Get peace of mind with HomePower

Like to plan ahead? We do too, but sometimes your home has other ideas.

For just $7.50 a month, SMUD’s HomePower program gives you peace of mind and protects your home and pocketbook from unexpected electrical issues and repairs that can occur due to normal wear and tear.

Here’s what’s covered:

- Repair/replacement of outlets, switches, circuit breakers, fuses, smoke detectors and more.
- Labor costs for replacing light fixtures, bulbs and certain fan motors.
- Up to $500 in electrical repairs (parts & labor) per calendar year.

All repairs are performed by a SMUD-approved electrical contractor. Plus, service calls are free, there’s no deductible and the work’s guaranteed.

Apply for a Powering Futures Scholarship

Education and the impact it has on our community is priceless. That’s why we’re proud to offer “Powering Futures,” our annual college scholarship program, that awards up to $60,000 for the next generation of leaders. Scholarships ranging from $1,000 - $5,000 will be awarded to local students.

To apply, students must be a SMUD customer or have a SMUD customer as a legal guardian. Awards are based on merit and financial need, with preference given to students with a major that’s relevant to SMUD. Scholarships also include a paid internship for eligible students.

Applications will be accepted Feb. 24 – April 17, 2020.

Be prepared for storms

It’s storm season, are you prepared? While SMUD works hard every day to keep the lights on, sometimes mother nature gets in the way. If you lose power due to wind, rain or any other circumstances, rest assured, SMUD crews will work quickly and around-the-clock to restore your electricity. Be prepared and keep an emergency kit handy. Here are some items to consider storing:

- Flashlight & candles
- Extra batteries
- Dry canned foods
- Bottled water
- Manual can opener
- Wind-up clock/radio
- Waterproof matches
- Portable cell phone charger

Report downed power lines immediately by calling SMUD’s outage line at 1-888-456-SMUD (7683) or call 911. You’ll find updated outage information at smud.org/Outages, on the SMUD mobile app or by following us on Twitter at @SMUDUpdates.
