISN system. During the past year we have expended our site safety evaluations performed on our high-risk contractors validate safety performance on the jobsites. Through 2021, 182 site safety evaluations were completed which exceeded this year’s target of 125. We are also continuing to validate our pre-qualification criteria for contractor selection. SMUD’s pre-qualification criteria focuses on Contractor Fatality History, OSHA Citation History, DART and Total Recordable Incident Rates (TRIR), Insurance Experience Ratio, Safety Culture Questions, and Safety Program Review.

In addition, SMUD Procurement and Safety have partnered together working on enhancing contract language as it relates to contractor safety requirements, Request for Proposal (RFP) templates for high-risk work and incorporating contractor safety as part of the onboarding process.

**Safely Conducted Observations Reduce Common Hazards (SCORCH).** For 2021, SCORCH team members conducted 4,062 Office and Professional interactions and 1,894 Field employee interactions. These interactions resulted in the removal of 8 barriers to employee safety. Based on observation data, exposure mitigation plans encouraged employee use of the 20/20/20 Rule and the scheduling of stretch breaks reminders. The 20-20-20 rule promotes (looking away from computer every 20 minutes, at an object 20 feet away, for 20 seconds) to reduce digital Eye Strain from strain. The use of Outlook calendars, smart watch reminders and visible post-it notes to trigger the behavior of stretching and taking micro-breaks routinely throughout day took place. Steps proved effective in minimizing the impact of static posture and promoted increased circulation to the Hips, Legs and Feet posture of employees.

Field employees found themselves attending virtual meetings and training sessions more frequently from the cab of their trucks or from remote locations. This led to an action plan focused on elevating employee awareness for Head & Neck Posture improvements. An action plan was established highlighting the benefits of a smart setup, vehicle ergonomics and posture awareness. Education was provided on the different hardware solutions to improve vehicle ergonomics and reduce awkward posture.
SMUD wide employee safety involvement opportunities were intentionally created by providing access to Safety Observations via (SMS) to all employees, not just actively participating employee workgroups. This level of engagement was further extended through its successful SCORCHing Summer Safety Days photo contest. Promoting the embracing of SMUD’s Safety for Life culture, by asking employees to share photos actively inserting workplace behaviors at home and at play in a fun and family-oriented style. SCORCH leading indicator data and employee feedback, continues to provide safety representatives, executives, and supervisors with trusted insight on where to make resource and communication adjustments to best meet the safety and wellness needs of employees.

4. Challenges

COVID-19 and Vaccination Guidance. The challenge for Safety in 2021 is managing COVID-19 prevention efforts. SMUD Safety, People, Services, & Strategies, Emergency Planning, Facilities and Communications worked to develop new COVID-19 guidance and testing programs to protect employees, contractors, and the public. This year, SMUD was able to provide employees with COVID-19 vaccinations and antigen testing at our EC-OC clinic, as well as continued PCR testing at our contractor facility.

Data Management. Improving the quality, automation, and use of safety data is an ongoing challenge. SMUD Safety and IT selected the GenSuite Safety Management System (SMS) to automate the generation of data so that we can trend recorded incidents using data analytics. In addition, Safety expanded its dashboard reporting and real-time DART, OSHA Recordable, and Preventable Vehicle Accident (PVA) reporting.

Chronic Muscular Injuries. The SMUD Safety Team continues to work with business units to reduce all incidents. This year, the following actions were taken to focus on a reduction to chronic muscular injuries: SMUD leadership and employees worked together to continue to build trust, SCORCH (behavior-based) Committees, Safety for Life efforts, crew and contractor safety field visits, and standards, programs, and training. In addition, SMUD continued the field ergonomic program with Power Generation and started a pilot Injury Prevention Outpost with Line Division, at the end of the 4th Quarter.

Wildfire Smoke. This year, wildfire smoke events challenged teams in coordinating work with higher-than-normal Air Quality Index (AQI) levels. Safety was able to use its purple air monitoring system and reporting, in cab vehicle air filters, PPE, scheduling, and training to inform and assist with scheduling work outside of poor air quality days.

5. Recommendation

SMUD is committed to becoming a recognized leader in safety. Both SMUD’s leadership team and employees recognize that to achieve success we must integrate safety into all that we do. It is recommended that the Board accept the Monitoring Report for SD-6.
6. **Appendices - Business Segment Safety Program Improvement Initiatives**

**Energy Delivery and Operations (EDO).** Grid Assets leadership is continuing its approach, to encourage field staff input and participation on work group specific Joint Labor Management Safety Committees (JLMSCs), with representatives from Field, Supervision, Union, and Safety in attendance. The Quarterly Business Segment JLMSC continues with an “All field teams’ approach” at SMUD, allowing for the sharing of ideas and mitigation controls, of similar risks. Due to COVID-19 impacts, the meetings continue to be held via Teams. Response from participants continues to be positive, with the value of improved communication for safety among all teams being recognized and appreciated.

In 2021, SMUD had four Serious Injuries and/or Fatalities (SIFs) and one Potential Serious Injury and/or Fatality (PSIF). With these incidents, the Safety Team uses a root cause analysis to identify the causal factors for these types of incidents. This software has been synced with the SMS program, including the “Action Tracking System” (ATS) application, to record and track identified corrective actions, to reduce workplace hazards and the potential for repeat incidents.

Safety has continued working with the SMUD Power Academy, through the COVID pandemic, reviewing internal and external safety training programs, to ensure continued consistency and quality. An example of this collaboration and teamwork was the rollout of the updated Wildfire Smoke Training. The Safety Team augmented this program with the additional Purple Air sensors; hand-held “real-time” sensors, to be used by field crews (when internet is inaccessible); vehicle air cleaners; updated Air Quality Index (AQI) response guidelines; a fillable tailboard supplement; and Tabletop exercises to ensure appropriate response and understanding during these events.

The Safety Team has continued to provide required safety training to field employees, utilizing smaller maximum capacity limits, due to the COVID-19 social distancing requirements. This includes creating social distancing floor plans for training, providing signage, temperature stations, sanitization, PPE, and other support, as needed.

The Safety for Life events scheduled for 2021 were again postponed due to COVID-19. To ensure the Safety for Life culture continues to evolve during this time of social distancing and remote work, more emphasis will be placed on Safety for Life communications and testimonials. In 2021, Safety re-branded its publications and content to emphasize our Safety for Life culture at SMUD. Safety partnered with Red Cross to offer a virtual class in quarter four to SMUD employees. The class was a Compression Only CPR class. Safety will continue to partner with Red Cross in 2022 for additional classes which will be available to SMUD employees. In addition, Safety hosted two driving rodeos this year and conducted vehicle ergo inspections as needed. Safety for Life Sparky’s Crew for SMUD children consisting of birthday cards, safety
newsletters and postcards and the safety calendar with children’s artwork, has continued throughout the pandemic.

During 2021, Wellness activities are designed and modified to support all employees, including those working remotely, through virtual wellness programs and activities. These activities focused on improving overall health, by providing on-line stretch breaks, workouts, eating healthy seminars and cooking demos to support physical health. Educational and awareness webinars help supported mental and emotional health, by providing resources and coping mechanisms to address stress and changes in lifestyle. The wellness program embraces a holistic approach that includes physical, financial, social, spiritual, and emotional wellness to support positive behavioral changes.

Health & Wellness realizes the environments in which we live, work and play, and impacts our well-being. This effort focuses on employees and their families empowering themselves to promote and model positive attitudes and behaviors through a lifelong commitment to wellness.

**Zero Carbon Energy Solutions (ZCES).** Since the beginning of the COVID-19 pandemic, Power Generation has prioritized employee safety while ensuring that critical work is completed. The Upper American River Project (UARP) increased work planning efforts to isolate crews and document work routes in case contact tracing was needed. Gas Pipeline began reporting directly to the field, to limit employee to employee contact. Meetings that include JLMSC updates, tailboards, safety meetings and safety training, including annual crew training, have continued with appropriate modifications to occur virtually, or when an in-person meeting is required social distancing and facial coverings are utilized.

Power Generation employees continued with their Savvy FIT Daily Dozen for soft tissue injury reduction. As a result, soft tissue injuries continue to trend down.

In addition to the COVID-19 Pandemic, Power Generation has also responded to extreme high heat and wildfire smoke events. Work was planned to ensure that employees able to reduce or eliminate potential exposures. Then, on August 17, Hydro Operations at Fresh Pond came under mandatory evacuation orders due to the fast-spreadling Caldor Fire. Crews quickly moved vehicles and other equipment to White Rock Powerhouse and moved snow removal equipment from Riverton Yard to the shores of Union Valley Reservoir. Those who could not work from home reported daily to White Rock Powerhouse. Air scrubbers were deployed in areas where employees were working as AQI levels were frequently above 500. Evacuation orders were lifted on September 7. Prior to repopulating the Fresh Pond campus, Power Generation leadership had the campus cleaned of ash and debris, and deployed air scrubbers in all areas to eliminate the smoke.

Although Cal/OSHA’s Voluntary Protection Program (VPP) program has been limited in its scope and participation due to the COVID-19 pandemic, both the UARP and Gas Pipeline Operations (GPO) continue to pursue best in class improvements. The UARP
achieved Cal/Reach status in 2019 and provided periodic updates to Cal/OSHA on their continuous improvement efforts.

In December 2021, Hydro completed a Cal/OSHA VPP audit. The auditor was impressed with the many safety improvements achieved over the last two years and Hydro is optimistic they will achieve VPP Star status. The Cal/VPP is designed to recognize employers and their employees who have implemented safety and health programs that effectively prevent and control occupational hazards. These programs go beyond minimal Cal/OSHA standards and provide the best feasible protection at the site.

Management commitment and employee participation are key elements in achieving Cal/VPP recognition. Cal/VPP establishments are considered leaders in the field of workplace safety and health. GPO continues to meet and prepare for the Cal/OSHA audit that is hopeful to be scheduled for early 2022 due to COVID-19 restrictions.

Power Generation also completed the purchase of Chili Bar Powerhouse from PG&E in June 2021. Safety inspections were completed by labor, management, engineering, and safety as soon as we took possession. There were 43 safety deficiencies noted, most of which have been resolved to bring the plant to SMUD’s high standards.

**Customer & Community Services (CCS).** Safety worked with CCS and Security to safely re-open the CSC lobby and re-start selected programs by identifying and implementing appropriate COVID-19 controls to protect employees, contractors, and the public. Business processes were reviewed for potential risk and modified based on the COVID-19 guidance that Safety has provided to the enterprise. To improve the air quality inside the cashier area, an ionizing air purifier was added to remove contaminants and pollutants within the small office space.

**Corporate Financial and Administrative Services (CFAS).** Facilities and Safety have partnered on the re-entry efforts to ensure current and future workspaces, signage, physical distancing, use of barriers, and cleaning and disinfecting controls are in place and operating affectively. Security Operations has taken an active role in the re-opening of the lobby by coordinating with both Safety and CCS.

