Crystal Basin Recreation Area
Schedule of Improvements and Temporary Closures

Will your favorite recreation site be closed?

Please pardon our dust while we make some exciting improvements to recreation sites associated with SMUD’s Upper American River Project in El Dorado County. Over the next few years, many of the facilities will be upgraded, and several new features added for your future enjoyment. The work will require some sites to be partially or completely closed during construction within the timeframes below. We apologize for any inconvenience and thank you for your patience.
