Billing & payment options

- **Budget Billing**. This option allows you to have a set bill amount for four months at a time. You can minimize future changes in your bill amount by managing your usage, especially during the summer months.
- **SMUD App**. Pay your bill from your mobile device—it’s fast, easy, and secure. You can report an outage, look at your bill, see how much energy you’re using and more. Download from the Apple App Store or Google Play.
- **Online Payments**. Pay your bill online at smud.org. Click on “Sign in” and then “Pay now” to view your bill amount and make payments directly from your bank account or use your credit card.

Clean energy options

- **Greenergy®**. For an additional $4 or $8 per month added to your bill, you can have 50% or 100% of your electric usage met with a mix of renewable and carbon-free resources like wind, hydroelectric power and solar.
- **SolarShares®**. Enjoy the benefits of solar power without having a solar system on your roof. For a monthly charge, you will receive energy from a solar system maintained and managed by SMUD.
- **Community Solar®**. This program uses solar energy and solar installations to educate our community about the importance of renewable energy.
- **Net metering for renewable generation**. If you have qualifying renewable generation—such as a photovoltaic system—installed at your residence, this option is for you. The renewable power outage. You may be charged if SMUD has to clear the space. You must also allow access to utility easements on your property so we can inspect and maintain our power lines and equipment.

Power theft

SMUD technicians encounter various methods of power theft each month. Unsafe conditions are a danger to all SMUD customers. Please report any unsafe situation you discover by calling us at 916-732-6594.

SMUD

Powering forward. Together.
Your basic rates
As your community-owned and not-for-profit electric service provider, SMUD proudly offers a range of residential rate options that are priced among the lowest in California — averaging 38% lower than neighboring PG&E as of October 2020.

This brochure explains how we bill your electricity service and summarizes the options available to you. The full text of SMUD’s Rates, Rules and Regulations are available on our website at smud.org/Rates or at our Customer Service Center at 6301 S Street in Sacramento.

Energy usage charges: the bulk of your bill
Most of the charges on your monthly bill are for the electric energy you use, measured in kilowatt-hours (kWh).

Other charges
Your monthly bill also includes a few other charges. Among them:

• System Infrastructure Fixed Charge, covers some of the costs associated with the meter, neighborhood wires, poles, transformers and other equipment required to provide electric service, and operating expenses such as customer services and billing.

• Taxes from the State & some local municipalities.

• Premium fees for any special programs or services you may have chosen to participate in.

• Discounts that you may be eligible for as a participant in our low-income or medical equipment programs.

• Hydro Generation Surcharge that adjusts annually, as needed, based on precipitation.

Standard energy charges
SMUD offers seasonal electricity prices for all customers.

Time-Of-Day Rate (TOD)
The Time-Of-Day (5-8 p.m.) Rate is the standard residential rate for all SMUD customers with a smart meter, including customers approved for solar installation on or after Jan. 1, 2018, and any customers moving into a home with existing solar. Eligible customers have the option to enroll in the alternative Fixed Rate.

The Time-Of-Day (4-7 p.m.) Rate closed Dec. 31, 2017. Solar customers on this rate can remain on it until Dec. 31, 2022.

If you own or lease an electric vehicle, you can receive a discount for charging between midnight and 6 a.m.

If you can shift your electricity use to times other than the 5 p.m. - 8 p.m. peak period, you could save on your electricity bill. Learn more at smud.org/TimeOfDay.

Residential assistance programs
SMUD offers low-income and medical equipment discount rates for qualifying households.

Energy Assistance Program Rate (EAPR). Eligible low-income customers can receive $10 off the SIFC and a discount on electricity usage cost per kilowatt hour based on qualifying poverty level income guidelines.

Medical Equipment Discount (MED) Rate. Households with a full-time resident dependent on a qualifying electrically-powered medical device in the home may be eligible for a $15- per-month MED Rate discount.

To apply for EAPR or MED, visit smud.org or call 1-888-742-7683 for an application.

SMUD offers you energy-saving programs to help you lower your energy bills that also help the environment. Learn more at smud.org.