Warehouse has implemented controls to limit COVID-19 exposures in the tool room by having their customers call-in for requests while remaining outside to support social distancing efforts. During days with hazardous air quality conditions, the warehouse provides readily available N95 respirators and vehicle air cleaners. Fleet has mitigated COVID-19 exposures by performing vehicle wipe-downs and disinfecting each vehicle before servicing. To address concerns of hazardous air quality in vehicles, Fleet provided an updated list of SMUD vehicles without in-cabin air filters to help determine the need of requesting a portable vehicle air cleaner from the Warehouse. The Safety Team has encouraged all field forces to integrate their Monthly Vehicle Inspections into SMS through the Inspection Tool application for easy access and documentation. The Procurement, Warehouse, and Fleet (PWF) team continues to focus on the health and
safety of their team members, of their customers, and of their families in support of SMUD’s North Star strategic plan—Be Safe. Always.

Driver Safety. In 2021 the Driver Safety program was significantly adjusted due to the impacts of COVID-19. In-vehicle, in-person instruction, and ride along activities, such as Supervisor Ride-a-longs, were halted to prevent possible employee COVID-19 exposure. The van pool program was also suspended for the same reason. Changes to the program included the development and implementation of a “virtual” defensive driving refresher training that highlighted Smith System driving techniques and SMUD vehicle inspection information. In addition, Driving Rodeos were modified and resumed with COVID-19 safety protocols in place. Educational information in the form of brief PowerPoint Presentations covering various vehicle related topics were also made available on the Health and Safety SharePoint site for supervisors, when conducting safety meetings.

This Board accepts the monitoring report for Strategic Direction SD-6, Safety Leadership, substantially in the form set forth in Attachment __ hereto and made a part hereof.
Requested Action: Approve an increase to the aggregate contract not-to-exceed amount for civil construction services in downtown and other areas of Sacramento by $5 million, from $41.5 million to $46.5 million for Contract No. 460001313 with Arrow Construction and Contract No. 460001312 with Clark Bros., Inc.

Summary: By Resolution No. 19-09-06, Contract No. 460001313 was awarded to Arrow Construction (Arrow Contract) and Contract No. 460001312 was awarded to Clark Bros., Inc. (Clark Contract) (collectively, the Contracts) in September 2019 for provision of civil construction services in downtown and other areas of Sacramento for a three-year period from approximately September 23, 2019, to September 22, 2022, for a total not-to-exceed aggregate contract amount of $30 million. Contract Change No. 1 to Clark Contract changed foreman labor rates on Bid Schedule Line Items 56 through 60. Contract Change No. 2 to Clark Contract and Contract Change No. 1 to Arrow Contract increased the total aggregate contract not-to-exceed amount by $1.5M, a portion of the allowable 10% contingency amount, to provide funds to respond to unexpected requests through the term of the Contracts. By Resolution No. 21-07-13, adopted on July 19, 2021, the total aggregate not-to-exceed amount of the Contracts was increased by $10M from $31.5M to $41.5M. Contract Change No. 2 to Arrow Contract changed foreman labor rates on Bid Schedule Line Items 56, 57, and 60. Contract Change No. 3 to Arrow Contract added a subcontractor. Contract Change No. 3 to Clark Contract and Contract Change No. 4 to Arrow Contract removed rate schedule items 29 through 49 and directed payment of those items through line items 28 and 50. Contract Change No. 4 to Clark Contract and Contract Change No. 5 to Arrow Contract extended the term of the Contracts from September 22, 2022, to December 31, 2022. The current action requests Board approval to increase the total aggregate not-to-exceed amount for the Contracts by $5M to ensure continuity of necessary work as new contracts are put in place.

Currently, the contract balance is approximately $8,900,000.
Current commitments under the Contracts total in aggregate $38,118,401.57 as reflected in the table below. With foreseeable work requirements for the next eight months, we anticipate the remaining contract amounts will be depleted prior to the completion of the necessary work, leaving little or no buffer for emergency work.

Authorize the Chief Executive Officer and General Manager to award contracts to IEC Corporation, Black & Veatch Corporation, and Worley Group, Inc. to provide Thermal Power Plant Engineering Services for the 10-year period from April 1, 2022, to March 30, 2032, for a total aggregate contract not-to-exceed amount of $10,000,000.

**Summary:**

RFP No. Doc3176053345 was issued in October 2021 to solicit qualified professional engineering firms to provide Thermal Power Plant Engineering Services that will help support SMUD’s 2030 Zero Carbon Plan which aims to reduce SMUD’s carbon footprint. Significant changes for the current thermal plant fleet are therefore expected over the next decade. Currently, at least two thermal plants, McClellan Peaker and Campbell’s Cogeneration Plants are projected to cease operations in 2024 and 2025, respectively, subject to confirmation of ongoing reliability studies to verify alternate capabilities in SMUD’s overall energy portfolio. The selected Contractors have proven industry expertise and proven capabilities to maneuver in new and innovative territory focused on zero carbon solutions.

A pre-proposal conference was held on October 11, 2021, of which 13 vendors attended. On November 5, 2021, seven proposals were received and evaluated in accordance with the advertised criteria.

NARRATIVE:

Requested Action:

a. Authorize the Chief Executive Officer and General Manager (CEO/GM), or his designee, to negotiate and execute a 10-year **Power Purchase Agreement (PPA)** consisting of two confirmations with **Geyser Power Company, LLC** for 100 MW of geothermal energy, substantially in the form attached.

b. Approve the **California Energy Commission (CEC) Emission Performance Standard (EPS)** compliance filing and authorize the CEO/GM, or his designee, to sign the compliance filing attestation.

Summary:

In 2021, Calpine (the parent company of Geyser Power Company, LLC) approached SMUD with a competitive offer under which SMUD will purchase the energy, capacity, and environmental attributes, including Portfolio Content Category 1 Renewable Energy Credits (PCC1 RECs) from its Geyser project in Lake and Sonoma Counties. The Geyser project provides SMUD around-the-clock, carbon-free baseload 100MW of geothermal energy (including PCC1 RECs) plus 100 MWs of resource adequacy capacity, which SMUD can export from the CAISO as firm capacity. The delivery term is January 1, 2023, through December 31, 2032. The 2030 Zero Carbon Plan specifically identifies the need for incorporation of a geothermal resource into the SMUD portfolio.

Senate Bill 1368 (2006) prohibits publicly-owned utilities from entering into covered long-term procurements that do not meet the greenhouse gas EPS adopted by the CEC. CEC regulations provide that power plants that meet the criteria of a renewable electricity generation facility, as defined by the California Renewables Portfolio Standard (RPS) legislation and guidelines, are “determined to be compliant” with the EPS. The Geyser Power Company’s geothermal project qualifies for RPS and is therefore determined to be compliant. The EPS regulations require the SMUD Board make a determination whether this prospective covered procurement complies with the EPS by approving the compliance filing and also requires SMUD submit the compliance filing to the CEC within 10 business days following execution of the PPA.

Board Policy:

SD-2, Competitive Rates; SD-4, Reliability; SD-7, Environmental Leadership; SD-9 Resource Planning: This contract provides economic, zero carbon power and will be a key contributor to achieving our 2030 Zero Carbon Plan. Allows access to relatively low cost and carbon-free power generated and delivered to CAISO.

Benefits:

876,000 MWh/year of carbon-free energy and PCC1 RECs generated in California as well as 100MWs of firm capacity each hour for resource adequacy.

Cost/Budgeted:

The expenses for the project have been included in our financial forecast. The annual cost is approximately $61.3 million for energy, RECs, and capacity.

Alternatives:

Rely on other sources for carbon-free energy.

Re: Deal Number: […]

This Confirmation sets forth the terms and conditions of the transaction between Buyer and Seller, each individually a “Party” and together the “Parties,” as of the Effective Date specified below, in which Seller agrees to sell and deliver, and Buyer agrees to purchase and receive, the Product, as such term is defined herein (the “Transaction”). This Transaction is subject to the terms and conditions of the Western Systems Power Pool Agreement (Effective Version: July 28, 2020) together with any and all exhibits, schedules or supplements thereto or incorporated therein by reference, as amended or modified, each in force and effect from time to time between the Parties (collectively, the “WSPP Agreement”), as amended and supplemented by this Confirmation. The definitions and provisions contained in the WSPP Agreement and in the tariffs and protocols of the California Independent System Operator (“CAISO”), as amended from time to time (“Tariff”), shall apply to this Confirmation Agreement and are incorporated by reference; provided that, to the extent that this Confirmation Agreement is inconsistent with any provision of the WSPP Agreement, this Confirmation shall govern the rights and obligations of the Parties hereunder. This Confirmation, together with the WSPP Agreement will constitute a single agreement between the Parties with respect to the Transaction. This Confirmation supersedes and replaces any prior oral or written confirmation or agreement, including broker confirmations, regarding this Transaction.

We confirm the following terms of our Transaction:

Buyer: Sacramento Municipal Utility District

Seller: Geysers Power Company, LLC

Effective Date: March __, 2022

Delivery Term: The “Delivery Term” shall be from January 1, 2023 to December 31, 2032, inclusive. Notwithstanding the foregoing, for the sole purpose of matching delivery of Renewable Energy Credits (RECs) with Delivered Energy from
the Project, such period will extend through the date that all RECs associated with such energy have been delivered from Seller to Buyer in accordance with this Confirmation.

**Product:**

“Product” means Delivered Energy on an hourly basis which meets the criteria for Section 399.16(b)(1)(A) of the California Public Utilities Code, comprised of: (1) energy, (2) RECs generated by the Project and transferred by Seller through a WREGIS Certificate to Buyer under this Confirmation, and (3) all Green Attributes associated with the renewable energy delivered to Buyer as part of this Confirmation. To the extent not inconsistent with the foregoing, the Product is a Resource Contingent Bundled REC as such is described under Section R-2.3.4 of WSPP Service Schedule R. The Product does not include any other non-renewable and non-environmental attributes (e.g., ancillary services or resource adequacy capacity). Buyer may use the Product for any RPS, voluntary programs, or any other purpose.

**Project:**

The term “Project” means one or more of the geothermal power plants owned or controlled by Seller and located in Lake and Sonoma Counties, California that will be used to provide the Contract Quantity. Due to the portfolio nature of the Geysers, Buyer acknowledges that Seller is making sales and deliveries from the Project to other purchasers. Exhibit A identifies each of the plants as of the Effective Date. Following the Effective Date, Seller may add or remove generating facilities to Exhibit A with prior written notice to Buyer, and any added plants will thereafter be considered part of the Project for all purposes under this Confirmation, provided that each facility added is a geothermal power plant certified by the CEC as an ERR and meets the RPS compliance requirements for PCC 1; provided, that, to the extent that addition of the generating facility(ies) was not approved by the CEC prior to delivery, delivery of Product from the added generating facility(ies) is conditioned on the CEC making a final decision pursuant to the California Code of Regulations, Title 20, Section 2910 that the covered procurement complies with EPS, and, in the event the CEC makes a final decision that the added generating facility(ies) does not comply with the EPS, the change to Exhibit A shall be void and all pending Product deliveries from such added generating facility(ies) shall be terminated no later than the effective date of the CEC’s decision; provided, further, that Buyer’s consent shall be required to remove generating facilities from Exhibit A for reasons other than repair, mothballing, decommissioning, Uncontrollable Forces, or the sale of such facility.

**Delivery Point:**

“Delivery Point” means NP 15 EZ Gen Hub.

**Meter Data:**

To provide evidence of Delivered Energy, in connection with submission of its monthly invoice and upon the request of Buyer, Seller shall provide to Buyer records of metered data, including CAISO metering and transaction data sufficient to document and verify the generation and delivery of the Delivered Energy by the Project (and upon Buyer’s reasonable request access to any records, including invoices or settlement data from the CAISO, necessary to verify the invoice).
Payment: For each MWh of Delivered Energy in accordance with this Confirmation, not to exceed the Contract Quantity, Buyer shall pay Seller the Contract Price, which has no escalation during the Delivery Term. “Contract Price” is as follows:

<table>

<tr>
<th>Contract Years</th>
<th>Price ($/MWh)</th>

<tbody>
<tr>
<td>2023-2032</td>
<td></td>

Renewable Energy Credit Certificates: To provide evidence of Green Attributes, Seller shall transfer to Buyer the RECs to Buyer’s WREGIS account(s) within fifteen (15) Business Days after WREGIS creates certificates from each month’s meter data (approximately four months after flow under current WREGIS operating conditions). If Buyer’s WREGIS account ID is not available as of the start of the Delivery Term, Buyer will provide it to Seller promptly once Buyer receives the WREGIS account ID. REC deliveries will be made by transfer of WREGIS Certificates to Buyer’s WREGIS account pursuant to WREGIS Operating Rules. Seller shall, at its option, transfer the WREGIS Certificate using forward certificated transfer or any other transfer permitted under the WREGIS Operating Rules. With respect to REC deliveries, Product flow shall be considered the month in which the WREGIS Certificates are created by WREGIS under current operating conditions.

Scheduling and CAISO Revenues: Seller shall provide (or cause to be provided) all Scheduling Coordinator services for the Project (and all units constituting the Project) and for delivery of Product to the Delivery Point. Buyer shall provide (or cause to be provided) all Scheduling Coordinator services for Product at and from the Delivery Point. The Parties will purchase and sell the Contract Quantity of Product through Inter-SC Trades scheduled on a Day-Ahead basis at the NP15 EZ Gen Hub in compliance with the CAISO Tariff. As between Buyer and Seller, Seller shall be responsible for all CAISO costs (including penalties and other charges) and shall be entitled to all CAISO revenues (including credits and payments) associated with the Project and the delivery of Product to the Delivery Point.

**ADDITIONAL TERMS:**

a) Seller, and, if applicable, its successors, represents and warrants that throughout the Delivery Term of this Agreement that: (i) the Project qualifies and is certified by the CEC as an ERR; and (ii) the Project’s output delivered to Buyer qualifies under the requirements of the California Renewables Portfolio Standard. To the extent a Change in Law occurs after execution of this Agreement that causes this representation and warranty to be
materially false or misleading, it shall not be an Event of Default if Seller has used commercially reasonable efforts to comply with such Change in Law.

b) Seller shall agree to reasonably assist Buyer with Buyer’s California Renewables Portfolio Standard Program compliance filings as requested by Buyer. In connection with the foregoing, neither Seller nor its affiliates shall be required to (i) expend or incur any legal costs (either internal or external) in providing such assistance or (ii) prepare or defend a filing or otherwise advocate on behalf of Buyer.

c) This Agreement and the rights and duties of the Parties hereunder shall be governed by and construed, enforced and performed in accordance with the laws of the state of California, without regard to principles of conflicts of Law.

d) Seller shall, at its sole cost and expense, take all actions and execute all documents or instruments necessary to ensure that the RECs sold hereunder can be transferred to Buyer utilizing WREGIS. Seller shall comply with all laws, including, without limitation, the WREGIS Operating Rules effective as of the date of this Confirmation regarding the certification and transfer of RECs sold hereunder to Buyer. During the Delivery Term, Seller shall have in-place, or shall submit documentation to establish, an account with WREGIS. Seller shall transfer RECs to Buyer in accordance with WREGIS reporting protocols and WREGIS Operating Rules. Seller shall be responsible for all customary expenses associated with WREGIS Certificate issuance fees and utilizing WREGIS to transfer the RECs to Buyer, or its designee, except for any costs incurred by Buyer with respect to Buyer’s registration with WREGIS and Buyer’s WREGIS account.

e) Seller hereby provides and conveys all Green Attributes associated with the electricity generation from the Project delivered to Buyer as part of the Product. Seller represents and warrants that Seller holds the rights to all such Green Attributes, and Seller agrees to convey and hereby conveys all such Green Attributes to Buyer as included in the delivery of the Product from the Project.

f) Because WREGIS Certificates will only be created for whole MWh amounts of output generated, any fractional MWh amounts will be carried forward during the Delivery Term until sufficient generation is accumulated for the creation of a WREGIS Certificate.

g) Seller shall be responsible, at its sole expense, for validating, adjusting, and disputing data with WREGIS so that the data from the Project’s meter(s) corresponds with the quantity of RECs conveyed hereunder. Upon request Seller shall provide Buyer with copies of all correspondence or documentation to or from WREGIS with respect to any such validation, adjustment, or dispute.

h) Without limiting Seller’s obligations, if a WREGIS Certificate deficit is caused solely by an error or omission of WREGIS or the California Independent System Operator, the Parties shall cooperate in good faith to cause WREGIS to correct its error or omission. If WREGIS changes the WREGIS Operating Rules after the Effective Date or applies the WREGIS Operating Rules in a manner inconsistent with this Confirmation, the Parties promptly shall modify this Agreement as reasonably required to preserve the intended economic benefits of this transaction for both Parties, and so cause and enable Seller to transfer to Buyer’s WREGIS Account the RECs sold to Buyer hereunder.

i) Seller and, if applicable, its successors, represents and warrants that throughout the Delivery Term of this Agreement the RECs transferred to Buyer conform to the definition
and attributes required for compliance with the California Renewables Portfolio Standard, as set forth in California Public Utilities Commission Decision 08-08-028, and as may be modified by subsequent decision of the California Public Utilities Commission or by subsequent legislation. To the extent a Change in Law occurs after execution of this Agreement that causes this representation and warranty to be materially false or misleading, it shall not be an Event of Default if Seller has used commercially reasonable efforts to comply with such Change in Law.

j) Seller warrants that all necessary steps to allow the RECs transferred to Buyer to be tracked in the Western Renewable Energy Generation Information System will be taken prior to the first delivery under the contract.

k) Notwithstanding anything else in this Confirmation, and subject to Seller’s obligations under this Confirmation, Buyer acknowledges and agrees that the sale of energy and RECs by Seller from the Project is nonexclusive.

l) Confidentiality: Seller acknowledges that Buyer is a public agency subject to the requirements of the California Public Records Act (Cal. Gov. Code section 6250 et seq.).

m) Change in Law: Seller shall make commercially reasonable efforts to comply with Changes in Law in the California RPS, provided that Seller shall not be required to incur costs greater than an aggregate amount of $500,000 during the entire Delivery Term (the “Capped Amount”). The Parties acknowledge and agree that any such Change in Law shall not (i) entitle Buyer to a change in the Contract Price or Payment terms, (ii) result in any change to the Contract Quantity, (iii) give either Party the right to terminate this Agreement, or (iv) allow for the severability of any provisions of this Confirmation pursuant to the WSPP Agreement. This provision shall not apply to any Product that was Delivered and Accepted prior to any Change in Law if such Product complies with the California RPS.

n) Seller Credit Requirements: Concurrently with the execution of this Confirmation, Seller and Buyer are entering into that certain Non-RA Export Capacity Transaction Confirmation of even date herewith (the “Non-RA Export Capacity Confirmation”). Seller shall post and maintain from time to time security in the amounts and for the periods set forth on Schedule 1 to secure its obligations under both this Confirmation and the Non-RA Export Capacity Confirmation; provided that Buyer may only draw on such security pursuant to this Confirmation to recover damages payable under this Confirmation. If the Non-RA Export Capacity Confirmation is terminated for any reason, but this Confirmation continues in force, the amounts on Schedule 1 will be reduced to reflect the proportionate reduction in Buyer’s overall exposure as a result of the termination of the Non-RA Export Capacity Confirmation, and the Parties will amend and replace Schedule 1 to reflect this reduction within thirty (30) days after termination of the Non-RA Export Capacity Confirmation. Such security may be provided in cash or by a letter of credit in the form attached hereto as Exhibit D. On the dates when the required amount of such security is reduced as set forth on Schedule 1, if the security has been provided in cash, Buyer shall return any cash security that it holds in excess of the required amount, and if the security has been provided in the form of a letter of credit, Buyer will cooperate with Seller in substituting a revised letter of credit in the appropriate amount for the one held by Buyer. Once Seller has achieved an Investment Grade Rating, Seller shall no longer be required to post security under this Confirmation or the Non-RA Export Capacity Confirmation. Buyer shall return any cash or letters of credit held as security hereunder to Seller within 30 days after written notice from Seller that it has achieved an Investment Grade Rating.
o) **Buyer Credit Requirements.** As long as Buyer maintains an Investment Grade Rating, Buyer will not be required to provide security for the performance of its obligations hereunder and under the Non-RA Export Capacity Confirmation. If Buyer ceases to maintain an Investment Grade Rating, Buyer will promptly provide Seller notice thereof and will, within 30 days after ceasing to maintain an Investment Grade Rating, post and thereafter maintain from time to time security in the amounts and for the periods set forth on **Schedule 1** (as amended, if applicable) to secure its obligations under both this Confirmation and the Non-RA Export Capacity Confirmation; provided that Seller may only draw on such security pursuant to this Confirmation to recover damages payable under this Confirmation. Such security may be provided in cash or by a letter of credit in the form attached hereto as **Exhibit D** (with such changes as are necessary for a letter of credit to be delivered by Buyer to Seller). On the dates when the required amount of such security is reduced as set forth on **Schedule 1**, if the security has been provided in cash, Seller shall return any cash security that it holds in excess of the required amount, and if the security has been provided in the form of a letter of credit, Seller will cooperate with Buyer in substituting a revised letter of credit in the appropriate amount for the one held by Seller. If Buyer subsequently regains an Investment Grade Rating, shall not be required to post security under this Confirmation. Seller shall return any cash or letters of credit held as security hereunder to Buyer within 30 days after written notice from Buyer that it has achieved an Investment Grade Rating.

p) **Buyer Limited Assignment Right:** Notwithstanding anything to the contrary in Section 14 of the Master Agreement, the Buyer may from time to time assign the right to receive all or a portion of the Delivered Energy that would otherwise be delivered to Buyer hereunder. In connection with any such assignment, Buyer and Seller agree to negotiate in good faith the execution of the limited assignment agreement attached hereto as **Exhibit B**. For the avoidance of doubt, any limited assignment will not affect Seller or Buyer’s rights or responsibilities under this Agreement except to the extent set forth in the limited assignment, and Buyer will remain responsible for all its obligations under this Agreement related to such assignment, including (i) the obligation to pay for such Delivered Energy to the extent the assignee thereof does not do so, and (ii) any damages associated with such assignee’s failure to take any such Delivered Energy.

q) **Seller Permitted Assignment:** Notwithstanding anything to the contrary in Section 14 of the Master Agreement, Seller may, without the prior written consent of Buyer, transfer or assign this Agreement to a Qualified Transferee. A Qualified Transferee is: (1) any affiliate of Seller, or (2) any person succeeding to all or substantially all of the assets of Seller (whether voluntary or by operation of law) that (i) for the three (3) preceding years, has owned or operated (or had access to the expertise required to operate through committed management agreements with its affiliates at least 100MWs of renewable energy generation facilities and (ii) either itself or its direct or indirect parent, has (x) a tangible net worth of at least $50,000,000 or (y) a credit rating of “BB-” or higher by S&P or “Ba3” or higher by Moody’s; provided that Seller shall provide at least fifteen (15) Business Days notice to Buyer prior to any such transfer or assignment, Seller shall not be relieved of its obligations under the Agreement prior to the effective date of the transfer or assignment, and Seller’s assignee shall agree in writing to assume all of Seller’s obligations and liabilities under this Agreement.

r) **Seller Collateral Assignment:** Seller may also assign this Agreement as collateral for any financing or refinancing of the Facility. In connection with any financing or refinancing of the Facility by Seller, Buyer shall in good faith work with Seller and its lender to execute a consent to collateral assignment of this Agreement substantially in the form attached
hereto as Exhibit C.

s) Governing Law. Notwithstanding anything in the WSPP Agreement, including Section 24 thereof, to the contrary, the Agreement shall be governed by the laws of the State of California (without reference to conflict of laws rules that would apply the law of another jurisdiction).

t) Counterparts. This Confirmation may be signed in any number of counterparts with the same effect as if the signatures to the counterparts were upon a single instrument. The Parties may rely on electronic, or scanned signatures as originals under this Confirmation. Delivery of an executed signature page of this Confirmation by electronic mail transmission (including PDF) shall be the same as delivery of a manually executed signature page.

u) Emission Performance Standard. This Agreement is a “covered procurement” under the CEC’s EPS and Buyer shall make the required compliance filing with the CEC within 10 Business Days of the Effective Date. EXHIBIT B

Form of Limited Assignment Agreement

This Limited Assignment Agreement (this “Assignment Agreement” or “Agreement”) is entered into as of [___], 20__ by and among [____], a [____] (“PPA Seller”), [Participant], a [____] (“PPA Buyer”), and [Assignee], and relates to that certain power purchase agreement (the “PPA”) between PPA Buyer and PPA Seller as described on Appendix 1. Unless the context otherwise specifies or requires, capitalized terms used but not defined in this Agreement have the meanings set forth in the PPA. To the extent there is any inconsistency between this Assignment Agreement and the PPA, the terms of the PPA shall prevail.

In consideration of the premises above and the mutual covenants and agreements herein set forth, PPA Seller, PPA Buyer and [Assignee] (the “Parties” hereto; each is a “Party”) agree as follows:

1. Limited Assignment and Delegation.

(a) PPA Buyer hereby assigns, transfers and conveys to [Assignee] all right, title and interest in and to the rights of the Delivered Energy under the PPA described on Appendix 1 (the “Assigned Products”) during the Assignment Period (as defined in Appendix 1), as such rights may be limited or further described in the “Further Information” section on Appendix 1 (the “Assigned Product Rights”). All Assigned Products shall be delivered pursuant to the terms and conditions of this Agreement during the Assignment Period as provided in Appendix 1. All other rights of PPA Buyer under the PPA are expressly reserved for PPA Buyer.

(b) PPA Buyer hereby delegates to [Assignee] the obligation to pay for all Assigned Products that are actually delivered to [Assignee] pursuant to the Assigned Product Rights during the Assignment Period (the “Delivered Product Payment Obligation” and together with the Assigned Product Rights, collectively the “Assigned Rights and Obligations”). All other obligations of PPA Buyer under the PPA are expressly retained by PPA Buyer. To the extent [Assignee] fails to pay for any Assigned Products by the due date for payment set forth in the PPA, PPA Buyer agrees that it will remain jointly and severally responsible as primary obligor (and not as surety) for such payment within five (5) Business Days (as defined in the PPA) of receiving notice of such non-payment from PPA Seller and that, regardless of receiving such notice, it will indemnify and hold PPA Seller harmless from and against all losses, costs, damages, liabilities and expenses of any kind as a result of or arising from assignment, transfer, conveyance and delegation described in clauses (a) and (b) of this paragraph 1, the failure of [Assignee] to make any such payment in respect of Delivered Product Payment Obligation as and when due under the PPA (and disregarding the effects of any stay or other suspension rights, including without limitation under sections 362 or 365 of the Bankruptcy Code or similar laws), whether due to bankruptcy, insolvency or any other cause.

(c) [Assignee] hereby accepts and PPA Seller hereby consents and agrees to the assignment, transfer, conveyance and delegation described in clauses (a) and (b) above.

(d) All scheduling of Assigned Products and other communications related to the PPA shall take place between PPA Buyer and PPA Seller pursuant to the terms of the PPA; provided
that (i) title to Assigned Product will pass from PPA Seller to [Assignee] upon delivery by PPA Seller of Assigned Product in accordance with the PPA; (ii) PPA Buyer is hereby authorized by [Assignee] to and shall act as [Assignee]’s agent with regard to scheduling Assigned Product; (iii) PPA Buyer will promptly provide copies to [Assignee] of any Notice (as defined in the PPA) that PPA Buyer sends or receives pursuant to the PPA; (iv) PPA Seller will provide copies to [Assignee ] of all invoices and supporting data provided to PPA Buyer pursuant to the PPA (provided that failure to provide such copies shall not excuse the performance of any other Party hereunder so long as in the case of [Assignee], it has received notices of any payments required to be made by it hereunder); and (v) PPA Buyer and PPA Seller, as applicable, will provide copies to [Assignee] of any other information reasonably requested by [Assignee] relating to Assigned Products (provided that failure of PPA Seller to provide such information shall not excuse the performance of any other Party hereunder).

(e) [PPA Seller acknowledges that (i) [Assignee] intends to immediately transfer title to any Assigned Products received from PPA Seller through one or more intermediaries such that all Assigned Products will be re-delivered to PPA Buyer, and (ii) [Assignee] owns or has the right to purchase receivables due from PPA Buyer for any such Assigned Products. To the extent [Assignee] owns or purchases any valid, lien-free receivables due from PPA Buyer for Assigned Product, [Assignee] may transfer good, marketable and lien-free title to such receivables to PPA Seller and, so long as PPA Buyer does not have any defense in respect of such receivables other than a defense that would have arisen under the PPA if this Assignment Agreement were not in effect apply the face amount thereof as a reduction to any Delivered Product Payment Obligation owed by [Assignee] to PPA Seller; provided that no such transfer or application shall reduce or limit PPA Buyer’s obligations under Section 1(b) above].

(f) In the event the PPA described on Appendix 1 or the Assigned Product Rights are rejected or terminated or both, in or as a result of any bankruptcy, insolvency, reorganization or similar proceeding affecting [Assignee], PPA Buyer shall, at the option of PPA Seller exercised within 30 days after such rejection or termination, enter into a new agreement with PPA Seller having identical terms as the PPA described on Appendix 1 (subject to any conforming changes necessitated by the substitution of parties and other changes as the parties may mutually agree), provided that the term under such new agreement shall be no longer than the remaining balance of the term specified in the PPA described on Appendix 1.

2. Assignment Early Termination.

(a) The Assignment Period may be terminated early upon the occurrence of any of the following:

(1) delivery of a written notice of termination by either [Assignee] or PPA Buyer to each of the other Parties hereto;

(2) delivery of a written notice of termination by PPA Seller to each of [Assignee] and PPA Buyer following [Assignee]’s failure to pay when due any amounts owed to PPA Seller in respect of any Delivered Product Payment Obligation and such failure continues for one business day following receipt by [Assignee] of written notice thereof;
(3) delivery of a written notice by PPA Seller to the other Parties hereto if any of the events described in Section [___] [Bankruptcy] of the PPA occurs with respect to [Assignee]; or

(4) delivery of a written notice by [Assignee] if any of the events described in Section [___] [Bankruptcy] of the PPA occurs with respect to PPA Seller.

(b) The Assignment Period will end at the end of last delivery hour on the date specified in the termination notice provided pursuant to Section 2(a), which date shall not be earlier than the end of the last day of the calendar month in which such notice is delivered if termination is pursuant to clause (a)(1) or (a)(2) above. All Assigned Rights and Obligations shall revert from [Assignee] to PPA Buyer upon the early termination of the Assignment Period, provided that (i) [Assignee] shall remain responsible for the Delivered Product Payment Obligation with respect to any Assigned Product delivered to [Assignee] prior to the end of the Assignment Period, and (ii) any legal restrictions on the effectiveness of such reversion (whether arising under bankruptcy law or otherwise) shall not affect the expiration or early termination of the Assignment Period in respect of the Parties not subject inter se to such restrictions, provided that [Assignee] will not have any further obligations (other than the obligation pursuant to the foregoing clause (i)) hereunder following an early termination of the Assignment Period regardless of any such legal restrictions on the effectiveness of such reversion.

(c) The Assignment Period will automatically terminate upon the expiration or early termination of the PPA. All Assigned Rights and Obligations shall revert from [Assignee] to PPA Buyer upon the expiration of or early termination of the PPA, provided that (i) [Assignee] shall remain responsible for the Delivered Product Payment Obligation with respect to any Assigned Product delivered to [Assignee] prior to the end of the Assignment Period, and (ii) any legal restrictions on the effectiveness of such reversion (whether arising under bankruptcy law or otherwise) shall not affect the expiration or early termination of the Assignment Period in respect of the Parties not subject inter se to such restrictions, provided that [Assignee] will not have any further obligations (other than the obligation pursuant to the foregoing clause (i)) hereunder following an early termination of the Assignment Period regardless of any such legal restrictions on the effectiveness of such reversion.

3. Representations and Warranties. The PPA Seller and the PPA Buyer represent and warrant to [Assignee], each with respect to itself only, that as of the date hereof (a) the PPA is in full force and effect; (b) to the best of its knowledge, no event or circumstance exists (or would exist with the passage of time or the giving of notice) that would give either of them the right to terminate the PPA or suspend performance thereunder; and (c) all of its obligations under the PPA required to be performed on or before the date hereof have been fulfilled.

4. Notices. Any notice, demand, or request required or authorized by this Assignment Agreement to be given by one Party to another Party shall be delivered in accordance with Section [___] and the Cover Sheet of the PPA and to the addresses of each of PPA Seller and PPA Buyer specified in the PPA. PPA Buyer agrees to notify [Assignee] of any updates to such notice information, including any updates provided by PPA Seller to PPA Buyer. Notices to [Assignee] shall be provided to the following address, as such address may be updated by [Assignee] from time to time by notice to the other Parties:
5. Miscellaneous. AGREEMENT

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and intending to be legally bound, the parties hereto hereby agree, notwithstanding anything in the Assigned Agreement to the contrary, as follows:

1. Assignment and Agreement.

1.1 Consent to Assignment. Contracting Party (a) is hereby notified and acknowledges that the Lenders have entered into the Credit Agreement and made the extensions of credit contemplated thereby in reliance upon the execution and delivery by Contracting Party of the Assigned Agreement and this Consent, (b) consents to the collateral assignment under the Security Agreement of all of Assignor’s right, title and interest in, to and under the Assigned Agreement, including, without limitation, all of Assignor’s rights to receive payment and all payments due and to become due to Assignor under or with respect to the Assigned Agreement (collectively, the “Assigned Interests”) and (c) acknowledges the right of First Lien Collateral Agent or a Subsequent Owner (as defined below), in the exercise of First Lien Collateral Agent’s rights and remedies pursuant to the Security Agreement, upon written notice to Contracting Party, to make all demands, give all notices, take all actions and exercise all rights of Assignor under the Assigned Agreement.

1.2 Subsequent Owner.

x
(a) Contracting Party agrees that, if First Lien Collateral Agent notifies Contracting Party in writing that, pursuant to the Security Agreement, it has assigned, foreclosed or sold the Assigned Interests or any portion thereof, then (i) First Lien Collateral Agent or its successor, assignee and/or designee, or any purchaser of the Assigned Interests (a “Subsequent Owner”) shall be substituted for Assignor under the Assigned Agreement and (ii) Contracting Party shall (1) recognize First Lien Collateral Agent or the Subsequent Owner, as the case may be, as its counterparty under the Assigned Agreement and (2) continue to perform its obligations under the Assigned Agreement in favor of First Lien Collateral Agent or the Subsequent Owner, as the case may be; provided that First Lien Collateral Agent or such Subsequent Owner, as the case may be, has assumed in writing all of Assignor’s rights and obligations (including, without limitation, the obligation to cure any then existing payment and performance defaults, but excluding any obligation to cure any then existing performance defaults which by their nature are incapable of being cured) under the Assigned Agreement.

(b) [Insert the following only if warranties are provided by Contracting Party under the relevant Assigned Agreement: Without limiting anything herein, the warranties provided by Contracting Party under the Assigned Agreement shall continue in full force and effect (until the expiration of the applicable warranty periods set forth in the Assigned Agreement) in the event that First Lien Collateral Agent or a Subsequent Owner succeeds to Assignor’s right, title and interest in the Assigned Agreement.]

1.3 Right to Cure. If Assignor defaults in the performance of any of its obligations under the Assigned Agreement, or upon the occurrence or non-occurrence of any event or condition under the Assigned Agreement which would immediately or with the passage of any applicable grace period or the giving of notice, or both, enable Contracting Party to terminate or suspend its performance under the Assigned Agreement (each hereinafter a “default”), Contracting Party shall not terminate or suspend its performance under the Assigned Agreement until it first gives written notice of such default to First Lien Collateral Agent and affords First Lien Collateral Agent a period of at least 15 days (or if such default is a nonmonetary default, such longer period (not to exceed 60 days) as may be required to cure such default) from receipt of such notice to cure such default; provided, however, that (a) if possession of the Projects is necessary to cure such nonmonetary default and First Lien Collateral Agent has commenced foreclosure proceedings, First Lien Collateral Agent shall be allowed a reasonable time to complete such proceedings, and (b) if First Lien Collateral Agent is prohibited from curing any such nonmonetary default by any process, stay or injunction issued by any governmental authority or pursuant to any bankruptcy or insolvency proceeding or other similar proceeding involving Assignor, then the time periods specified herein for curing a default shall be extended for the period of such prohibition.

1.4 No Amendments.

(a) [reserved]

(b) Except for the Buyer Limited Assignment Right under section (p) of the Additional Terms of the Assigned Agreement, Contracting Party agrees that it shall not, without the prior written consent of First Lien Collateral Agent, which consent shall not be unreasonably withheld, (i) sell, assign or otherwise transfer any of its rights under the Assigned Agreement, (ii) terminate, cancel or suspend its performance under the Assigned Agreement (unless it has given First Lien Collateral Agent notice and an opportunity to cure in accordance with Section 1.3 hereof), (iii) consent to any
assignment or other transfer by Assignor of its rights under the Assigned Agreement, or
(iv) consent to any voluntary termination, cancellation or suspension of performance by
Assignor under the Assigned Agreement.

1.5 Replacement Agreements. In the event the Assigned Agreement is rejected or
terminated as a result of any bankruptcy, insolvency, reorganization or similar proceeding
affecting Assignor, Contracting Party shall, at the option of First Lien Collateral Agent
exercised within 30 days after such rejection or termination, enter into a new agreement
with First Lien Collateral Agent having identical terms as the Assigned Agreement (subject
to any conforming changes necessitated by the substitution of parties and other changes as
the parties may mutually agree), provided that (i) the term under such new agreement shall
be no longer than the remaining balance of the term specified in the Assigned Agreement,
and (ii) upon execution of such new agreement, First Lien Collateral Agent cures any
outstanding payment and performance defaults under the Assigned Agreement, excluding
any performance defaults which by their nature are incapable of being cured.

1.6 Limitations on Liability. Unless and until First Lien Collateral Agent has assumed
Assignor’s rights and obligations under the Assigned Agreement or entered into a new
agreement, Contracting Party acknowledges and agrees that First Lien Collateral Agent
shall not have any liability or obligation to Contracting Party under the Assigned
Agreement as a result of this Consent, the Security Agreement or otherwise, nor shall First
Lien Collateral Agent be obligated or required to (a) perform any of Assignor’s obligations
under the Assigned Agreement, except during any period in which First Lien Collateral
Agent has assumed Assignor’s rights and obligations under the Assigned Agreement pursuant to Section 1.2[(a)] above, or (b) take any action to collect or enforce any claim
for payment assigned under the Security Agreement. If First Lien Collateral Agent has
assumed Assignor’s rights and obligations under the Assigned Agreement pursuant to
Section 1.2[(a)] above or has entered into a new agreement pursuant to Section 1.5 above,
First Lien Collateral Agent shall be subject to liability and obligations to Contracting Party
under the Assigned Agreement or such new agreement for the period that it is party to the
Assigned Agreement or such new agreement.

1.7 Delivery of Notices. Contracting Party shall deliver to First Lien Collateral Agent,
concurrently with the delivery thereof to Assignor, a copy of each notice, request or
demand given by Contracting Party to Assignor pursuant to the Assigned Agreement
relating to (a) a default by Assignor under the Assigned Agreement, and (b) any matter that
would require the consent of First Lien Collateral Agent pursuant to Section 1.4 above.

1.8 Transfer. First Lien Collateral Agent shall have the right to assign all of its interest
in the Assigned Agreement or a new agreement entered into pursuant to the terms of this
Consent; provided that such transferee assumes in writing the obligations of Assignor or
First Lien Collateral Agent, as applicable, under the Assigned Agreement or such new
agreement. Upon such assignment, First Lien Collateral Agent shall be released from any
further liability under the Assigned Agreement or such new agreement to the extent of the
interest assigned.

1.9 Refinancing. [Contracting Party hereby acknowledges that Assignor may, from
time to time during the term of the Assigned Agreement, refinance the indebtedness
incurred under the Credit Agreement pursuant to another bank financing, an institutional
financing, a capital markets financing, a lease financing or any other combination thereof
or other form of financing. In connection with any such refinancing, Contracting Party
hereby consents to any collateral assignment or other assignment of the Assigned
Agreement in connection therewith and agrees that the terms and provisions of this Consent
shall apply with respect to such assignment and shall inure to the benefit of the parties providing such refinancing. In furtherance of the foregoing, Contracting Party agrees that (i) references in this Consent to the “First Lien Collateral Agent” and the “First Lien Secured Parties” shall be deemed to be references to the applicable financing parties providing such refinancing, and (2) references in this Consent to the “Credit Agreement” and the “Security Agreement” shall be deemed to be references to the corresponding agreements entered into in connection with such refinancing, and (ii) if reasonably requested by Assignor, it shall enter into a new consent, substantially in the form of this Consent (including any material changes from this form of Consent as may be agreed by Contracting Party) in favor of the parties providing such refinancing.

[Insert the following only if Contracting Party is an Affiliate of Assignor under the relevant Assigned Agreement: 1.10 No Obligations. Notwithstanding anything to the contrary herein or in the Assigned Agreement, in the event that First Lien Collateral Agent or its designee(s) or assignee(s) succeed to the Assignor’s interest under the Assigned Agreement or foreclose on the equity interests of Assignor, First Lien Collateral Agent or its designee or assignee shall have the right, which must be exercised within thirty (30) days following such person succeeding to Assignor’s interest under the Assigned Agreement or such foreclosure on the Assignor’s equity interests, to terminate the Assigned Agreement upon written notice to Contracting Party and neither it nor any First Lien Secured Party nor the Assignor shall have any further obligations under the Assigned Agreement, including without limitation, obligations in respect of the payment of any fees, commissions or expenses, provided that such termination shall not affect obligations incurred prior to the date of termination for services provided.]

2. Payments under the Assigned Agreement.

2.1 Payments. Contracting Party shall pay all amounts (if any) payable by it under the Assigned Agreement in the manner and as and when required by the Assigned Agreement directly into the account specified on Exhibit A hereto, or to such other person, entity or account as shall be specified from time to time by First Lien Collateral Agent to Contracting Party in writing. Notwithstanding the foregoing, if any entity or person has become a Subsequent Owner pursuant to the terms hereof, then Contracting Party shall pay all such amounts directly to such Subsequent Owner or an account designated by Subsequent Owner.

2.2 No Offset, Etc. All payments required to be made by Contracting Party under the Assigned Agreement shall be made without any offset, recoupment, abatement, withholding, reduction or defense whatsoever, other than those allowed by the terms of the Assigned Agreement.

3. Representations and Warranties of Contracting Party. Contracting Party hereby represents and warrants, in favor of First Lien Collateral Agent, as of the date hereof, that:

(a) Contracting Party (i) is a [____________] duly [formed][organized] and validly existing under the laws of the State of [____________], (ii) is duly qualified, authorized to do business and in good standing in every jurisdiction necessary to perform its obligations under the Assigned Agreement and this Consent, and (iii) has all requisite power and authority to enter into and to perform its obligations hereunder and under the Assigned Agreement, and to carry out the terms hereof and thereof and the transactions

(b) the execution, delivery and performance by Contracting Party of this Consent and the Assigned Agreement have been duly authorized by all necessary corporate or other action on the part of Contracting Party and do not require any approvals, filings with, or consents of any entity or person which have not previously been obtained or made;

(c) each of this Consent and the Assigned Agreement is in full force and effect, has been duly executed and delivered on behalf of Contracting Party by the appropriate officers of Contracting Party, and constitutes the legal, valid and binding obligation of Contracting Party, enforceable against Contracting Party in accordance with its terms, except as the enforceability thereof may be limited by (i) bankruptcy, insolvency, reorganization or other similar laws affecting the enforcement of creditors’ rights generally, and (ii) general equitable principles (whether considered in a proceeding in equity or at law);

(d) there is no litigation, action, suit, proceeding or investigation pending or (to the best of Contracting Party’s knowledge) threatened against Contracting Party before or by any court, administrative agency, arbitrator or governmental authority, body or agency which, if adversely determined, individually or in the aggregate, (i) could adversely affect the performance by Contracting Party of its obligations hereunder or under the Assigned Agreement, or which could modify or otherwise adversely affect any required approvals, filings or consents which have previously been obtained or made, (ii) could have a material adverse effect on the condition (financial or otherwise), business or operations of Contracting Party, or (iii) questions the validity, binding effect or enforceability hereof or of the Assigned Agreement, any action taken or to be taken pursuant hereto or thereto or any of the transactions contemplated hereby or thereby;

(e) the execution, delivery and performance by Contracting Party of this Consent and the Assigned Agreement, and the consummation of the transactions contemplated hereby and thereby, will not result in any violation of, breach of or default under any term of its formation or governance documents, or of any contract or agreement to which it is a party or by which it or its property is bound, or of any license, permit, franchise, judgment, injunction, order, law, rule or regulation applicable to it, other than any such violation, breach or default which could not reasonably be expected to have a material adverse effect on Contracting Party’s ability to perform its obligations under the Assigned Agreement;

(f) neither Contracting Party nor, to the best of Contracting Party’s knowledge, any other party to the Assigned Agreement, is in default of any of its obligations thereunder;

(g) to the best of Contracting Party’s knowledge, (i) no event of force majeure exists under, and as defined in, the Assigned Agreement, and (ii) no event or condition exists which would either immediately or with the passage of any applicable grace period or giving of notice, or both, enable either Contracting Party or Assignor to terminate or suspend its obligations under the Assigned Agreement; and

(h) the Assigned Agreement, this Consent, the Limited Assignment (a form of which is attached as Exhibit B to the Assigned Agreement, if and when signed, and that certain [WSPP Export Non-Resource Adequacy Confirmation] dated [_____] between Assignor and Contracting Party are the only agreements between Assignor and Contracting Party with respect to the Project, and all of the conditions precedent to effectiveness under the Assigned Agreement have been satisfied or waived.

Each of the representations and warranties set forth in this Section 3 shall survive the execution and delivery of this Consent and the Assigned Agreement and the consummation
of the transactions contemplated hereby and thereby.

This Non-RA Export Capacity Transaction Confirmation ("Confirmation"), dated March __, 2022 (the "Effective Date"), is made and entered into by Geysers Power Company, LLC ("Seller") and the Sacramento Municipal Utility District ("Buyer") pursuant to the Western Systems Power Pool Agreement (Effective Version: July 28, 2020) together with any and all exhibits, schedules or supplements thereto or incorporated therein by reference, but no further modification unless agreed by the Parties (the "WSPP Agreement"), and is subject to the terms and conditions of the WSPP Agreement, except as modified by this Confirmation. Seller and Purchaser are sometimes each referred to herein as a "Party" and collectively as the "Parties". Terms used but not defined herein shall have the meanings ascribed to them in the WSPP Agreement. In the event of any inconsistency between any of the terms herein and in the WSPP Agreement, the terms of this Confirmation shall control. This Confirmation and the WSPP Agreement are referred to collectively as the "Agreement".

NOW, THEREFORE, the Parties agree as follows:

Buyer intends to use capacity from the Project identified by Seller as provided below (the “Non-Resource Adequacy Capacity” or “Non-RA Capacity”), to support the export of Self-Scheduled energy as a high priority non-recallable export, which will be defined as the priority established for “Self-Schedules of exports at Scheduling Points explicitly sourced by Non-Resource Adequacy Capacity” pursuant to Section 31.4 of the CAISO Tariff or for “Price Taker (PT) exports” pursuant to Section 2.5.5.1 of the CAISO Market Operations Business Practice Manual. The Non-Resource Adequacy Capacity in support of exports from the CAISO Balancing Area Authority to an external Balancing Area Authority is sometimes referred to as a “Supporting Resource.” Buyer’s rights hereunder to the Product do not include any rights to the electrical output of the Units or the Alternate Capacity, and no Energy or Ancillary Services associated with any Unit is required to be made available to Buyer pursuant to this Confirmation.</td>

Following the Effective Date, Seller may add or remove generating facilities and/or Designated Alternate Capacity Units to or from Exhibit A with prior written notice to Buyer, and any added generating facility(ies) will thereafter be considered Units for all purposes under this Confirmation; provided that, to the extent that addition of the generating facility(ies) was not approved by the CEC prior to delivery, the delivery of Product from the added generating facility(ies) is conditioned on the CEC making a final decision pursuant to the California Code of Regulations, Title 20, Section 2910 that the covered procurement complies with EPS, and in the event the CEC makes a final decision that the added generating facility(ies) does not comply with the EPS, the change to Exhibit A shall be void and all pending Product deliveries from such added generating facility(ies) shall be terminated no later than the effective date of the CEC’s decision. The Unit or Units from which the Product is delivered and the amount of Product delivered from each Unit may change from time to time during the Delivery Term, and the capacity of a Unit may be allocated wholly or partially to the delivery of the Product.

of an hour of Planned Outage equal to the pro rata portion of the Product that was not provided.

“Designated Unexcused Outage Quantity” means the amount of Product not provided due to a Designated Unexcused Outage to the extent that Seller does not replace such Product with Alternate Capacity. For any month, the Designated Unexcused Outage Quantity will be equal to the Contract Quantity times a fraction, the numerator of which is the number of hours of Designated Unexcused Outage in such month and the denominator of which is the total number of hours in such month. For purposes of the foregoing calculation, if the amount of Product is only partially reduced as a result of a Designated Unexcused Outage, such reduction will be treated as a portion of an hour of Designated Unexcused Outage equal to the pro rata portion of the Product that was not provided.

“Monthly Shape Factor” means the applicable percentage for the month set forth on Exhibit B.

“NPD Amount” means the total negative price differential amount, if any, for the month, as provided in the section titled “Delivery of Product”.

“Damage Payment Amount” means the amount of damages, if any, payable by Seller as provided in the section titled “Damages for Unexcused Failure to Provide Product”.

**Delivery of Product:**

Seller will notify Buyer at least 30 days before the beginning of each calendar month during the Delivery Term of the Unit or Units from which the Product will be provided for that month, the amount of Product (in MW) that will be provided from each such Unit, and the CAISO Resource ID number(s) for such Unit(s). Seller may revise the Units and quantities of Product from each Unit designated in such notice (or designate Alternate Capacity as provided below, as applicable) from time to time until two (2) hours before the scheduling deadline for the submission of Bids into the Day Ahead Market or such later time (including real time) to the extent allowed by the CAISO. Buyer and Seller will cooperate and take reasonable actions to enable substitution of other Units or Alternate Capacity after the foregoing deadline to the extent allowed by the CAISO.

Seller will be deemed to have delivered the Product in a given hour to the extent it has done the following:
(1) Seller has designated an amount of capacity equal to the Contract Quantity from one or more Units and/or from Alternate Capacity that satisfy the following requirements:

   (a) The Units or Alternate Capacity designated by Seller are identified in their respective Master Files as eligible for sale to an out-of-balancing authority area Load Serving Entity;

   (b) No CAISO Load Serving Entity has a right to the designated capacity;

   (c) The capacity is capable of supporting energy exports during the entire hour; and

   (d) The capacity is deliverable and has Full Capacity Deliverability Status as identified on the CAISO’s Net Qualifying Capacity (NQC) list.

(2) Seller offers the designated capacity in the Day-Ahead Residual Unit Commitment Market ("RUC Market") to support the Contract Quantity; provided that, not more than ten (10) times in any contract year (or as otherwise agreed by Buyer and Seller), Buyer may, by notice to Seller no later than 0500 Pacific time on the applicable WECC Pre-Schedule Day, direct Seller not to offer any of the designated capacity into the RUC Market on a given day and instead to offer all (but not less than all) of the designated capacity in the Real Time Market (RTM) on that day. Bids into the RUC Market shall be at a price of zero dollars ($0.00) per MW.

(3) Seller has given Buyer timely notice of the Units or Alternate Capacity from which the Product will be provided and the information necessary for Buyer to schedule energy exports supported by such Units or Alternate Capacity as a Supporting Resource.

(4) The designated capacity has not been reduced as the result of forced outages or derates of the designated Units and/or Alternate Capacity that has been allocated to Buyer, it being understood that any reduction will reduce the amount of Product delivered.

For those days that Buyer directs Seller to offer all of the designated capacity in the RTM instead of the RUC Market as provided in clause (2), Buyer will hold Seller harmless from any negative price differential between the prices in the Day Ahead Market and RTM at the PNode(s) for the designated capacity. The price differential (defined as the Day Ahead Market price minus the RTM price) for the Contract Quantity will be calculated on an hourly basis for all hours in
an applicable day, and the cumulative differential amount will be payable by Buyer to Seller monthly as provided below, but the monthly amount will not be less than zero (i.e. Seller will not be required to make a payment to Buyer.

<th><strong>Scheduling Coordinator; Other CAISO Revenues:</strong></th>
<th>Seller will be the Scheduling Coordinator for the Units and will take such actions as may be reasonably necessary to enable Seller to perform its obligations under this Confirmation. Except as otherwise expressly provided herein or in another agreement between Buyer and Seller, Seller shall be entitled to retain any revenues it may receive from the CAISO or a third party from sales of other products from the Units, including energy, ancillary services and unit contingent call rights to provide energy, so long as such sales to not interfere with or confer any right to any Product sold hereunder.</th>

<td><strong>Adjustments to Contract Quantity:</strong></td>
<td>If and to the extent the Units are not available to provide the full amount of the Contract Quantity in any given hour, Seller may elect either not to provide the unavailable portion of the Contract Quantity or to provide Alternate Capacity to replace the unavailable portion of the Contract Quantity. Except as provided section titled “Excused Outages and Other Delivery Excuses”, if Seller elects not to provide Alternate Capacity to replace unavailable Contract Quantity, Seller will be liable for damages as provided below.</td>

<tr>
<td><strong>Alternate Capacity:</strong></td>
<td>If Seller is unable to provide the full amount of the Contract Quantity from the Units initially designated to provide the Product, Seller may supply capacity from other Units, from a Designated Alternate Capacity Unit, or from other generating resources in the CAISO Balancing Authority Area that satisfy the requirements for Non-RA Capacity set forth above in the section titled “Delivery of Product” (“Alternate Capacity”); provided, however, that such Alternate Capacity provided from other generating resources in the CAISO Balancing Authority Area that are not Units or Designated Alternate Capacity Units shall not exceed 15% of the forecasted Product to be delivered over the entire Delivery Term; provided, further, commencing on August 1, 2029, and on each August 1 thereafter during the Delivery Term, Buyer may inform Seller that Buyer does not want to continue to allow Seller to provide Alternate Capacity from resources other than the Units from and after January 1, 2030, or the January 1 following the date of the notice, as applicable, through the remainder of the Delivery Term, in which case Seller shall not designate a resource that is not a Unit as Alternate Capacity after such date; provided, further, that if Buyer’s board of directors adopts a policy (or revises an existing policy) that requires Buyer not to purchase energy or capacity from resources that emit greenhouse gases earlier than January 1, 2030, Buyer shall have the foregoing option as</td>

of the date five (5) months before the effective date of such new or revised policy. For the avoidance of doubt, Designated Alternate Capacity Units shall only be used as Alternate Capacity.

**Planned Outages:**

Planned Outage shall be scheduled in accordance with applicable CAISO procedures during the Non-Summer Months. Planned Outages will be limited to 45 days per calendar year. Planned Outages where the affected Contract Quantity is replaced by Alternate Capacity shall not be counted against the 45 days per year allowance for Planned Outages. Planned Outages affecting less than all of the Contract Quantity will be considered a Planned Outage for a part of a day corresponding to the pro rata amount of the affected Contract Quantity.

**Excused Outages and Other Excused Events:**

Seller shall be excused from providing the Product or Alternate Capacity to the extent such failure is due to (i) an Excused Outage, (ii) Buyer’s failure to perform any of its obligations hereunder, or (iii) any curtailment or reduction in priority of Buyer’s export of energy outside of the CAISO Balancing Authority Area, including transmission outages and system emergencies, that is not the result of a failure of performance by Seller hereunder.

If Buyer notifies Seller that Seller may not provide Alternate Capacity from resources other than the Units as provided above in the section titled “Alternate Capacity”, Seller shall thereafter be excused from providing Product or Alternate Capacity to the extent the Units are not available to provide the full Contract Quantity except as the result of a Designated Unexcused Outage.

Each of the foregoing reasons for Seller being excused from providing the Product or Alternate Capacity is referred to herein as an “Excused Event”. Buyer accepts the risk of Excused Events and agrees that there shall be no reduction in the monthly payment as a result of any failure to provide Product or Alternate Capacity due to an Excused Event.

**Damages for Unexcused Failure To Provide Product:**

If in any month Seller fails to deliver at least 94.5% of the Contract Quantity from the Units or Alternate Capacity on average, calculated over all of the Assessment Hours in such month for reasons that are not Excused Events, Seller shall be subject to damages equal to the penalties that would be payable under the CAISO Tariff for failure to deliver the same amount of Resource Adequacy Capacity. Buyer and Seller acknowledge and agree that, as of the Effective Date, those penalties are RAAIM penalties equal to 60% of the CPM Soft-Cap Price (as provided in Section 40.9.6.1(b) of the CAISO Tariff), but those penalties may change as provided in the preceding sentence. Damages (if any) will be calculated on an hourly basis, but paid...
monthly as provided in the section title “Monthly Payment”. Upon Buyer’s reasonable request, Seller will provide access to any records, including outage reporting or settlement data from the CAISO necessary to verify the invoice.

| **Review of Unit Availability:** | After the first year of the Delivery Term, and thereafter as reasonably requested by Buyer, the Parties will meet and confer regarding the availability of the Unit(s). If the availability of the Unit(s) persistently is materially less than 100 MW, the Parties will discuss in good faith opportunities to improve such availability and, if they agree (each in its sole discretion) to make any appropriate amendments to this Transaction, including, but not limited to, adjustments to the Contract Quantity. However, unless and until the Parties enter into any such amendments, this Transaction shall continue in full force and effect. |
| **Change In Law:** | In the event of any change in law or regulations, including but not limited to the CAISO Tariff, Software Infrastructure Business Rules (SIBR), and/or Business Practice Manuals, that materially affects the requirements for capacity that supports energy exports from the CAISO Balancing Authority Area to an external Balancing Authority Area (i.e., a Supporting Resource) or that materially changes the rights or obligations of a Party or the costs, benefits or burdens of performance by a Party under this Confirmation, then, at the request of the affected Party, the Parties will meet and negotiate in good faith to make such revisions to this Transaction as may be necessary to restore the costs, benefits and burdens of performance by each Party to those existing as of the Effective Date. If the Parties are unable to agree on such amendments after 90 days, this Transaction will continue in force, but Buyer may, at its option, resell the Product as Resource Adequacy Capacity, and Seller will cooperate with Buyer in effectuating such resale.

Without limiting the foregoing, if during the Delivery Term the CAISO or the CPUC either replaces NQC as the value utilized to measure the qualifying capacity of a Unit with a successor value such as unforced capacity (“UCAP”), or utilizes such successor value as a supplemental means of measuring the qualifying capacity of a Unit together with NQC, then, at Seller’s request, the Parties shall negotiate an amendment to this Confirmation so that, from and after the effective date of such replacement or supplement, the amount of Product to be provided by Seller to Buyer is no less than Buyer’s pro rata share of the total qualifying capacity of the Units after such replacement or supplement (based on the ratio of the Contract Quantity to the total qualifying capacity of the Units before such replacement); provided that Seller may, at its option, agree to provide Product in excess of such amount up to the Contract Quantity.
**Credit Support:**

Seller and Buyer are entering into the RPS Agreement concurrently with the execution of this Confirmation. The security posted by Seller under the RPS Agreement shall secure its obligations under both this Confirmation and the RPS Agreement; provided that Buyer may only draw on such security pursuant to this Confirmation to recover damages payable under this Confirmation. The provisions of the RPS Agreement shall govern the posting, maintenance and release of this security. However, if the RPS Agreement is terminated for any reason, but this Confirmation continues in force, the Parties will amend this Confirmation within thirty (30) days after such termination to include the relevant portions of the RPS Agreement relating to posting, maintenance, reduction and release of the security (with such changes as may be necessary to reflect the differences between the two confirmations) and Schedule 1, except that the amounts on Schedule 1 to the RPS Agreement will be reduced to reflect the proportionate reduction in Buyer's overall exposure as a result of the termination of the RPS Agreement. Once Seller has achieved an Investment Grade Rating, Seller shall no longer be required to post security under this Confirmation or the RPS Agreement, and Buyer shall return any cash or letters of credit held as security as provided in the RPS Agreement.

As long as Buyer maintains an Investment Grade Rating, Buyer will not be required to provide security for the performance of its obligations hereunder and under the RPS Agreement. If Buyer ceases to maintain an Investment Grade Rating, Buyer will post and maintain security for its obligations hereunder and under the RPS Agreement as provided in the RPS Agreement; provided that Seller may only draw on such security pursuant to this Confirmation to recover damages payable under this Confirmation. If Buyer subsequently regains an Investment Grade Rating, it shall not be required to post security under this Confirmation or the RPS Agreement, and Seller shall return any cash or letters of credit held as security as provided in the RPS Agreement.

**Early Termination:**

The Parties have entered into a separate agreement for the purchase and sale of renewable energy from the Units, which is dated concurrently with the Effective Date (the “RPS Agreement”). In the event the RPS Agreement is terminated for reasons other than as the result a default by a Party thereunder, either Party may also terminate this Agreement by written notice to the other Party within thirty (30) days after the termination of the RPS Agreement. Any such termination shall be “without fault”, and neither Party shall be subject to damages or ongoing obligations as a result of such termination.
| Assignment: | Notwithstanding anything in Section 14 of the WSPP Agreement to the contrary, Seller may, without the prior written consent of Buyer, transfer or assign this Confirmation and its rights and obligations hereunder to a Qualified Transferee; provided that Seller shall provide at least fifteen (15) Business Days notice to Buyer prior to any such transfer or assignment, and Seller shall not be relieved of its obligations under the Agreement prior to the effective date of such transfer or assignment and Seller’s assignee having agreed in writing to assume all of Seller’s obligations and liabilities under this Agreement. Upon any such assignment and the assumption in writing by the Affiliated assignee of all of Seller’s obligations hereunder, Seller shall be released from any further obligation or liability under this Confirmation.  
Seller may also assign this Confirmation as collateral for any financing or refinancing of some or all of the Units. In connection with any financing or refinancing of some or all of the Units by Seller, Buyer shall in good faith work with Seller and its lender to execute a consent to collateral assignment of this Agreement substantially in the form attached hereto as Exhibit D. |
| Limitation on Damages: | The Parties confirm that the express remedies and measures of damages provided in this Agreement satisfy the essential purposes hereof. If any provision of this Agreement provides for an express remedy or measure of damages, such express remedy or measure of damages shall be the sole and exclusive remedy for breach of that provision, and all other remedies or damages at law or in equity for a breach of such provision are waived. If no remedy or measure of damages is expressly provided, a Party’s liability for breach shall be limited to direct damages only. Except for damages owed to unaffiliated third parties which may be subject to indemnification, neither Party shall have any liability for any consequential, incidental, special, indirect, punitive or exemplary damages of any kind, including loss of profits or business opportunities, arising out of or relating to this Agreement or the activities contemplated hereby, whether asserted in contract, tort or otherwise and notwithstanding the inadequacy or claimed inadequacy of any limited remedy.  
Notwithstanding anything herein to the contrary, Seller’s total liability hereunder and under the RPS Agreement shall not exceed the amounts set forth on Schedule 1 to the RPS Agreement for the period in question. |
| Emission Performance Standard | This Agreement is a “covered procurement” under the CEC’s EPS and Buyer shall make the required compliance filing with the CEC within 10 Business Days of the Effective Date. The Parties agree that this Agreement shall be void and all pending Product deliveries terminated no later than the effective date of any final decision by the CEC pursuant to the California Code of Regulations, Title 20, Section 2910 that the covered procurement fails to comply with EPS. The Parties acknowledge that the Project is a “determined to be compliant” power plant pursuant to 20 CCR §§ 2903(b)(1) or (2). |
| General Representations: | In addition to the representations and warranties contained in Section 37 of the Master Agreement, each of Purchaser and Seller represents and warrants to the other party that, as of the Effective Date: |
  | (a) it is duly organized, validly existing and in good standing under the laws of the jurisdiction of its formation; |
  | (b) it has all contractual, governmental, regulatory and legal authorizations necessary for it to legally perform its obligations under this Confirmation; |
  | (c) the execution, delivery and performance of this Confirmation are within its powers, have been duly authorized by all necessary action; |
  | (d) this Confirmation and each other document executed and delivered in accordance with this Confirmation constitutes its legally valid and binding obligation enforceable against it in accordance with its terms, subject to any bankruptcy, insolvency, reorganization and other laws affecting creditors’ rights generally, and with regard to equitable remedies, the discretion of the court before which proceedings to obtain same may be pending; and |
  | (e) it is acting for its own account, has made its own independent decision to enter into this Confirmation and as to whether this Confirmation is appropriate or proper for it based upon its own judgment, is not relying upon the advice or recommendations of the other Party in doing so, and is capable of assessing the merits of and understanding, and understands and accepts, the terms and conditions and risks of this Confirmation. |
| Certain Modifications of the WSPP Agreement: | The WSPP Agreement is hereby modified as follows: |

on the fifth line of that section does not apply to any damages or other remedies expressly provided for in this Confirmation.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and intending to be legally bound, the parties hereto hereby agree, notwithstanding anything in the Assigned Agreement to the contrary, as follows:

1. Assignment and Agreement.

1.1 Consent to Assignment. Contracting Party (a) is hereby notified and acknowledges that the Lenders have entered into the Credit Agreement and made the extensions of credit contemplated thereby in reliance upon the execution and delivery by Contracting Party of the Assigned Agreement and this Consent, (b) consents to the collateral assignment under the Security Agreement of all of Assignor’s right, title and interest in the Projects and other rights and interests relating thereto, whenever arising, including, without limitation, the Assigned Agreement and all of Assignor’s right, title and interest under (but not any of Assignor’s obligations, liabilities or duties with respect thereto) the Assigned Agreement;
1.2 Subsequent Owner.

(a) Contracting Party agrees that, if First Lien Collateral Agent notifies Contracting Party in writing that, pursuant to the Security Agreement, it has assigned, foreclosed or sold the Assigned Interests or any portion thereof, then (i) First Lien Collateral Agent or its successor, assignee and/or designee, or any purchaser of the Assigned Interests (a “Subsequent Owner”) shall be substituted for Assignor under the Assigned Agreement and (ii) Contracting Party shall (1) recognize First Lien Collateral Agent or the Subsequent Owner, as the case may be, as its counterparty under the Assigned Agreement and (2) continue to perform its obligations under the Assigned Agreement in favor of First Lien Collateral Agent or the Subsequent Owner, as the case may be; provided that First Lien Collateral Agent or such Subsequent Owner, as the case may be, has assumed in writing all of Assignor’s rights and obligations (including, without limitation, the obligation to cure any then existing payment and performance defaults, but excluding any obligation to cure any then existing performance defaults which by their nature are incapable of being cured) under the Assigned Agreement.

(b) [Insert the following only if warranties are provided by Contracting Party under the relevant Assigned Agreement: Without limiting anything herein, the warranties provided by Contracting Party under the Assigned Agreement shall continue in full force and effect (until the expiration of the applicable warranty periods set forth in the Assigned Agreement) in the event that First Lien Collateral Agent or a Subsequent Owner succeeds to Assignor’s right, title and interest in the Assigned Agreement.]

1.3 Right to Cure. If Assignor defaults in the performance of any of its obligations under the Assigned Agreement, or upon the occurrence or non-occurrence of any event or condition under the Assigned Agreement which would immediately or with the passage of any applicable grace period or the giving of notice, or both, enable Contracting Party to terminate or suspend its performance under the Assigned Agreement (each hereinafter a “default”), Contracting Party shall not terminate or suspend its performance under the Assigned Agreement until it first gives written notice of such default to First Lien Collateral Agent and affords First Lien Collateral Agent a period of at least 15 days (or if such default is a nonmonetary default, such longer period (not to exceed 60 days) as may be required to cure such default) from receipt of such notice to cure such default; provided, however, that (a) if possession of the Projects is necessary to cure such nonmonetary default and First Lien Collateral Agent has commenced foreclosure proceedings, First Lien Collateral Agent shall be allowed a reasonable time to complete such proceedings, and (b) if First Lien Collateral Agent is prohibited from curing any such nonmonetary default by any process, stay or injunction issued by any governmental authority or pursuant to any bankruptcy or insolvency proceeding or other similar proceeding involving Assignor, then the time periods specified herein for curing a default shall be extended for the period of such prohibition.

1.4 No Amendments.

(a) [reserved]

rights under the Assigned Agreement, (ii) terminate, cancel or suspend its performance under the Assigned Agreement (unless it has given First Lien Collateral Agent notice and an opportunity to cure in accordance with Section 1.3 hereof), (iii) consent to any assignment or other transfer by Assignor of its rights under the Assigned Agreement, or (iv) consent to any voluntary termination, cancellation or suspension of performance by Assignor under the Assigned Agreement.

1.5 Replacement Agreements. In the event the Assigned Agreement is rejected or terminated as a result of any bankruptcy, insolvency, reorganization or similar proceeding affecting Assignor, Contracting Party shall, at the option of First Lien Collateral Agent exercised within 30 days after such rejection or termination, enter into a new agreement with First Lien Collateral Agent having identical terms as the Assigned Agreement (subject to any conforming changes necessitated by the substitution of parties and other changes as the parties may mutually agree), provided that (i) the term under such new agreement shall be no longer than the remaining balance of the term specified in the Assigned Agreement, and (ii) upon execution of such new agreement, First Lien Collateral Agent cures any outstanding payment and performance defaults under the Assigned Agreement, excluding any performance defaults which by their nature are incapable of being cured.

1.6 Limitations on Liability. Unless and until First Lien Collateral Agent has assumed Assignor’s rights and obligations under the Assigned Agreement or entered into a new agreement, Contracting Party acknowledges and agrees that First Lien Collateral Agent shall not have any liability or obligation to Contracting Party under the Assigned Agreement as a result of this Consent, the Security Agreement or otherwise, nor shall First Lien Collateral Agent be obligated or required to (a) perform any of Assignor’s obligations under the Assigned Agreement, except during any period in which First Lien Collateral Agent has assumed Assignor’s rights and obligations under the Assigned Agreement pursuant to Section 1.2[(a)] above, or (b) take any action to collect or enforce any claim for payment assigned under the Security Agreement. If First Lien Collateral Agent has assumed Assignor’s rights and obligations under the Assigned Agreement pursuant to Section 1.2[(a)] above or has entered into a new agreement pursuant to Section 1.5 above, First Lien Collateral Agent shall be subject to liability and obligations to Contracting Party under the Assigned Agreement or such new agreement for the period that it is party to the Assigned Agreement or such new agreement.

1.7 Delivery of Notices. Contracting Party shall deliver to First Lien Collateral Agent, concurrently with the delivery thereof to Assignor, a copy of each notice, request or demand given by Contracting Party to Assignor pursuant to the Assigned Agreement relating to (a) a default by Assignor under the Assigned Agreement, and (b) any matter that would require the consent of First Lien Collateral Agent pursuant to Section 1.4 above.

1.8 Transfer. First Lien Collateral Agent shall have the right to assign all of its interest in the Assigned Agreement or a new agreement entered into pursuant to the terms of this Consent; provided that such transferee assumes in writing the obligations of Assignor or First Lien Collateral Agent, as applicable, under the Assigned Agreement or such new agreement. Upon such assignment, First Lien Collateral Agent shall be released from any further liability under the Assigned Agreement or such new agreement to the extent of the interest assigned.

1.9 Refinancing. Contracting Party hereby acknowledges that Assignor may, from time to time during the term of the Assigned Agreement, refinance the indebtedness incurred under the Credit Agreement pursuant to another bank financing, an institutional
financing, a capital markets financing, a lease financing or any other combination thereof or other form of financing. In connection with any such refinancing, Contracting Party hereby consents to any collateral assignment or other assignment of the Assigned Agreement in connection therewith and agrees that the terms and provisions of this Consent shall apply with respect to such assignment and shall inure to the benefit of the parties providing such refinancing. In furtherance of the foregoing, Contracting Party agrees that (i)(1) references in this Consent to the “First Lien Collateral Agent” and the “First Lien Secured Parties” shall be deemed to be references to the applicable financing parties providing such refinancing, and (2) references in this Consent to the “Credit Agreement” and the “Security Agreement” shall be deemed to be references to the corresponding agreements entered into in connection with such refinancing, and (ii) if reasonably requested by Assignor, it shall enter into a new consent, substantially in the form of this Consent (including any material changes from this form of Consent as may be agreed by Contracting Party) in favor of the parties providing such refinancing.\[1\]

[Insert the following only if Contracting Party is an Affiliate of Assignor under the relevant Assigned Agreement: 1.10 No Obligations. Notwithstanding anything to the contrary herein or in the Assigned Agreement, in the event that First Lien Collateral Agent or its designee(s) or assignee(s) succeed to the Assignor’s interest under the Assigned Agreement or foreclose on the equity interests of Assignor, First Lien Collateral Agent or its designee or assignee shall have the right, which must be exercised within thirty (30) days following such person succeeding to Assignor’s interest under the Assigned Agreement or such foreclosure on the Assignor’s equity interests, to terminate the Assigned Agreement upon written notice to Contracting Party and neither it nor any First Lien Secured Party nor the Assignor shall have any further obligations under the Assigned Agreement, including without limitation, obligations in respect of the payment of any fees, commissions or expenses, provided that such termination shall not affect obligations incurred prior to the date of termination for services provided.]

2. Payments under the Assigned Agreement.

2.1 Payments. Contracting Party shall pay all amounts (if any) payable by it under the Assigned Agreement in the manner and as and when required by the Assigned Agreement directly into the account specified on Exhibit A hereto, or to such other person, entity or account as shall be specified from time to time by First Lien Collateral Agent to Contracting Party in writing. Notwithstanding the foregoing, if any entity or person has become a Subsequent Owner pursuant to the terms hereof, then Contracting Party shall pay all such amounts directly to such Subsequent Owner or an account designated by Subsequent Owner.

2.2 No Offset, Etc. All payments required to be made by Contracting Party under the Assigned Agreement shall be made without any offset, recoupment, abatement, withholding, reduction or defense whatsoever, other than those allowed by the terms of the Assigned Agreement.

3. Representations and Warranties of Contracting Party. Contracting Party hereby represents and warrants, in favor of First Lien Collateral Agent, as of the date hereof, that:

(d) there is no litigation, action, suit, proceeding or investigation pending or (to the best of Contracting Party’s knowledge) threatened against Contracting Party before or by any court, administrative agency, arbitrator or governmental authority, body or agency which, if adversely determined, individually or in the aggregate, (i) could adversely affect the performance by Contracting Party of its obligations hereunder or under the Assigned Agreement, or which could modify or otherwise adversely affect any required approvals, filings or consents which have previously been obtained or made, (ii) could have a material adverse effect on the condition (financial or otherwise), business or operations of Contracting Party, or (iii) questions the validity, binding effect or enforceability hereof or of the Assigned Agreement, any action taken or to be taken pursuant hereto or thereto or any of the transactions contemplated hereby or thereby;

Under such circumstances, the Seller may provide substitute capacity/product (referred to in the contract as Alternate Capacity) from:
(1) the Delta Energy Center (Table 2, above), a specified, EPS Compliant Source, consistent with Title 20, California Code of Regulations, Section 2906(b)(1); or

(2) unspecified sources, but in an amount not to exceed 15% of the forecasted capacity/product to be delivered over the entire term of the contract, and only when the specified units (identified in Table 1, above) are unavailable due to a forced outage, scheduled maintenance or other temporary unavailability for operational or efficiency reasons, consistent with Title 20, California Code of Regulations, Section 2906(b)(2). No other substitute capacity/product is allowed under the Capacity Contract unless the contract is amended and the CEC approves a subsequent Emission Performance Standard filing for the new facility(ies).

RESOLUTION NO. ____________

WHEREAS, in 2021, Calpine (the parent company of Geysers Power Company, LLC) approached SMUD with a competitive offer under which SMUD will purchase the energy, capacity, and environmental attributes, including Portfolio Content Category 1 Renewable Energy Credits (PCC1 RECs) from its Geysers Project in Lake and Sonoma Counties; and

WHEREAS, the Geysers Project would provide SMUD around-the-clock, carbon-free baseload 100 MWs of geothermal energy (including PCC1 RECs) plus 100 MW of resource adequacy capacity, which SMUD can export from the California Independent System Operator Corporation (CAISO) as firm capacity; and

WHEREAS, SMUD’s 2030 Zero Carbon Plan specifically identifies the need for incorporation of a geothermal resource in SMUD’s portfolio; and

WHEREAS, SMUD has the opportunity to enter into a 10-year Power Purchase Agreement (PPA) consisting of two confirmations with Geysers Power Company, LLC, for the purchase of 100 MW of renewable energy and capacity with a delivery term of January 1, 2023, through December 31, 2032; and

WHEREAS, Senate Bill 1368 (2006) prohibits publicly-owned electric utilities from entering into covered long-term procurements for electricity that do not meet the Greenhouse Gas Emission Performance Standard (EPS) adopted by the California Energy Commission (CEC); and

WHEREAS, the governing body of a local publicly-owned electric utility must determine whether prospective covered procurements comply with the EPS; and
WHEREAS, CEC regulations provide that power plants that meet the criteria of an eligible renewable electricity generation facility, as defined by the California Renewables Portfolio Standard (RPS) legislation and CEC guidelines adopted thereunder, are “determined to be compliant” with the EPS; and

WHEREAS, the Geysers Project meets the criteria of a renewable electricity generation facility, as defined by the applicable legislation and guidelines, and is, therefore, determined to be compliant under the CEC regulations and to the extent alternate capacity is provided from the Delta Energy Center if the Geysers Project is unavailable, it is otherwise compliant with the CEC regulations; and

WHEREAS, the price and other terms proposed in the PPA are commercially reasonable and benefit SMUD’s ratepayers; NOW, THEREFORE,

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE SACRAMENTO MUNICIPAL UTILITY DISTRICT:

Section 1. The Chief Executive Officer and General Manager (CEO/GM), or his delegate, is authorized to negotiate and execute the specific terms and conditions of a Power Purchase Agreement (PPA), which consists of two confirmations, with Geysers Power Company, LLC, in substantial conformance with Attachment ___ and Attachment ____.
